This book explores the written and unwritten requirements Black journalists face in their efforts to get and keep jobs in television news. Informed by interviews with journalists themselves, Lewis examines how raced Black journalists and their journalism organizations process their circumstances and choose to respond to the corporate and institutional constraints they face. She uncovers the social construction and attempted control of "Blackness" in news production and its subversion by Black journalists negotiating issues of objectivity, authority, voice, and appearance along sites of multiple differences of race, gender, and sexuality.

When Mitchell Brannon's beloved wife sets off for home after a conference, he has no idea that his life is about to change forever. Mitch returns from work early that evening, surprised that Jill's car isn't in the garage. But her voice on the answering machine makes him smile. "Hey, babe, I'm just now checking out of the hotel, but I'll stop and pick up something for dinner. Love you." Hours later, Jill still hasn't returned, and Mitch's irritation turns to dread. When the police come up empty, Mitch enlists the help of their next-door neighbor, Jill's best friend, Shelley, to help search. Im Miranda, and Im living a life Ive prepared myself. But that life never came. My parents worried about me. So did my teachers. Though the safe path was always right in front of me, I kept veering off it into something which did not seem unknown or perilous until it was too late to prevent the damage. My aunts and uncles referred to me as a free spirit and exchanged glances, which suggested in an adult way that they were a little worried about how I was going to turn out. Despite my mothers many attempts at reeducation, I never quite got over that impulse toward wandering and adventure that got me into so much trouble until the events which form the basis of this story, anyway. Gittin' Through sets this turning point in American history in a small southern town where traditions, class and race defined its citizens and the roles they played. It shows how the three generations coped with the conflict while they made a living, reared their families, took care of the elderly, fell in love, lost loved ones, struggled to hold a marriage together, and choose right and wrong ways to profit from the war. Like all generations, they carried the burdens of the past into their own times in order to prepare for the future. From *Aspen Matis*, author of the acclaimed true story *Girl in the Woods*, comes a bold and atmospheric memoir of a woman who--in searching for her vanished husband--discovers deeper purpose. Aspen's and Justin's paths serendipitously aligned on the Pacific Crest Trail when both were walking from Mexico to Canada, separately and alone--both using thru-hiking in hopes of escaping their pasts. Both sought to redefine themselves beneath the stars. By the time they made it to the snowy Cascade Range of British Columbia--the trail's end--Aspen and Justin were in love. Embarking on a new pilgrimage the next summer, they returned to those same mossy mountains where they'd met, and they married. They built a world together, three years of a happy marriage. Until a cold November morning, when, after kissing Aspen goodbye, Justin left to attend the funeral of a close friend. He never came back. As days became weeks, her husband's inexplicable absence left Aspen unmoored. Shock, grief, fear, and anger battled for control--but nothing prepared her for the disarming truth. A revelation that would lead Aspen to reassess not only her own life but that of the disappeared as well. The result is a brave and inspiring memoir of secrets kept and unearthed, of a vanishing that became a gift: a woman's empowering reclamation of unmitigated purpose in the surreal wake of mystifying loss. John Knox (1514-1572) was more a reformer of the Scottish Kirk than he was a systematic theologian, as his collected works will attest. Knox had a profound influence upon theological and ecclesiastical developments in Scotland both purely by the force of his personality and by the role he played in shaping the Scots Confession and the Book of Common Order. Knox was an ordained priest and served as a tutor prior to his conversion to Protestantism. Volumes One and Two: Knox's famous 'History of the Reformation in Scotland'. Apologetics as much as history, 'History of the Reformation in Scotland' was immediately seized and suppressed when it initially appeared, yet it has remained available in various editions for over 400 years. Volume Three: 'Earliest Writings', 1548-1554 Volume Four: 'Writings from Frankfurt and Geneva'. These writings in exile include Knox's famous 'First Blast of the Trumpet against the Monstrous Regiment of Women', his violent diatribe against Mary of Guise. Volume Five: 'On Predestination' and other writings. 'On Predestination, in Answer to the Cavillations by an Anabaptist' is Knox's longest theological work and presents a position of rigid predestinationism. Volume Six: Letters, Prayer, and other shorter writings with a sketch of his life.
