Social Research Methods

This comprehensive and engaging introduction to the essential components of critical analysis uses a multidisciplinary approach to examine how psychological and social factors can impede clear thinking and lead to faulty reasoning.

Emphasizing the importance of critical thinking to personal development and success, *The Power of Critical Thinking* provides students with the skills they need to engage meaningfully with the world around them - both inside and outside of the classroom. Conceptual and applied, with emphasis on analyzing and interpreting Canadian data to make informed business decisions. The book draws students in using a conversational writing style and delivers content with a fresh, exciting approach that reflects the authors' blend of teaching, consulting, and entrepreneurial experiences. KEY TOPICS:

Introduction to Statistics; Data; Surveys and Sampling; Displaying and Describing Categorical Data; Displaying and Describing Quantitative Data; Scatterplots, Association, and Correlation; Introduction to Linear Regression; Randomness and Probability; Random Variables and Probability Distributions; Sampling Distributions; Confidence Intervals for Proportions; Testing Hypotheses about Proportions; Confidence Intervals and Hypothesis Tests for Means; Comparing Two Means; Design of Experiments and Analysis of Variance (ANOVA); Inference for Counts: Chi-Square Tests; Nonparametric Methods; Inference for Regression; Understanding Regression Residuals; Multiple Regression; Building Multiple Regression Models; Time Series Analysis; Decision Making and Risk; Quality Control MARKET: Appropriate for the Intro to Business Statistics-One or Two Term course. Note: If you are purchasing an electronic version, MyBCommLab does not come automatically packaged with it. To purchase MyBCommLab, please visit [www. MyBCommLab.com](http://www.MyBCommLab.com) or you can purchase a package of the physical text and MyBCommLab searching for ISBN 10: 0133508706 / ISBN 13: 9780133508703. Business Communication Essentials introduces you to the fundamental principles of business communication and gives you the opportunity to develop your communication skills. You'll discover how business communication differs from personal and social communication, and you'll see how today's companies are using blogs, social networks, podcasts, virtual worlds,

wikis, and other technologies. Business Communication Essentials offers you the opportunity to practise communication skills that will help you get jobs and be promoted in today's workplace. The new fifth Canadian edition is student-friendly and features the most extensive end-of-chapter activities available, including questions, exercises, assignments, and cases. Organizations must adapt to changing and often challenging environments. This thoroughly updated fourth Canadian edition helps students understand and design organizations for today's complex environment. The concepts and models offered in this text are integrated with changing events in the real world, presenting the most recent thinking and providing an up-to-date view of organizations. Detailed Canadian examples and cases capture the richness of the Canadian experience, while international examples accurately represent Canada's role in the world. This fourth edition of one of RMB's bestselling hiking guides has once again been updated with new information, contemporary photos and trail details, and a revised selection of alternative routes. Trekking the Continental Divide from the U.S. border to Kakwa Lake is a demanding adventure. In this fourth edition of the bestselling guidebook devoted to Canada's 1200-kilometre Great Divide Trail (GDT), Dustin Lynx helps hikers piece together the myriad individual routes that form a continuous trail along the Divide. Outlining the seven major

sections of the GDT, Lynx breaks the trail into shorter, more attainable segments and thoroughly describes the terrain and condition of each. Not only are these trail segments invaluable for planning shorter trips along the GDT, Lynx's pre-trip planning advice will also prove indispensable for long-distance hikers overcoming such daunting logistical challenges as resupply, navigation, and access. Complete with new colour photos, detailed maps, and updated information, Hiking Canada's Great Divide - 4th Edition will continue to serve domestic and international hikers alike in navigating this remarkable mountain wilderness trail.

