**Alone with the Horrors** Ramsey Campbell, 2005-09-01 Ramsey Campbell is perhaps the world's most decorated author of horror fiction. He has won four World Fantasy Awards, ten British Fantasy Awards, three Bram Stoker Awards, and the Horror Writers Association's Lifetime Achievement Award. Three decades into his career, Campbell paused to review his body of short fiction and selected the stories that were to his mind the very best of his works. *Alone With the Horrors* collects nearly forty tales from the first thirty years of Campbell's writing. Included here are *In the Bag*, which won the British Fantasy Award and two World Fantasy Award-winning stories *The Chimney* and the classic *Mackintosh*. Willy Campbell crowns the book with a lengthy preface which traces his early publication history, discusses his youthful correspondence with August Derleth, illuminates the influence of H.P. Lovecraft on his early work, and gives an account of the creation of each story and the author's personal assessment of the work's flaws and virtues. In its first publication, a decade ago, *Alone With the Horrors* won both the Bram Stoker Award and the World Fantasy Award. For this new edition, Campbell has added one of his very first published stories, a Lovecraftian classic *The Tower from Yuggoth*. From this early Cthulhian tale to later works that showcase Campbell's growing mastery of mood and character, *Alone With the Horrors* provides readers with a close look at a powerful writer's development of his craft. Publishers Weekly hails him as a master of the horror genre, adding, "He does more than jar the nerves and chill the spine; he assails one's very grip on reality." *Ghosts and Grisly Things* is a chilling collection of the best of Campbell's recent short fiction, most of it never before available in any form. **Midnight Sun** Ramsey Campbell, 1990 Found naked and snowblind in the icy wastes of the far north where shamans were said to practise ancient rituals, Edward Sterling died soon afterwards. Three generations later, Ben Sterling unwittingly invokes an awesome power. The author's other horror novels include *Obsession*.

*Incarnate* Ramsey Campbell, 1990-01 An experiment in prophetic dreaming begins to go wrong and is immediately aborted. Many years later, hallucinations invade the lives of the original participants, and one by one they succumb to a diabolical force that threatens more than their lives. The author has won many horror fiction awards.
