Merely said, the The Price Of Ticket Collected Nonfiction 1948 1985 James Baldwin is universally compatible with any devices to read.

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most

celebrated writers of our time. #1 NEW YORK TIMES BEST SELLER • John Grisham takes you to a different kind of court in his first basketball novel. Samuel “Sooley” Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. “Hard to put down ... the pages turn quickly ... building to a climax that won’t leave readers doubting whether this is a John Grisham novel.” —Associated Press

In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it’s just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn’t immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he’s dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham’s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game. Don’t miss John Grisham’s new book, **THE EXCHANGE: AFTER THE FIRM!** A NEW YORK TIMES BESTSELLER “The fights against hunger, homelessness, poverty, health disparities, poor schools, homophobia, transphobia, and domestic violence are feminist fights. Kendall offers a feminism rooted in the livelihood of everyday women.” —Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist*, in *The Atlantic* “One of the most important books of the current moment.”—*Time* “A rousing call to action... It should be required reading for everyone.”—Gabrielle Union, author of *We’re Going to Need More Wine* A potent and electrifying critique of today’s feminist movement announcing a fresh new voice in black feminism Today’s feminist movement has a glaring blind spot, and paradoxically, it is women. Mainstream feminists rarely talk about meeting basic needs as a feminist issue, argues Mikki Kendall, but food insecurity, access to quality education, safe neighborhoods, a living wage, and medical care are all feminist issues. All too often, however, the focus is not on basic survival for the many, but on increasing privilege for the few. That feminists refuse to prioritize these issues has only exacerbated the age-old problem of both internecine discord and women who rebuff at carrying the title. Moreover, prominent white feminists broadly suffer from their own myopia with regard to how things like race, class, sexual orientation, and ability intersect with gender. How can we stand in solidarity as a movement, Kendall asks, when there is the distinct likelihood that some women are oppressing others? In her searing collection of essays, Mikki Kendall takes aim at the legitimacy of the modern feminist movement, arguing that it has chronically failed to address the needs of all but a few women. Drawing on her own experiences with hunger, violence, and hypersexualization, along with incisive commentary on reproductive rights, politics, pop culture, the stigma of mental health, and more, *Hood Feminism* delivers an irrefutable indictment of a movement in flux. An unforgettable debut, Kendall has written a ferocious clarion call to all would-be feminists to live out the true mandate of the movement in thought and in deed. *BELLETRIST’S AUGUST 2020 BOOK PICK* “[Mackintosh’s] writing is clear and sharp, with piercing moments of wisdom and insight that drive toward a pitch-perfect ending...*Blue Ticket* adds something new to the dystopian tradition set by Orwell’s 1984 or Atwood’s *The Handmaid’s Tale*.” -- *New York Times Book Review* From the author of the Man Booker Prize longlisted novel *The Water Cure* (“ingenious and incendiary”--*The New Yorker*) comes another mesmerizing, refracted vision of our society: What if the life you’re given is the wrong one? Calla knows how the lottery works. Everyone does. On the day of your first bleed, you report to the station to learn what kind of woman you will be. A white ticket grants you marriage and children. A blue ticket grants you a career and freedom. You are relieved of the terrible burden of choice. And once you’ve taken your ticket, there is no going back. But what if the life you’re given is the wrong one? When Calla, a blue ticket woman, begins to question her fate, she must go on the run. But her survival will be dependent on the very qualities the lottery has taught her to question in herself and on the other women the system has pitted against her. Pregnant and desperate, Calla must contend with whether or not the lottery knows her better than she knows herself and what that might mean for her child. An urgent inquiry into free will, social expectation, and the fraught space of motherhood, *Blue Ticket* is electrifying in its raw evocation of desire and riveting in its undeniable familiarity. Philip Roth’s bestselling alternate history—the chilling story of what