Research Made Relevant: Children and Their Development, 6e demonstrates how research translates into practice. Written by a well-known and respected researcher in the field of child development, this topically organized text uses unique and effective pedagogy as its main framework. The book focuses on practice through its accessible writing, modular format, and application-based features, such as: Focus on Research, Cultural Influences, Spotlight on Theories, Improving Children's Lives, and Child and Development and Family Policy. Topic coverage includes the prenatal period through adolescence, which best suits Child Development courses in Psychology, Education, Human Development, Child and Family Studies, and Early Childhood Education.

To purchase MyDevelopmentLab, please visit: www.mydevelopmentlab.com or you can purchase a valuepack of the text + MyDevelopmentLab (at no additional cost). VP: 0205185614 / 9780205185610

Mosby's Canadian Textbook for the Support Worker prepares students to function in the role of support worker in community and institutional settings. The #1 text used by Support Worker programs across Canada and at Canadian-affiliated schools worldwide, the book covers the broad

foundation of skills that support workers/resident care aides/health care aides need in order to perform their role safely and effectively. Comprehensive, yet easy to read, Mosby's Canadian Textbook for the Support Worker makes learning easy with clear explanations of concepts and step-by-step presentations of procedures. Numerous full-colour illustrations, photographs, charts, and tables are combined with real-life case studies and examples to provide the reader with an outstanding learning experience. Covers key procedures for Canadian support workers – 95 in total Recognizes provincial/territorial differences in scope of practice Clear, detailed instructions in step-by-step procedures Evidence-based practice: chapter references supplied at end of book Reflects current Canadian practice and terminology Additional First Nations content Chapter summaries to aid student comprehension Rationales for all procedure steps Test Bank features higher-level taxonomies to allow testing that focuses on cognitive level Instructor's Test Bank features higher-level taxonomies to allow testing that focuses on cognitive level And more! Building on its successful predecessor, Fundamentals of Canadian Nursing, 4th Canadian edition, provides students with an essential understanding of contemporary professional nursing practice in Canada. The 4th edition takes a broader, less prescriptive approach to nursing diagnoses and encourages students and nurses to use their

knowledge, experience, and critical thinking skills to generate diagnoses or analyses. KEY TOPICS: Historical and Contemporary Nursing Practice; Nursing Education in Canada; Nursing Research in Canada; Nursing Philosophies, Theories, Concepts, Frameworks, and Models; Values, Ethics, and Advocacy; Accountability and Legal Aspects of Nursing; Health, Wellness, and Illness; Health Promotion; The Canadian Health Care System; Environmental and Global Health Nursing; Cultural Care; Individual Care and Self-Concept; Nursing Care of Families; Community-Based Nursing; Rural and Remote Health Care; Complementary and Alternative Health Modalities; Concepts of Growth and Development; Development from Conception through Adolescence; You and Middle Adulthood; Older Adults; Clinical Reasoning and Critical Thinking; Caring and Communicating; The Nursing Process; Documenting and Reporting; Nursing Informatics and Technology; Teaching and Learning; Leading, Managing, and Delegating; Health Assessment; Vital Signs; Pain Assessment and Managements; Hygiene; Safety; Medications; Infection Prevention and Control; Skin Integrity and Wound Care; Caring for Perioperative Clients; Sensory Perception; Sleep; Activity and Exercise; Nutrition; Fecal Elimination; Urinary Elimination; Oxygenation and Circulation; Fluid, Electrolyte, and Acid-Base Balance; Sexuality; Spirituality; Stress and Coping; Loss, Grieving, and Death MARKET: Appropriate for the

