Bible Prophecies Fulfilled - 2012 Alan Peters,2012-06-21 Discover which of the Bible Prophecies for The End Times in the Book of Revelation have already been fulfilled by 2012 including 9 11 which is described in amazing detail The identity of the Beast 666 is clearly demonstrated to have been created during the Gulf War in 1990 91 and Osama Bin Laden is named and his involvement in the events of 9 11 positively identified From the prophecies positively and indisputably indentified as having been fulfilled it can be seen that they could only have been identified after they had happened So what is the purpose of a series of revelations which cannot be identified until after the event The author s conclusion is that when sufficient prophecies are seen to have been fulfilled then people s attention might focus on the The Final Prophecy which is without a doubt the most amazing prophecy in The Bible Even a cursory examination of The Final Prophecy will show that it does not accord with the teachings of the modern day Christian Church but on further investigation and with the application of modern scientific knowledge it becomes completely reasonable if somewhat disturbing Amazingly when the teachings of Jesus are re examined in the light of this revelation they take on a new meaning and appear to confirm the Author s interpretation of The Final Prophecy