happens to one family when America elects a charismatic, isolationist president—is soon to be an HBO limited series. In an extraordinary feat of narrative invention, Philip Roth imagines an alternate history where Franklin D. Roosevelt loses the 1940 presidential election to heroic aviator and rabid isolationist Charles A. Lindbergh. Shortly thereafter, Lindbergh negotiates a cordial “understanding” with Adolf Hitler, while the new government embarks on a program of folksy anti-Semitism. For one boy growing up in Newark, Lindbergh’s election is the first in a series of ruptures that threaten to destroy his small, safe corner of America—and with it, his mother, his father, and his older brother. “A terrific political novel . . . Sinister, vivid, dreamlike . . . creepily plausible. . . You turn the pages, astonished and frightened.” — *The New York Times Book Review* This book “collects interview and conversations which contribute substantially to an understanding and clarification of James Baldwin’s personality and perspective, his interests and achievements. The collection also represents a kind of companion piece to the earlier dialogues, *A Rap on Race* with Margaret Mead and *A Dialogue with Nikki Giovanni*”--Introduction. The official *Ticket to Ride* Puzzle book, offering the same fun game-play experience as the boardgame and hours of endless fun in a book! NATIONAL BESTSELLER • In his final years, Baldwin envisioned a book about his three assassinated friends, Medgar Evers, Malcolm X, and Martin Luther King. His deeply personal notes for the project had never been published before acclaimed filmmaker Raoul Peck mined Baldwin’s oeuvre to compose his stunning documentary film *I Am Not Your Negro*. Peck weaves these texts together, brilliantly imagining the book that Baldwin never wrote with selected published and unpublished passages, essays, letters, notes, and interviews that are every bit as incisive and pertinent now as they have ever been. Peck’s film uses them to jump through time, juxtaposing Baldwin’s private words with his public statements, in a blazing examination of the tragic history of race in America. This edition contains more than 40 black-and-white images from the film, which was nominated for the Academy Award for Best Documentary. #1 NEW YORK TIMES BESTSELLER • After leaving a fast-track legal career and going on a serious bender, David Zinc is sober, unemployed, and desperate enough to take a job at Finley & Figg, a self-described “boutique law firm” that is anything but. Oscar Finley and Wally Figg are in fact just two ambulance chasers who bicker like an old married couple. But now the firm is ready to tackle a case that could make the partners rich—without requiring them to actually practice much law. A class action suit has been brought against Varrick Labs, a pharmaceutical giant with annual sales of \$25 billion, alleging that Krayoxx, its most popular drug, causes heart attacks. Wally smells money. All Finley & Figg has to do is find a handful of Krayoxx users to join the suit. It almost seems too good to be true ... and it is. Don’t miss John Grisham’s new book, **THE EXCHANGE: AFTER THE FIRM!** Over twenty-two months in 1979 and 1981 nearly two dozen children were unspeakably murdered in Atlanta despite national attention and outcry; they were all Black. James Baldwin investigated these murders, the Black administration in Atlanta, and Wayne Williams, the Black man tried for the crimes. Because there was only evidence to convict Williams for the murders of two men, the children’s cases were closed, offering no justice to the families or the country. Baldwin’s incisive analysis implicates the failures of integration as the guilt party, arguing, “There could be no more devastating proof of this assault than the slaughter of the children.” As Stacey Abrams writes in her foreword, “The humanity of black children, of black men and women, of black lives, has ever been a conundrum for America. Forty years on, Baldwin’s writing reminds us that we have never resolved the core query: Do black lives matter? Unequivocally, the moral answer is yes, but James Baldwin refuses such rhetorical comfort.” In this, his last book, by excavating American race relations Baldwin exposes the hard-to-face ingrained issues and demands that we all reckon with them. Set in a beautiful but dying Pennsylvania steel town, *American Rust* is a novel of the lost American dream and the desperation that arises from its loss. It is the story of two young men bound to the town by family, responsibility, inertia and the beauty around them who dream of a future beyond the factories, abandoned homes, and

