This town was run by violent gangs and I lived a quiet life as the criminal prosecutor's daughter. But the day of my 18th birthday, everything changed. Suddenly I was on the radar of both gangs. I should be scared. I should be fearful. But my desire for danger has taken over. I could be walking into a trap. But Reed, Colton and Grayson, the infamous Spades Trio are dragging me into the darkness... And down the rabbit's hole I go.... KING OF SPADES is a full length mature dark high school gang related adult romance with some enemies-to-lovers themes. This is a reverse harem novel, meaning the main female character has more than one love interest. KING OF SPADES is book one in the Black Spades Trilogy. This is the 3rd book in my King of Obsolete Series which was written back in 2010 when I was drinking professionally. The book was only ever in rough print as an unfinished book but with the Covid 19 lock downs in the year 2020 the book "plates" were lost when my publisher was forced out of business. Now I have changed a few things and added more to tell my stories of the Ladies in my life as the King of Obsolete. These stories are based from 2003 to 2010 when I was young and foolish plus living at the end of the world as a single parent of a daughter and published author. Thank Excerpt from The Quiet King: A Story of Christ The quiet king is not a religious romance. Although

written with the thought that truth embodied in a tale shall enter in at lowly doors, it is less a story even than a closely connected series of studies which draw all their interest and significance from one central figure. In them the writer has sought, with reverence which grew from more to more with every hour of study, to make real to herself and to others the impression made upon men and women of his generation by Jesus of Nazareth. To grasp and clothe in language the transcendent beauty of that life is more than one could hope to do; what alone is hoped for is to suggest this, if only in some faint degree. The use of fictitious characters is exceedingly slight. In *Adriel* I have sought to embody - in his youth - one type of the Messiah conceived of by the patriotic Jews of the period; in his later life, one of the unknown, unrecorded followers of Christ. Undoubtedly of this class were men and women who had been the subjects of his healing. About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books. Book Review and Book Description: What The Hell Were You Thinking is about a man of amazingly diverse backgrounds, Lawrence King's book illustrates his reinvention from being incarcerated to executive chef, Buddhist practitioner and caregiver for the mentally and physically handicapped. Like his dissimilar careers, Mr. King's articles and commentaries are distinct and varied offering insight into his complex character. While in the aggressive and repressive setting of a prison and as a man jailed for deliberate insolence, with the help of Buddhism, he turned his life around. A globally minded concerned citizen of the world, a caring man who rescues insects and wolves, Mr. King shows us that change can happen. Rose C. Nardi Vice President Peoples Bank

I had no idea the money belonged to a king of the Las Vegas underworld. And I definitely wasn't prepared for what he would do to get it back. * I knew I shouldn't have let a drug addict ex-grunt pick up that suitcase, even if he was my best friend. I should never have agreed to be the one to get the suitcase back. Then I wouldn't have met Izzy Lake and fallen for her bad fake accent, her beauty, and her raw vulnerability. If I don't get that suitcase back in eight days, I'll be spending the rest of my life behind bars. I need that suitcase. But I need her more. 8,994 P.E.--The elven city of Elvorum has become corrupted to the core by politics.
