Building Classroom Discipline 10th Edition

Building Classroom Discipline C. M. Charles, 2011 The leading text in the field this book analyzes the contributions of the leading authorities in discipline to show how their theories and systems can be used by teachers to create structures of positive discipline The text analyzes 18 models of school discipline developed by educational thinkers over the past 60 years and shows how they can be applied in realistic situations A unique contribution of the text is that the present day theorists listed also coordinate with Professor Charles to ensure accuracy in the presentation of their models Teachers are motivated to create a structure of positive discipline based on the most effective elements from traditional and current disciplinary approaches

Building Classroom Discipline C. M. Charles, 1981

**Building Classroom Discipline** C. M. Charles, 2013-10-03 Appropriate for courses in Classroom Management and Classroom Discipline Charles is the leading classroom management models text It covers and applies the most important management and discipline approaches from Redl Wattenberg Skinner and Glasser through Jones Kagan Cook and others This book has two main goals The first is to help readers understand and become highly competent in today s major concepts terminology approaches and strategies in discipline Toward that end information is presented on the nature of behavior and misbehavior students behavioral traits teachers obligations in discipline and the goals and procedures of today s most respected approaches in management The second goal is to assist teachers in organizing systems of management that best meet their needs and those of their students A comprehensive review of outstanding strategies and tactics is presented with further information and guidance to help teachers develop effective well rounded systems of management and discipline for any class On the New Edition of Building Classroom Discipline I feel the book is the best overview of Classroom Management for an entry level teacher It has a strong theoretical basis and provides students with a sound overview of classroom management E ach chapter is easy to follow and t he case examples and the application examples strengthen each chapter A true gem of a book Aubrey Fine CA Poly University Two things I like about the new edition that the previous edition did not have are the chapter on self assessment as well as the inclusion of the Be the Teacher Scenarios in all the chapters My students have enjoyed the Be the Teacher practice exercises a lot and I am glad that with the new edition they will have even more opportunities to practice Madalina Tanase University of North Florida Not only does Charles provide the essence of each model but he focuses on how to execute the model in a classroom The step by step approach is exceptional Deborah Burriss Southern Illinois University Carbondale

Discipline Without Stress® Punishments Or Rewards Marvin Marshall, 2012 This second edition has the same content as the first edition but includes testimonials and additional submissions from teachers and parents The Discipline without Stress Teaching Model is used around the world The non coercive yet non permissive approach to promoting responsible behaviour and motivation for learning is totally different from current approaches that use rewards for appropriate behaviour and coercive threats and punishments The book can be used across the entire teaching spectrum in small childcare centres to large high schools and in rural suburban and urban schools It can be used in any home or youth setting

**Today's Best Classroom Management Strategies** C. M. Charles,2008 This text presents ten proven strategies that enable teachers to develop and implement high quality systems of classroom discipline that increase student responsibility and ethical behavior The contents of the text are organized to address two major tasks that lead to highly effective discipline The first task which is addressed before the year or term begins and put in place during the first week involves initial implementation of an effective system of discipline to begin the year or term The second task accomplished over time after school begins involves working with students and their parents and guardians to progressively enhance the discipline program
