Supervision Leonard 12th Edition

Effective Police Supervision Harry W. More, Larry S. Miller, 2014-02-13 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager *Effective Police Supervision* is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams This revised and updated edition includes new material throughout on police accountability police involvement with news media dealing with social media and avoiding scandals Each chapter includes important key terms and opens with a case study to illustrate important concepts *Effective Police Supervision* Larry S. Miller, Harry W.

More, Michael C. Braswell, 2017-02-17 Outstanding first line supervisors are essential to the success of any law enforcement agency yet many officers lack the supervision training necessary to excel *Effective Police Supervision* immerses readers in the group behaviors and organizational dynamics supervisors must master in order to lead their teams and to help create an effective police department Combining behavioral theory and updated case studies this core text now in its eighth edition is a vital tool for all college students pursuing criminal justice courses on supervisory practices as well as police officers

preparing for promotional exams **Supervision in the Legal Profession** Michael John McNamara, 2020-04-30 This book is about supervision in the legal profession with a focus on the experience of novice lawyers It is the first of its kind Until now there have been a range of books dedicated to professional supervision in many disciplines but not law Supervision is an important link between formal university based legal education and independent practice and is relevant to a range of contemporary legal practice issues including changes driven by technology workplace culture regulating law firm management and well being This book aims to be scholarly and practical It provides an overview of how supervision is positioned in the legal regulatory framework it describes how supervision is conceived in the legal profession and practice management literature and draws lessons from clinical legal education and other professional disciplines By reporting on survey data this book also provides insights into practitioners attitudes and perceptions about supervision in legal practice
