workbooks designed to facilitate transformational learning for establishing a foundation that will stand the test of time and help us to meet the challenges of learning how to be lovers in a dangerous time musician Bruce Cockburn Jesus stated that God is spirit and his worshippers Disciples and Mentors must worship in Spirit Spirit Empowered and in truth Bible Centered John 4 24 NIV From this passage I developed The Leadership Development Series that includes this workbook plus The Bible Centered Leader Workbook The Spirit Empowered Leader Workbook and The Discipleship and Leadership Workbook that is a best of or introductory overview of the content in the other three workbooks in this series for younger emerging leaders The Discipleship and Mentoring Workbook is designed as a stand alone and or companion to other workbooks in this series Each of these workbooks is formatted using the IDEA approach to transformational learning The goal of the IDEA approach is to facilitate the gracious work of God through his word and spirit to transform us into his likeness with ever increasing glory II Corinthians 3 18 NIV Each chapter will begin with an Introduction I followed by Discovery D Explanation E and Application A sections Each chapter can be worked through as a unit or in sequence as a whole with a variety of process options including individual small groups and various course applications Take your time and prayerfully and carefully read study discuss apply and evaluate your progress Remember that becoming a disciple and mentor is not an objective as much as it is a process or lifestyle We do not obtain these as much as we become them Over the years we will be transformed by God discipleship in order help others spiritual mentoring in their transformation process [The Complete Book of Discipleship](#) Bill Hull,2014-02-27 Well organized and readily accessible The Complete Book of Discipleship pulls together into one convenient comprehensive volume relevant topics to discipleship such as Spiritual growth Transformation Spiritual disciplines Discipleship in the local church and beyond Indexed for easy reference **The Wesley Challenge Youth Study Book** Chris Folmsbee,2017-06-20 Renew your passion and discover deeper commitment to God in just 21 days **The Wesley Challenge Participant Book** Chris Folmsbee,2017-06-20 How can we introduce younger lay people to the practical and accessible Wesley In The Wesley Challenge Participant Book small groups or whole churches will spend three weeks working through 21 questions that will engage their physical spiritual and emotional lives and their relationship with God and others With fast paced emphasis on graphics and short content bits the challenge will inspire us to a new kind of commitment one that is more authentic vulnerable and soul shaping resulting in thousands of people who have a renewed passion to discover deeper levels of commitment to God and others Additional components for a three week study include a comprehensive leader guide and a DVD featuring author Chris Folmsbee and a youth study guide [Multiply](#) Francis Chan,Mark Beuving,2012-11-01 Jesus gave his followers a command Follow me And a promise And I will equip you to find others to follow me We were made to make disciples Designed for use in discipleship relationships and other focused settings Multiply will equip you to carry out Jesus s ministry Each of the twenty four sessions in the book corresponds with an online video at www.multiplymovement.com where New York Times bestselling author David Platt joins Francis in guiding you

through each part of Multiply One plus one plus one Every copy of Multiply is designed to do what Jesus did make disciples who make disciples who make disciples Until the world knows the truth of Jesus Christ *The Discipleship Gospel* Bill Hull, Ben Sobels, 2018 **Discipleship Essentials** Greg Ogden, 2019-01-15 We grow in Christ as we seek him together Jesus own pattern of disciple making was to be intimately involved with others This expanded 25 session workbook by Greg Ogden perfect for small groups or individuals helps us influence others as Jesus did by investing in a few Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith **Choose the Life** Bill Hull, 2004-05 Jesus wants mature disciples This book shows how to squeeze joy out of sorrow truth from pain and make permanent advances for the Savior **The Great Omission** Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church's Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24/7 life with Jesus **The Multiplication Challenge** Steve Murrell, William Murrell, 2016-12-02 Where do I find more leaders Every leader of a growing organization asks this question And though we know we need more leaders few of us know how to create a culture of leadership development This book recounts how Steve Murrell and Every Nation rediscovered four leadership multipliers that solved the leadership shortage of a growing church and global mission organization The principles and stories in these pages will help you identify leaders develop current leaders and multiply future leaders **Being Challenge** Zach Zehnder, 2020-09-08 Being Challenge is a 40 day study designed to help you grow in your relationship with God Many people want to be greater followers of Jesus and they want some handles on the process It doesn't start with rules it starts with a relationship The best way to grow in our relationship with God is to learn from Jesus the one who had a perfect relationship with Him Jesus love

and life demonstrate habits that point us to God and transform our lives Are you ready *Forgiving Challenge* Zach Zehnder,2021-09-14 Be forgiven Be free Forgiving Challenge is a 40 day journey that will lead you to more freedom than you ever thought possible Even though the offer of freedom is available to all many still live in bondage The key to unlocking your freedom is the forgiveness that Jesus has already won for you His forgiveness not only assures you of eternal life with Him but offers you an opportunity to live with purpose today Bring all of your sin your guilt and your shame to Jesus and experience this gift of grace in your life A forgiven person is a forgiving person So come Be free Essential Guide to Becoming a Disciple Greg Ogden,2016-10-05 What am I committing to when I say I want to follow Jesus Following the format of his bestselling book Discipleship Essentials Greg Ogden has created this accessible introduction to Christian life for new believers Whether you are mentoring one on one or in a small group this essential guide will serve as an ideal on ramp into the discipleship journey **Forming Intentional Disciples** Sherry A. Weddell,2015-11-30 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples These are times of immense challenge and immense opportunity for the Catholic Church Consider these statistics for the United States Only 30 percent of Americans who were raised Catholic are still practicing Fully 10 percent of all adults in America are ex Catholics The number of marriages celebrated in the Church decreased dramatically by nearly 60 percent between 1972 and 2010 Only 60 percent of Catholics believe in a personal God If the Church is to reverse these trends the evangelizers must first be evangelized in other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him This work of discipleship lies at the heart of Forming Intentional Disciples a book designed to help Church leaders parish staff and all Catholics transform parish life from within Drawing upon her fifteen years of experience with the Catherine of Siena Institute Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world Learn about the five thresholds of postmodern conversion how to open a conversation about faith and belief how to ask thought provoking questions and establish an atmosphere of trust when to tell the Great Story of Jesus how to help someone respond to God s call to intentional discipleship and much more And be prepared for conversion because when life at the parish level changes the life of the whole Church will change