Introduction to Nursing courses. As with previous Canadian editions, Ritzman continues to focus on meeting the need in many educational settings for a shorter book that has strong coverage of critical concepts and retains a rich set of pedagogical features. Fundamentals of Operations Management places an emphasis on three critical themes for operations management; effective process management, the importance of cross-functional integration, and the role of operations in the creation of customer value. This unifying theme for service and manufacturing organizations builds bridges between each chapter and opens up the topics in operations to all students, regardless of their academic background or career paths. Now in its fourth Canadian edition, New Media: An Introduction surveys the social, political, and economic impacts of new media, from the early days of the telegraph to the latest mobile and network technologies. Drawing on the most recent research in the field, the text explores crucial topics such as social networking and participatory cultures, gaming and mobile technologies, creative industries, and internet law, policy, and governance. Featuring an in-depth treatment of new media theories, engaging case studies, and Canadian examples throughout, New Media offers students a comprehensive introduction from a Canadian perspective. This fourth edition sees the combination of Chapter 6 (Games) and Chapter 7 (Creative Industries) to accommodate the

inclusion of a brand-new chapter on truth and misinformation in the post-truth era, which covers topics such as fake news, the rise of deepfakes, and the ways in which the field of journalism has had to adapt to a new age of technology. This new edition will be the most up-to-date new media text on the market, including the latest discussion on current issues and topics, including media archaeology, surveillance, e-waste, labour practices, the politics of data, biases in algorithmic media, and the gig economy. Now with more headings to help readers navigate topics easily, *New Media* is the best text available for introductory students learning about the Canadian media landscape.

Welcome to the fourth Canadian edition of *On Cooking: A Textbook of Culinary Fundamentals*. Learning to cook entails much more than simply learning to follow a recipe. Consequently, this is neither a cookbook nor a collection of recipes. It is a carefully designed text intended to teach you the fundamentals of the culinary arts and to prepare you for a rewarding career in the food service industry. Data analytics and emerging technology tools continue to evolve the business world, and employers expect new skillsets from graduates. Prepare your students to meet the rapidly changing demands of the workforce and become the future auditors and accounting professionals of tomorrow with *Auditing: A Practical Approach with Data Analytics, 2nd Edition*. In order to develop job-

ready skills, students need to have a thorough understanding of auditing applications and procedures. Auditing, 2nd Edition helps students learn core auditing concepts efficiently and spark effective learning through integrated assessment learning that builds students' confidence and strengthens their ability to make connections between topics and real-world application. Throughout the course, students work through a practical, case-based approach with a decision-making focus, all within a real-world context with the Cloud 9 continuing case, Audit Decision Cases, and Audit Decision-Making Examples. These cases and resources help students learn to think critically within the auditing context and refine the professional judgement and communication skills needed to make real business decisions auditors face every day. With Auditing: A Practical Approach with Data Analytics you will be able to help students develop a deeper understanding of auditing procedures and learn how to perform a real-world audit, stay up-to-date on the latest audit standards technology tools, and develop the key skills to become the auditors of tomorrow. Note: If you are purchasing an electronic version, MasteringGeography does not come automatically packaged with it. To purchase MasteringGeography, please visit www.MasteringGeography.com or you can purchase a package of the physical text and MasteringGeography by searching for ISBN 10: 0133405524 / ISBN 13: 9780133405521. Respected

for its scientific accuracy, currency and thoroughness, and for its integration of high quality figures and photos, Christopherson/Byrne/Giles, Geosystems Fourth Canadian edition is the name you can trust with the content your students will read. This exciting new textbook for introductory psychology helps to open students' minds to the idea that psychology is all around us. Authors RON COMER and LIZ GOULD encourage students to examine what they know about human behaviour and how they know it; and open them up to an appreciation of psychology outside of the classroom. Psychology Around Us helps students see the big picture by stressing the interconnected nature of psychological science. Almost every chapter within this first edition helps open students' minds to comprehend the big picture with sections that highlight how the different fields of psychology are connected to each other and how they connect to everyday life. This text highlights human development, brain function, abnormal psychology, and the individual differences in each area as cut-across themes to demonstrate these connections. Also included are two-page art spreads to demonstrate exactly What Happens In The Brain When we engage in everyday activities such as eat pizza, study psychology, or listen to music. The art featured in these spreads have been created especially for Psychology Around Us by an award-winning artist with input from faculty on how it will contribute