the polluted river. Isaac is the smartest kid in town, left behind to care for his sick father after his mother commits suicide and his sister Lee moves away. Now Isaac wants out too. Not even his best friend, Billy Poe, can stand in his way: broad-shouldered Billy, always ready for a fight, still living in his mother's trailer. Then, on the very day of Isaac's leaving, something happens that changes the friends' fates and tests the loyalties of their friendship and those of their lovers, families, and the town itself. Evoking John Steinbeck's novels of restless lives during the Great Depression, *American Rust* is an extraordinarily moving novel about the bleak realities that battle our desire for transcendence, and the power of love and friendship to redeem us. A collection of New York Times bestselling author William Gibson's articles and essays about contemporary culture—a privileged view into the mind of a writer whose thinking has shaped not only a generation of writers but our entire culture... Though best known for his fiction, William Gibson is as much in demand for his cutting-edge observations on the world we live in now. Originally printed in publications as varied as *Wired*, the *New York Times*, and the *Observer*, these articles and essays cover thirty years of thoughtful, observant life, and are reported in the wry, humane voice that lovers of Gibson have come to crave. "Gibson pulls off a dazzling trick. Instead of predicting the future, he finds the future all around him, mashed up with the past, and reveals our own domain to us."—*The New York Times Book Review* A *New York Times* Critic's Top Pick of the Year This essential, enlightening, truly delightful collection shows one of our greatest writers parsing the political, artistic, and media landscape of the past three decades. These sixty-six essays and reviews, culled from the pages of *The New York Review of Books*, *The New York Times*, *Harper's*, *The Atlantic*, and *The New Yorker*, among others, find Lorrie Moore turning her discerning eye on everything from Philip Roth to Margaret Atwood, from race in America to the shocking state of the GOP, from celebrity culture to the wilds of television, from Stephen Sondheim to Barack Obama. See *What Can Be Done* is a perfect blend of craft, brains, and a knowing, singular take on life, liberty, and the pursuit of (some kind of) happiness. Join a young boy as he hops around the globe, visiting friends in 13 different countries spanning all 6 populated continents. Along the way, he introduces us to each friend's environment and customs, and shares interesting facts about each country's culture, language, food, geography, wildlife, landmarks and more. Each country has a dedicated spread with a small map that shows geography and landmarks, letting readers imagine they are traveling, too. The format makes it easy to spot similarities and differences between countries. This informational picture book brings engaging nonfiction content to younger readers by showing them how other children just like them live around the world. Playful, realistic illustrations done with stylized realism lend warmth and whimsy to the book, making each locale feel welcoming. A *Ticket Around the World* will leave readers feeling like they've toured the globe without ever having left home. Based on Alex Haley's bestselling classic *The Autobiography of Malcolm X*, a rare, lucidly composed screenplay from one of America's great masters of letters. *Son of a Baptist minister; New York City hustler; honor student; convicted criminal; powerful minister in the Nation of Islam; father and husband: Malcolm X transformed himself, time and again, in order to become one of the most feared, loved, and undeniably charismatic leaders of twentieth-century America. No one better represents the tumultuous times of his generation, and there is no one better to capture him and his milieu than James Baldwin. With spare, elegant, yet forceful dialogue and fresh, precise camera directions, Baldwin breathes cinematic life into this controversial and important figure, offering a new look at a man who changed himself in order to change the country. From one of the most important writers of the twentieth century comes a stunning love story about a young Black woman whose life is torn apart when her lover is wrongly accused of a crime—"a moving, painful story, so vividly human and so obviously based on reality that it strikes us as timeless" (The New York Times Book Review). "One of the best books Baldwin has ever written—perhaps the best of all." —The Philadelphia Inquirer* Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche. A "perfectly executed suspense tale very much in the mode of Daphne du Maurier's *Rebecca*" (*The Washington Post*) from the #1 *New York Times* bestselling author of *In a Dark, Dark Wood*, *The Woman in Cabin 10*, *The Lying Game*, and *The Turn of the Key*. On a day that begins like any other, Hal receives a mysterious letter bequeathing her a substantial inheritance. She realizes very quickly that the letter was sent to the wrong person—but also that the cold-reading skills she's honed as a tarot card reader might help her claim the money. Soon, Hal finds herself at the funeral of the deceased... where it dawns on her that there is something very, very wrong about this strange situation and the inheritance at the center of it. