**Not God Enough** J.D. Greear, 2018-02-06 Pastor and author J.D. Greear reveals that the secret to a robust, passionate faith isn't getting all the right answers about God, but seeing God as the awesome, glorious, and infinite presence that He is. We like God small. We prefer a God who is safe, domesticated, who thinks like we think, likes what we like, and whom we can manage, predict, and control. A small God is convenient, practical, manageable. For us, thinking of God as so infinitely greater and wiser than we are, and who would cause us to tremble in His presence, is a leftover relic from an oppressive, archaic view of religion. But what if this small version of God we've created is holding us back from the greatest experience of our lives: from genuine, confident, world-transforming faith? In *Not God Enough*, J.D. reveals how to discover a God who is big enough to handle your questions, doubts, and fears; is not silent; is worthy of worship; wants to take you from boring to bold in your faith; has a purpose and mission for you on earth; is pursuing you right now. The truth: God is big. Bigger than big. Bigger than all the words we use to say big. Only a God of infinite power, wisdom, and majesty can answer our deepest questions and meet our deepest longings. God is not just a slightly better, slightly smarter version of you. God is infinite and glorious, and an encounter with Him won't just change the way you think about your faith; it'll change your entire life.

Pocket Canons give an up close look at each book of the Bible      **The Prophetic Books of the Old Testament** Frederick Carl Eisele, 1923      **Understand the Old Testament** David Holsted, 2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he s talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That s where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don t have hundreds of hours to invest This book combines the best of what I ve read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you ve ever done

**Judah and Tamar (Genesis 38) in Ancient Jewish Exegesis** Esther Marie Menn, 1997 This exploration of Genesis 38 in The Testament of Judah Targum Neofiti and Genesis Rabbah shows how new meanings emerge through encounters between the biblical text and later Jewish communities      **The Books of the Old Testament in Your Palm** Ayuba Mshelia, 2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God s divine

Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don t you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel s history Why was the Davidic covenant threatened by Bathsheba s marriage and Absalom s insurrection What is your take on Daniel s seventy weeks prophecy Dan 9 24 What does the phrase seven weeks and threescores and two weeks mean to you as used in Daniel s prophecy What about A time times and a half Dan 12 7 appearing in Daniel s prophecy What does Ezekiel s vision about the valley of the dry bones coming to life mean to Israel and to you as a believer The Old Testament begins with the story of creation and life but ends in Malachi 4 6 with a divine threat of a curse Are you free from that curse as an individual or still under it These are the many compelling and poignant questions laboriously dealt with in the book *A New Chronology for Old Testament Times* Jan van Tuyl, 2012-10-31 This book brings solutions to a very great list of hitherto unsolved chronological and synchronisation problems The reason why those solutions could be found lies in the extensive research the author made in old and often rare texts instead of limiting himself to the near exclusive source of the Bible Ample use has been made of information that is available in works like the Books of Enoch The Apocrypha The Legends of the Jews The Seder Olam the Book of Jasher and many more as well as in the texts from known historians like Herodotus and the famous Jewish historian and priest Flavius Josephus Just a few of the many special findings are The real reason why Joseph was so popular with the Pharaoh Sarah was not Abraham s half sister Moses was uncircumcised and even forbade the ritual for 40 years Terah was not 70 years old when he begat Abraham The exact period of the Judges when they started and when they ended A solution for the verse of the about 450 years of Paul s speech Why did the Lord God give form and then blew life into Adam Eve was not made out of Adam s rib but from another body part A solution to the impossible synchronism of Judah and his sons Enoch made not one but 4 trips to Heaven The definitive answer why did King Josiah attack Necho II Why did King Ahab not fight at Qarqar And many more The book has a unique style It has nothing of the study book difficult to understand texts The subject is serious well researched and treated with respect But that does not mean that it cannot be presented at a fast moving pace in easy to read style with here and there even a bit of humour The purpose of the book is to prove that the promise that the Lord God made to Adam was kept It held that there would be exactly 5500 years between the

arrival of Adam in this world and the arrival of Christ Every person who was of importance in that timespan has been visited For every single one there are his years of birth and death or the years of his rule Every person has a short story about some important part of his life his actions or the influence he had on the history of the Hebrew people that lived in that period

Old English Literature and the Old Testament Michael Fox, Manish Sharma, 2014-05-01 It would be difficult to overestimate the importance of the Bible in the medieval world For the Anglo Saxons literary culture emerged from sustained and intensive biblical study Further at least to judge from the Old English texts which survive the Old Testament was the primary influence both in terms of content and modes of interpretation Though the Old Testament was only partially translated into Old English recent studies have shown how completely interconnected Anglo Latin and Old English literary traditions are Old English Literature and the Old Testament considers the importance of the Old Testament from a variety of disciplinary perspectives from comparative to intertextual and historical Though the essays focus on individual works authors or trends including the Interrogationes Sigewulfi Genesis A and Daniel each ultimately speaks to the vernacular corpus as a whole suggesting approaches and methodologies for further study **New Testament Stories from the Back Side** Dr. J. Ellsworth Kalas, 2010-10-01 Using an approach similar to his other Back Side books J Ellsworth Kalas opens up new possibilities of insight into selected New Testament stories by entering them through the back side through a unique starting point a creative retelling a new lens or the eyes of a minor or unsympathetic character Includes 12 stories and a study guide

**From Story Interpretation to Sermon Crafting** Charles R. Dickson, 2012-01-09 From Story Interpretation to Sermon Crafting was written by a preacher for preachers who have to deal with the competing demands of pastoral ministry It takes some of the gains of the last seven decades of the literary approach to Scripture and applies them to a vital aspect of pastoral ministry preaching The book presents a text centered and theological approach to analyzing Old Testament narratives This approach lays a solid basis for interpreting the narratives and demonstrates that the movement from examining the text to crafting the sermon is a continuous process Making use of many examples based on narrative passages from the Old Testament that facilitate grasping the methodology this approach to sermon crafting is rooted in the text shaped by the text and is characterized by sound and controlled exegesis It provides the pastor with an approach that enables Old Testament historical narrative to speak to Christian believers in contemporary society in a way that addresses the issues concerns and struggles faced by the church and Christians The writer to the Hebrews says of righteous Abel though he is dead he still speaks 11 4 Similarly these ancient stories do speak and can still speak today To make them heard effectively and relevantly is the purpose of the book