to teaching and learning. Features: Cut Across Connections - Almost every chapter helps students comprehend the big picture with sections that highlight how the different fields of psychology are connected to each other and how they connect to everyday life. What Happens in the Brain When...These two-page art spreads demonstrate exactly what happens in the brain when we engage in everyday activities such as eating pizza, studying psychology, or listening to music. Chapter Opening Vignettes - Every chapter begins with a vignette that shows the power of psychology in understanding a whole range of human behaviour. This theme is reinforced throughout the chapter, celebrating the extraordinary processes that make the everyday possible. Special topics on psychology around us - Each chapter highlights interesting news stories, current controversies in psychology, and relevant research findings that demonstrate psychology around us. The Practically Speaking box emphasizes the practical application of everyday psychology. Helpful study tools - Key Terms; Marginal Definitions; Marginal Notes; Chapter Summaries. This selection of 45 stories represents diverse narrative styles and a broad spectrum of human experience. Stories are organized chronologically, annotated, and prefaced by engaging short introductions. The updated fourth edition offers more microfiction, graphic literature, and speculative fiction; authors new to this edition include George

Saunders, Leanne Betasamosake Simpson, Kristen Roupenian, Lydia Davis, and Jillian Tamaki. This package includes a three-hole punched, loose-leaf edition of ISBN 9781119403791 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards. Management, with its rich Canadian content, accessible writing style, and currency, is the ideal introductory management product. It provides professors the opportunity to offer their students an engaging experience that will help them succeed. Students will learn to think critically and make sound business decisions using managerial theory as concepts are explored and reinforced by many real-world examples, exercises, and cases. Note: If you are purchasing an electronic version, MyEconLab does not come automatically packaged with it. To purchase MyEconLab, please visit www.MyEconLab.com or you can purchase a package of the physical text and MyEconLab by searching for ISBN 10: 0321733975 / ISBN 13: 9780321733979. The Williamson text provides a modern approach to macroeconomics in which core economic theory is explained with a focus on the microfoundations of macroeconomic

theory using the fundamental concepts learned in microeconomics to understand macroeconomics. This work is a comprehensive account of the law of torts in Canada and provides complete coverage of the substantive law of torts in common law Canada. The second edition has been completely revised and consolidated into one volume. The chapter on negligence has been divided into several distinct chapters. Previously well-known torts have been reconsidered in light of new decisions appearing in the past ten years, such as those on negligent misrepresentation and qualified privilege. Designed with the student in mind, and easy to read and use, the new 2nd edition of Lilley will cover all the key pharmacology content needed by Canadian nursing students. Known for its appealing layout, plenty of photos, and numerous helpful boxed features, Lilley helps students manage the extremely detailed subject of pharmacology. This edition focuses on the role of nurses and their practices in culturally diverse Canada, and includes new content on natural health products and ethnocultural considerations. Evidence-Informed Practice Boxes: Provide a bridge between research evidence and its relevance to nursing practice Laboratory Values Related to Drug Therapy: Provide normal ranges and values for specific lab tests, and rationales for lab assessments in relation to specific drug therapy UNIQUE! In My Family Boxes: Written by nursing students of various ethnocultural backgrounds, relaying their

cultural health beliefs and practices and drug use Preventing Medication Errors Boxes: Reinforce concepts introduced in the medication errors chapter and relate them to specific common errors that occur in clinical practice. Special Populations: Women: In addition to other special populations, some boxes specifically focus on women's health UNIQUE! Tear out cards from Mosby's Pharmacology Memory NoteCards Increased pathophysiology coverage: Introduces key chapters to provide students with a brief overview before launching into drug information Chapters on Antibiotics and Antineoplastics: Subjects have both been divided into two chapters each, making difficult material easier to digest for students Generic and trade drug names are used throughout – with a new Drug Index at the back of the book Emphasis on nursing roles and practices in Canada More info on natural health products More info on ethnocultural considerations Now in its sixth edition, The Canadian Regime continues to provide the most accessible introduction to the institutions, processes, and principles of the Canadian political system. The book's focus on the inner logic of parliamentary government explains the rationale for Canada's relatively complex political system, which the authors encourage readers to think of as an organic entity, where change in one area inevitably ripples through the rest of the system. The new edition includes the results of Canada's 2015 federal election and looks ahead to consider