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, this is a "captivating and eerie page-turner" (*The Wall Street Journal*) from the Agatha Christie of our time. **THE STORY: SATCHMO AT THE WALDORF** is a one-man, three-character play in which the same actor portrays Louis Armstrong, the greatest of all jazz trumpeters; Joe Glaser, his white manager; and Miles Davis, who admired Armstrong's playing but disliked his onstage manner. It takes place in 1971 in a dressing room backstage at the Empire Room of New York's Waldorf-Astoria Hotel, where Armstrong performed in public for the last time four months before his death. Reminiscing into a tape recorder about his life and work, Armstrong seeks to come to terms with his longstanding relationship with Glaser, whom he once loved like a father but now believes to have betrayed him. In alternating scenes, Glaser defends his controversial decision to promote Armstrong's career (with the help of the Chicago mob) by encouraging him to simplify his musical style, while Davis attacks Armstrong for pandering to white audiences. **NEW YORK TIMES BEST SELLER** • From the best-selling, Pulitzer Prize-winning author of *All Over but the Shoutin'*, the warmhearted and hilarious story of how his life was transformed by his love for a poorly behaved, half-blind stray dog. Speck is not a good boy. He is a terrible boy, a defiant, self-destructive, often malodorous boy, a grave robber and screen door moocher who spends his days playing chicken with the Fed Ex man, picking fights with thousand-pound livestock, and rolling in donkey manure, and his nights howling at the moon. He has been that way since the moment he appeared on the ridgeline behind Rick Bragg's house, a starved and half-dead creature, seventy-six pounds of wet hair and poor decisions. Speck arrived in Rick's life at a moment of looming uncertainty. A cancer diagnosis, chemo, kidney failure, and recurring pneumonia had left Rick lethargic and melancholy. Speck helped, and he is helping, still, when he is not peeing on the rose of Sharon. Written with Bragg's inimitable blend of tenderness and sorrow, humor and grit, *The Speckled Beauty* captures the extraordinary, sustaining devotion between two damaged creatures who need each other to heal. The international sensation that illuminates the experiences women are supposed to hide—from addiction, anger, sexual assault, and infertility to joy, sensuality, and love. **WINNER OF THE AN POST IRISH BOOK OF THE YEAR** • "Emilie Pine's voice is razor-sharp and raw; her story is utterly original yet as familiar as my own breath."—Glennon Doyle, #1 *New York Times* bestselling author of *Love Warrior* In this dazzling debut, Emilie Pine speaks to the events that have marked her life—those emotional disruptions for which our society has no adequate language, at once bittersweet, clandestine, and ordinary. She writes with radical honesty on the unspeakable grief of infertility, on caring for an alcoholic parent, on taboos around female bodies and female pain, on sexual violence and violence against the self. This is the story of one woman, and of all women. Devastating, poignant, and wise—and joyful against the odds—*Notes to Self* is an unforgettable exploration of what it feels like to be alive, and a daring act of rebellion against a society that is more comfortable with women's silence. Praise for *Notes to Self* "Notes to Self begins as a deceptively simple catalogue of the injustices of modern female life and slyly emerges as a screaming treatise on just what it means to make your own rules, turning the hand you've been dealt into the coolest game in town. Emilie Pine is like your best friend—if your best friend was so sharp she drew blood."—Lena Dunham, #1 *New York Times* bestselling author of *Not That Kind of Girl* "To read these essays is to understand the human condition more clearly, to reassess one's place in the world, and to reclaim one's own experiences as real and valid."—*Sunday Independent* "Harrowing, clear-eyed . . . Everyone should consider [this] priority reading."—*Sunday Business Post* "Incredible and insightful—an absolute must-read."—*The Skinny* "Agonizing, uncompromising, starkly brilliant. . . . [A] short, gleamingly instructive book, both memoir and psychological exploration—a platform for that insistent internal voice that almost any woman . . . wishes they had ignored."—*Financial Times* "Do not read this book in public. It will make you cry."—Anne Enright The works of James Baldwin constitute one of the major contributions to American literature in the twentieth century, and nowhere is this more evident than in *The Price of the Ticket*, a compendium of nearly fifty years of

