Case for Christ Student Ed Padded Jan 21 2023 Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in *The Case for Christ*?

The Duchess of Malfi (International Student Edition) (Norton Critical Editions) Apr 23 2023 The great English Renaissance tragedy—violent, powerful, unforgettable—in a freshly edited and annotated student edition. This Norton Critical Edition of John Webster's 1612–13 tragedy offers a newly edited and annotated text together with a full introduction and illustrative materials intended for student readers. The Duchess of Malfi's themes of love, loyalty, and betrayal have resonated through the centuries, making this a perennially popular play with audiences and readers alike. This volume includes a generous selection of supporting materials, among them Webster's likely sources for the play (William Painter, George Whetstone, Simon Goulart, and Thomas Beard) as well as related works by Webster and George Wither on widows, funerals, and memorializing death. A generous selection from Mark H. Curtis's classic essay, "The Alienated Intellectuals of Early Stuart England," tells readers as much about the character of Bosola as it does about his creator. Henry Fitzgeffrey (1617) and Horatio Busino (1618) provide early responses to the play. "Criticism" is thematically organized to provide readers with a clear sense of The Duchess of Malfi's central themes of dramaturgy; the politics of family, court, and religion; and gender. Also included are essays on contemporary re-imaginings of the play and its critical reception over time. Contributors include Don D. Moore, Inga-Stina Ewbank, Christina Luckyj, Barbara Correll, D. C. Gunby, Lee Bliss, Rowland Wymer, Brian Chalk, Theodora Jankowski, and Pascale Aebischer. A selected bibliography is also included.

Computer Age Statistical Inference, Student Edition Jan 09 2022 The twenty-first century has seen a breathtaking expansion of statistical methodology, both in scope and influence. 'Data science' and 'machine learning' have become familiar terms in the news, as statistical methods are brought to bear upon the enormous data sets of modern science and commerce. How did we get here? And where are we going? How does it all fit together? Now in paperback and fortified with exercises, this book delivers a concentrated course in modern statistical thinking. Beginning with classical inferential theories - Bayesian, frequentist, Fisherian - individual chapters take up a series of influential topics: survival analysis, logistic regression, empirical Bayes, the jackknife and bootstrap, random forests, neural networks, Markov Chain Monte Carlo, inference after model selection, and dozens more. The distinctly modern approach integrates methodology and algorithms with statistical inference. Each chapter ends with class-tested exercises, and the book concludes with speculation on the future direction of statistics and data science.

Wuthering Heights (Fourth International Student Edition) (Norton Critical Editions) Jan 01 2024 The text of the novel is based on the first edition of 1847. Sale collation and the Clarendon), and found a great number of variants, including accidentals. This discovery led to changes in the body of the Norton Critical Edition text that are explained in the preface. New to "Backgrounds and Contexts" are additional letters, a compositional chronology, related prose, and reviews of the 1847 text. "Criticism" collects five important assessments of Wuthering Heights, three of them new to the Fourth Edition, including Lin Haire-Sargeant's essay on film adaptations of the novel.

All In May 13 2022 The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift which is compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go "all in," putting all that we have into God's hands. And that's where we get stuck--in spiritual no man's land. We're afraid that if we go all in that we might miss out on what this life has to offer. It's not true. The only thing you'll miss out on is everything God has to offer. And the good news is this: if you don't hold out on God, God won't hold out on you. Readers will find Batterson's writing filled with his customary vivid, contemporary illustrations as well as biblical characters like Shamgar and Elisha and Jonathan and . . . Judas. No one has ever sacrificed anything for God. If you always get back more than you gave up, have you sacrificed anything at all? The eternal reward always outweighs the temporal sacrifice. At the end of the day, our greatest regret will be whatever we didn't give back to God. What we didn't push back across the table to Him. Eternity will reveal that holding out is losing out. The message of All In is simple: if Jesus is not Lord of all then Jesus is not Lord at all. It's all or nothing. It's now or never. Kneeling at the foot of cross of Christ and surrendering to His Lordship is a radical act of dethroning yourself and enthroning Christ as King. It's also an act of disowning yourself. Nothing belongs to you. Not even you. Batterson writes, "For many years, I thought I was following Jesus. I wasn't. I had invited Jesus to follow me. I call it inverted Christianity. And it's a subtle form of selfishness that masquerades as spirituality. That's when I sold out and bought in. When did we start believing that the gospel is an insurance plan? It's a daring plan. Jesus did not die just to keep us safe. He died to make us dangerous."

Swann's Way (International Student Edition) (Norton Critical Editions) Jul 27 2023 In its centennial year, Marcel Proust's masterpiece of literary imagination is available in a Norton Critical Edition. Marcel Proust's seven-volume masterpiece, *In Search of Lost Time (A la recherche du temps perdu)*, has inspired many superlatives, among them "the greatest novel ever written" and "the greatest novel of the first half of the twentieth century." *Swann's Way*, the first volume of the *Recherche* and the most widely read and taught of all the volumes, is the ideal introduction to Proust's inventive genius. This Norton Critical Edition is based on C. K. Scott Moncrieff's translation, which introduced the English-speaking world to Proust and was published during the author's lifetime. It is accompanied by Susanna Lee's introduction, note on the text, and explanatory annotations. Marcel Proust was forty-two years old when *Swann's Way* was published, but its foundational ideas and general shape had been evolving for decades. "Contexts" includes a 1912 reader's report of the manuscript that exemplifies publishers' complicated reactions to Proust's new form of writing. Also included are three important post-publication reviews of the novel, by Elie-Joseph Bois, Lucien Daudet, and Paul Souday, as well as André Arnyvelde's 1913 interview with Proust. The fourteen critical essays and interpretations of *Swann's Way* in this volume speak to the novel's many facets—from the musical to the artistic to its representations of Judaism and homosexuality. Contributors include Gérard Genette, whose "Metonymy in Proust" appears here in English translation for the first time, along with Gilles Deleuze, Roger Shattuck, Claudia Brodsky, Julia Kristeva, Margaret E. Gray, and Alain de Botton, among others. The edition also includes a Chronology of Proust's Life and Work, a Selected Chronology of French Literature from 1870 to 1929, and a Selected Bibliography.
