*Day No Pigs Would Die Study Guide CD-ROM* May 31 2021 Wandering about on the ridge above his family's farm, Robert Peck comes across a neighbor's cow having difficulty giving birth. Acting quickly, Rob is able to help, and two bull calves are born. He is rewarded by their neighbor and owner of the cow, Mr. Tanner, with a piglet of his own to raise. Rob names the pig Pinky. Putting all his energy into caring for her, he dreams of the day she will become a brood sow and provide his family with a litter of pigs. Rob is the only surviving son in his family, and his four older sisters have all married and left home. Rob's father, Haven Peck, is a quiet, gentle man who butchers pigs, a job he does not enjoy but performs so he can provide for his family. Mr. Peck cannot read or write, but stresses the importance of education to his son. Although the family is not rich, Mr. Peck says they are rich in the things that truly matter: they have each other, they have land to work, and they have God's creation to enjoy. In the fall of the year, Rob's father becomes concerned when Pinky shows no signs of going into heat. After some unsuccessful attempts to breed her, Rob faces the prospect that his brood sow may be barren. Pinky's fate becomes more obvious when winter sets in. Food becomes scarce, and Rob knows what has to be done to provide for the family. "That's what being a man is all about, boy," his father tells him. "It's just doing what's got to be done." *A Day No Pigs Would Die* is the story of a tender relationship between a father and son - a boy in the process of becoming a man. Interactive CD-rom.

**The Three Ninja Pigs** Aug 27 2023 Practice makes perfect in this kick-butt fractured fairy tale. Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons—he'll make mincemeat out of that wolf! His brother learns a little jujitsu—he'll chop that guy to pieces! But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their sister has been training every day to master some serious karate moves that save the day. KIYA! Corey Rosen Schwartz serves up a fun combination of smart-aleck dialogue and tongue-in-cheek rhymes that'll have kids howling, and rising star Dan Santat's spunky illustrations are sure to pack a punch!

**The Good Good Pig** Oct 29 2023 "In loving yet unsentimental prose, Sy Montgomery captures the richness that animals bring to the human experience. Sometimes it takes a too-smart-for-his-own-good pig to open our eyes to what most matters in life." —John Grogan, author of *Marley & Me: Life and Love with the World's Worst Dog* A naturalist who spent months at a time living on her own among wild creatures in remote jungles, Sy Montgomery had always felt more comfortable with animals than with people. So she gladly opened her heart to a sick piglet who had been crowded away from nourishing meals by his stronger siblings. Yet Sy had no inkling that this piglet, later named Christopher Hogwood, would not only survive but flourish—and she soon found herself engaged with her small-town community in ways she had never dreamed possible. Unexpectedly, Christopher provided this peripatetic traveler with something she had sought all her life: an anchor (eventually weighing 750 pounds) to family and home. The Good Good Pig celebrates Christopher Hogwood in all his glory, from his inauspicious infancy to hog heaven in rural New Hampshire, where his boundless zest for life and his large, loving heart made him absolute monarch over a (mostly) peaceable kingdom. At first, his domain included only Sy's cosseted hens and her beautiful border collie, Tess. Then the neighbors began fetching Christopher home from his unauthorized jaunts, the little girls next door started giving him warm, soapy baths, and the villagers brought him delicious leftovers. His intelligence and fame increased along with his girth. He was featured in *USA Today* and on several National Public Radio environmental programs. On election day, some voters even wrote in Christopher's name on their ballots. But as this enchanting book describes, Christopher Hogwood's influence extended far beyond celebrity; for he was, as a friend said, a great big Buddha master. Sy reveals what she and others learned from this generous soul who just so happened to be a pig—lessons about self-acceptance, the meaning of family, the value of community, and the pleasures of the sweet green Earth. The Good Good Pig provides proof that with love, almost anything is possible.

**Swine Not?** Jul 26 2023 Bestselling writer Jimmy Buffett weaves an irresistible tale filled with colorful characters, wry humor, and the pursuit of a very clever pig. When Southern belle Ellie McBride moves her twins from Vertigo, to New York City, they wouldn't dream of leaving behind the family pig Rumpy. But the posh hotel where Ellie has found work (and living space) has "No Pets" writ large on its portal. So hiding Rumpy from the hotel staff -- especially the ultra-carnivorous hotel chef, who would like nothing better than to transform their pet into pork roast -- becomes imperative.

*Animal Farm* Apr 30 2021 2021 Facsimile of the 1945 Edition. This is now considered a classic Satire on dictatorship and one of Orwell's most enduring short novels. Fueled by Orwell's intense disillusionment with Soviet Communism, *Animal Farm* is a nearly perfect piece of writing, both an engaging story and an

allegory that actually works. When the downtrodden beasts of Manor Farm oust their drunken human master and take over management of the land, all are awash in collectivist zeal. The future, however, is far from certain as the drama plays out in actual events. A cautionary tale. Reviews "Animal Farm remains our great satire on the darker face of modern history."-Malcolm Bradbury "As lucid as glass and quite as sharp...[Animal Farm] has the double meaning, the sharp edge, and the lucidity of Swift."-Atlantic Monthly "A wise, compassionate, and illuminating fable for our times."-The New York Times "Orwell has worked out his theme with a simplicity, a wit, and a dryness that are close to La Fontaine and Gay, and has written in a prose so plain and spare, so admirably proportioned to his purpose, that Animal Farm even seems very creditable if we compare it with Voltaire and Swift."-Edmund Wilson, The New Yorker "Orwell's satire here is amply broad, cleverly conceived, and delightfully written."-San Francisco Chronicle "The book for everyone and Everyman, its brightness undimmed."-Ruth Rendell