Baldwin's powerful nonfiction writing. With truth and insight, these personal, prophetic works speak to the heart of the experience of race and identity in the United States. Here are the full texts of *Notes of a Native Son*, *Nobody Knows My Name*, *The Fire Next Time*, *No Name in the Street*, and *The Devil Finds Work*, along with dozens of other pieces, ranging from a 1948 review of *Raintree Country* to a magnificent introduction to this book that, as so many of Mr. Baldwin's works do, combines his intensely private experience with the deepest examination of social interaction between the races. In a way, *The Price of the Ticket* is an intellectual history of the twentieth-century American experience; in another, it is autobiography of the highest order. *Angell's* absorbing collection traces the highs and lows of major-league baseball in the 1980s /div *Angell* once again journeys through five seasons of America's national pastime—chronicling the larger-than-life narratives and on-field intricacies of baseball from 1982 to 1987. *Angell's* collected *New Yorker* essays, written in his unique voice as a fan and baseball aficionado, cover the development of the game both on the diamond and off. While diving into subjects such as Sparky Anderson's '84 Detroit Tigers, the legendary 1986 World Series and the Curse of the Bambino, and the increasingly pervasive issue of player drug use, *Angell* reveals the craft and technique of the game, and the unforgettable stories of those who played it./div *Secrets and Surprises from Roald Dahl!* Feast your eyes on a secret! Between these covers is a long-lost chapter—and the original ending—from *Charlie and the Chocolate Factory* and other delicious never-before-seen tidbits from Mr. Wonka's factory. Then slip into some tasty tales from Roald Dahl's life to discover more about the world's No. 1 storyteller. No Roald Dahl collection is complete without this splendid treat! From one of the most important American writers of the twentieth century—an extraordinary history of the turbulent sixties and early seventies that powerfully speaks to contemporary conversations around racism. “It contains truth that cannot be denied.” —*The Atlantic Monthly* In this stunningly personal document, James Baldwin remembers in vivid details the Harlem childhood that shaped his early consciousness and the later events that scored his heart with pain—the murders of Martin Luther King and Malcolm X, his sojourns in Europe and in Hollywood, and his return to the American South to confront a violent America face-to-face. Beginning in 1611 with the King James Bible and ending in 2014 with Elizabeth Kolbert's 'The Sixth Extinction', this extraordinary voyage through the written treasures of our culture examines universally-acclaimed classics such as Pepys' 'Diaries', Charles Darwin's 'The Origin of Species', Stephen Hawking's 'A Brief History of Time' and a whole host of additional works -- James Baldwin's final novel is “the work of a born storyteller at the height of his powers” (*The New York Times Book Review*). “Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one refuses abdication, one begins again.” The stark grief of a brother mourning a brother opens this stunning, unforgettable novel. Here, in a monumental saga of love and rage, James Baldwin goes back to Harlem, to the church of his groundbreaking novel *Go Tell It on the Mountain*, to the forbidden passion of Giovanni's Room, and to the political fire that enflames his nonfiction work. Here, too, the story of gospel singer Arthur Hall and his family becomes both a journey into another country of the soul and senses—and a living contemporary history of black struggle in this land. The works of James Baldwin constitute one of the major contributions to American literature in the twentieth century, and nowhere is this more evident than in *The Price of the Ticket*, a compendium of nearly fifty years of Baldwin's powerful nonfiction writing. With truth and insight, these personal, prophetic works speak to the heart of the