Sacred Hunger May 02 2023 Winner of the Booker Prize A historical novel set in the eighteenth century, Sacred Hunger is a stunning, engrossing exploration of power, domination, and greed in the British Empire as it entered fully into the slave trade and spread it throughout its colonies. Barry Unsworth follows the failing fortunes of William Kemp, a merchant pinning his last chance to a slave ship; his son who needs a fortune because he is in love with an upper-class woman; and his nephew who sails on the ship as its doctor because he has lost all he has loved. The voyage meets its demise when disease spreads among the slaves and the captain's drastic response provokes a mutiny. Joining together, the sailors and the slaves set up a secret, utopian society in the wilderness of Florida, only to await the vengeance of the single-minded, young Kemp.

Eating Asphalt Oct 07 2023 One look at Cadence Mitchell left Glass Jaw eating asphalt. She's beautiful, and everything he could possibly like, all in one neat package. There's just one problem... Glass wasn't in the business of mixing business with pleasure and meeting Cadence was all business. He was finishing a job on the house she was set to buy. Still, you couldn't accuse the tough-as-nails VP of the Western Washington chapter of the Sacred Hearts MC of not having a soft spot. Especially when it came to this particular damsel in distress... Cadence has lost everything and has barely pulled herself together enough from the devastation to take care of herself and her seventeen-year-old son. Add moving across the country to the list of demands on her psyche, she's just about at her breaking point. She doesn't know what to make of the contractor working on her new home. With her track record for betrayal and heartache, she's uncertain if she'll be able to trust anyone ever again. These two coming together is going to be a lesson in trust, patience, and healing; like neither have had to learn before.

Devotion to the Sacred Heart of Jesus May 22 2022 The devotion to the Sacred Heart is perhaps the most widely practised of Catholic devotions, where the heart of Jesus is seen as a symbol of "God's endless and fervent love for all". Evidence such devotion dates to the eleventh and twelfth centuries in a number of Benedictine or Cistercian monasteries. It was also widely advocated by the well-known saints Bonaventure (d. 1274) and Gertrude (d. 1302). In this classic 18th century text by Jean Croiset, the author states his purpose for writing the book in the introduction: "It is hoped that the reflections here made, will help to convince many, of the reasons for practising these holy exercises, and teach them at the same time how to practise them with fruit." This text is a reproduction of "Devotion to the Sacred Heart of Jesus," London: Burns and Lambert 1863,

by Jean Croiset (1656-1738) with numerous 17th - 19th-century Catholic illustrations of the sacred heart of Jesus.

Damaged & Dangerous Jan 10 2024 She's Damaged... Dani Broussard never imagined that her life would turn out like this. She always thought that her grandfather would be there for her into adulthood and that her high school sweetheart, Jared, would be the man she would marry. That isn't what happened though. Instead, her grandfather got sick and passed away before Dani saw the age of nineteen. It was just her and Jared until he hooked up with a local MC, The Suicide Kings... Then it was just her. Pig-Pen claimed her body, rules her life, but he would never hold her heart. Kept because of her looks and a particular set of skills unique only to her, Dani has been with The Suicide Kings for the last three years... three long damaging years. She hates it, all of it, the pain the humiliation, the fear... and as strong as Dani is, as clever as she can be, she is quickly finding that death may be the kinder, gentler option rather than live through any more of this hell. He's Dangerous... Red-XIII is, and always will be, a Sacred Hearts man. But for now, he's a Suicide Kings prospect. Tasked with providing intelligence on the King's inner workings to his real club, Thirteen has been slowly, quietly and carefully dismantling the King's operation from the inside out. The situation is dangerous, good thing Thirteen is a dangerous guy but even he can't be everywhere at once and a couple of missteps have cost the Sacred Hearts dearly. Doubly determined to finish this with no more wreckage or damage to the SHMC, Thirteen is blindsided by his heart when he lays eyes on Dani. A pretty, little thing with long black hair and striking blue eyes. She slays him with one look from her damaged soul and now Thirteen has tasked himself with two missions... Take down The Suicide Kings and get both Dani and himself out alive. For now those missions run parallel to each other but what happens if they ever end up at odds? The bigger question is, how can he get close to the VP's Ol' Lady as a Prospect and not get them both burned?

Mein Kampf Oct 15 2021 Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

Charles: The Heart of a King Jul 12 2021 The Sunday Times Top Ten Bestseller 'Breathtaking' The Times '[The book that] made headlines around the world.' Independent The former Prince of Wales has lived his whole life in the public eye, yet he remains an enigma. He was born to be king, but he aims much higher. A landmark publication, *Charles: The Heart of a King* reveals Prince Charles in all his complexity: the passionate views that mean he will never be as remote and impartial as his mother; the compulsion to make a difference and the many and startling ways in which the Prince and now King of the United Kingdom and fifteen other realms has already made his mark. The book offers fresh and fascinating insights into the first marriage that did so much to define him and an assessment of his relationship with the woman he calls, with unintended accuracy, his 'dearest wife': Camilla, now Queen Consort. We see Charles as a father and a friend, a serious figure and a joker. Life at court turns out to be full of hidden dangers and unexpected comedy. Now, updated and revised with a new preface and two new chapters - covering details of Harry and Meghan's exit and its implications, the cash-for-honours scandal, Prince Andrew, and more - this significant study reveals a monarchy threatened and a man in sight of happiness yet still driven by anguish and a remarkable belief system, a charitable entrepreneur, activist, agitator and avatar of the Establishment who just as often tilts against it. Based on multiple interviews with his friends and courtiers, palace insiders and critics, and rare access to Charles himself, before his kingship, this biography explores the Prince's philanthropy and his compulsive interventionism, his faith, his significant impact on politics and the philosophy that means when he seeks harmony he sometimes creates controversy. Gripping, at times astonishing, often laugh-out-loud, this is a royal biography unlike any other. 'A must-read ... this important book is nothing short of a manual to our future King's world-view' GQ 'A sustained piece of

higher journalism' Independent

The Road Oct 27 2022 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.