experience of race and identity in the United States. Here are the full texts of *Notes of a Native Son*, *Nobody Knows My Name*, *The Fire Next Time*, *No Name in the Street*, and *The Devil Finds Work*, along with dozens of other pieces, ranging from a 1948 review of *Raintree Country* to a magnificent introduction to this book that, as so many of Mr. Baldwin's works do, combines his intensely private experience with the deepest examination of social interaction between the races. In a way, *The Price of the Ticket* is an intellectual history of the twentieth-century American experience; in another, it is autobiography of the highest order. From one of the most brilliant and provocative literary figures of the past century—a collection of essays, articles, reviews, and interviews that have never before been gathered in a single volume. “An absorbing portrait of Baldwin's time—and of him.” —*New York Review of Books* James Baldwin was an American literary master, renowned for his fierce engagement with issues haunting our common history. In *The Cross of Redemption* we have Baldwin discoursing on, among other subjects, the possibility of an African-American president and what it might mean; the hypocrisy of American religious fundamentalism; the black church in America; the trials and tribulations of black nationalism; anti-Semitism; the blues and boxing; Russian literary masters; and the role of the writer in our society. Prophetic and bracing, *The Cross of Redemption* is a welcome and important addition to the works of a cosmopolitan and canonical American writer who still has much to teach us about race, democracy, and personal and national identity. As Michael Ondaatje has remarked, “If van Gogh was our nineteenth-century artist-saint, Baldwin [was] our twentieth-century one.” These widely acclaimed essays from the author of *Infinite Jest* -- on television, tennis, cruise ships, and more -- established David Foster Wallace as one of the preeminent essayists of his generation. In this exuberantly praised book -- a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner -- David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling *Infinite Jest*. "Chronology. Notes. Traces the search for freedom by a black man and wife who traveled to Boston and eventually to England after their escape from slavery in Georgia. NATIONAL BOOK AWARD FINALIST • A sweeping, genre-bending “masterpiece” (*Minneapolis Star Tribune*) exploring Black art, music, and culture in all their glory and complexity—from *Soul Train*, Aretha Franklin, and James Brown to *The Fresh Prince of Bel-Air*, Whitney Houston, and Beyoncé ONE OF THE TEN BEST BOOKS OF THE YEAR: *Chicago Tribune*, *The Philadelphia Inquirer*, *The Dallas Morning News*, *Publishers Weekly* “Gorgeous essays that reveal the resilience, heartbreak, and joy within Black performance.”—Brit Bennett, #1 *New York Times* bestselling author of *The Vanishing Half* “I was a devil in other countries, and I was a little devil in America, too.” Inspired by these few words, spoken by Josephine Baker at the 1963 March on Washington, MacArthur “Genius Grant” Fellow and bestselling author Hanif Abdurraqib has written a profound and lasting reflection on how Black performance is inextricably woven into the fabric of American culture. Each moment in every performance he examines—whether it's the twenty-seven seconds in “Gimme Shelter” in which Merry Clayton wails the words “rape, murder,” a schoolyard fistfight, a dance marathon, or the instant in a game of spades right after the cards are dealt—has layers of resonance in Black and white cultures, the politics of American empire, and Abdurraqib's own personal history of love, grief, and performance. Touching on Michael Jackson, Patti LaBelle, Billy Dee Williams, the Wu-Tan Clan, Dave Chappelle, and more, Abdurraqib writes prose brimming with jubilation and pain. With care and generosity, he explains the poignancy of performances big and small, each one feeling intensely familiar and vital, both timeless and desperately urgent. Filled with sharp insight, humor, and heart, *A Little Devil in America* exalts the Black performance that unfolds in specific moments in time and space—from midcentury Paris to the moon, and back down again to a cramped living room in Columbus, Ohio. WINNER OF THE ANDREW CARNEGIE MEDAL AND THE GORDON BURN PRIZE • FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD AND THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD ONE OF THE BEST BOOKS OF THE YEAR: *The New York Times Book Review*, *Time*, *The Boston Globe*, *NPR*, *Rolling Stone*, *Esquire*, *BuzzFeed*, *Thrillist*, *She Reads*, *BookRiot*, *BookPage*, *Electric Lit*, *The Rumpus*, *LitHub*, *Library Journal*, *Booklist* First published in 1963, James Baldwin's *A Fire Next Time* stabbed at the heart of America's so-called “Negro problem”; As remarkable for its masterful prose as it is for its uncompromising account of black experience in the United States, it is considered to this day one of the most articulate and influential expressions of 1960s race relations. The book consists of two essays, “My Dungeon Shook” and “Letter to my Nephew on the One Hundredth Anniversary of Emancipation,” and “Down At The Cross” and “Letter from a Region of My Mind.” It weaves thematic threads of love, faith, and family into a candid assault on the hypocrisy of the so-called “land of the free,” insisting on the inequality implicit to American society. “You were born where you were born and faced the future that you faced,” Baldwin writes to his nephew, “because you were black and for no other reason.” His profound sense of injustice is matched by a robust belief in “monumental dignity,” in patience, empathy, and the possibility of transforming America into “what America must become.” J.S. Kelley weaves epic fantasy and hardboiled noir in this fast-paced, twisting tale of magic, mystery, and a whole lot of unruly behavior. In a kingdom where magic fuels everything from street lamps to horseless carriages, the mage guilds of Penador wield power equal to the king himself. So when Lord Edmund's infant son is kidnapped by the ruthless Alath Guild, he turns to the one person who's feared by even the most magically adept: Rosalind

Featherstone, a.k.a. the Gutter Mage. But as Roz delves into the circumstances behind the child's disappearance, she uncovers an old enemy from her traumatic past and a long-brewing plot that could lead to the death of countless innocents, as well as the complete collapse of Penadorian society itself! An armchair travel guide to the literary capital of the world. Poet William Corbett takes an expansive prose look at the ghosts, the landmarks, and the current denizens who make New York so popular with the literary crowd. His entertaining romp provides plenty of street addresses for the determined tourist, and plenty of gossip for the armchair traveler. An essential compendium of James Baldwin's most powerful nonfiction work, calling on us "to end the racial nightmare, and achieve our country." Personal and prophetic, these essays uncover what it means to live in a racist American society with insights that feel as fresh today as they did over the 4 decades in which he composed them. Longtime Baldwin fans and especially those just discovering his genius will appreciate this essential collection of his great nonfiction writing, available for the first time in affordable paperback. Along with 46 additional pieces, it includes the full text of dozens of famous essays from such books as: • Notes of a Native Son • Nobody Knows My Name • The Fire Next Time • No Name in the Street • The Devil Finds Work This collection provides the perfect entrée into Baldwin's prescient commentary on race, sexuality, and identity in an unjust American society. In The Price of the Ticket, Fred Harris contends that Obama's success has, in reality, exacted a negative price. His victory has not only utterly transformed the forms of black politics that emerged in the 1960s and which laid the foundation for his eventual ascendance, Harris claims-it has profoundly weakened them. When a homeless shelter is in danger of being condemned for the city's use, Alvirah and Willy become involved in trying to prove a will, naming two young tenants as the owners, is fraudulent. The time is 1933, the place, Berlin, when William E. Dodd becomes America's first ambassador to Hitler's Germany. A mild-mannered professor from Chicago, Dodd brings along his wife, son, and flamboyant daughter, Martha. At first Martha is entranced by the parties and pomp, and the handsome young men of the Third Reich with their infectious enthusiasm for restoring Germany to a position of world prominence. Enamored of the 'New Germany,' she has one affair after another, including with the suprisingly honorable first chief of the Gestapo, Rudolf Diels. But as evidence of Jewish persecution mounts, confirmed by chilling first-person testimony, her father telegraphs his concerns to a largely indifferent State Department back home. Dodd watches with alarm as Jews are attacked, the press is censored, and drafts of frightening new laws begin to circulate. As that first year unfolds and the shadows deepen, the Dodds experience days full of excitement, intrigue, romance - and ultimately, horror, when a climactic spasm of violence and murder reveals Hitler's true character and ruthless ambition.