changes resulting from the Liberal victory. It has been thoroughly updated and revised and introduces several new topics, such as the impact of the previous Conservative government on the conventions and practices of parliamentary government and the important influence of social media on politics. Two new co-authors, Gerald Baier and Thomas M.J. Bateman, join Patrick Malcolmson and Richard Myers to bring new expertise in the areas of federalism, judicial politics, Charter jurisprudence, political parties, and the ongoing health care debate. With unique visual guides and models, and Lester Faigley's clear, accessible explanations, The Brief Pearson Handbook has established itself as the best-selling handbook to enter the market in eighteen years. This all-in-one handbook features excellent coverage of writing for different purposes, design and presentation, research and documentation, grammar and style, and writing for ESL students making it the ultimate resource for students. Note: You are purchasing a standalone product; MyWritingLab does not come packaged with this content. Students, if interested in purchasing this title with MyWritingLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyWritingLab, search for: 0134425553 / 9780134425559 The Brief Pearson Handbook, Fourth Canadian Edition Plus MyWritingLab with Pearson

MyWritingLab: Composition with Pearson eText --
Standalone Access Card -- for The Brief Pearson
Handbook, Fourth Canadian Edition The fourth
Canadian edition of MGMT offers a comprehensive
look at the important role managers play in
organizations. The book covers current issues and
challenges in today's rapidly changing business
environment, with a focus on presenting key
management concepts and theories and providing
relevant examples from real Canadian
organizations. Extensively updated to reflect
current events and the latest research in the
field, the new edition was developed in
consultation with management experts and
postsecondary educators across Canada. It
provides students with the knowledge and skills
they need to succeed in their professional
careers.? The fourth Canadian edition of
Weygandt, Kieso, Kimmel, Trenholm, Kinnear
Accounting Principles has been carefully
developed to build upon the highly regarded
"Student Success" foundation for which it has
become known over the years. The book has been
praised by students and instructors across the
country for its outstanding visual design, its
carefully integrated pedagogy, and its excellent
writing style and clarity of presentation; these
key elements have been further enhanced in the
fourth edition. Our ongoing series of workshops,

"Ensuring Student Success in Principles of Accounting", has provided an understanding of how instructors teach and how they use the materials we provide. This knowledge has allowed us to introduce a series of critical upgrades that will help you teach in more innovative and efficient ways. Just roll to the new edition of Weygandt and benefit from a whole new set of resources and problems. This is the best Weygandt package we have ever produced! "Dying and Death in Canada offers a comprehensive discussion of dying, death, and bereavement from a Canadian perspective. The third edition has been thoroughly updated and several new topics have been added, including assisted suicide and active euthanasia, end of life care, emerging trends in funerary practices, and changing conceptualizations and interventions in the grieving process. A glossary has also been added along with end-of-chapter review questions and an appendix listing recent and seminal movies, television programs, documentary films, and other visual media sources dealing with dying and death. The new edition includes 22 black and white photos, 4 figures, and 3 tables."-- With its enhanced design and increased Canadian content, Basics of Social Research: Qualitative and Quantitative Approaches sets a new standard in social research methods. The improved layout makes a difficult subject easier to understand, with a new four-colour, visually enhanced presentation. Updated Canadian content focuses on

real research examples from Canadian studies to make social research accessible to students and demonstrate how social research has applications in the real world. Themed boxes and new end-of-chapter questions increase student learning and provide a foundation for further learning about social research methods. Now in its fourth Canadian edition, *Social Research Methods* remains the go-to research guide for undergraduates in the social sciences. Offering practical, step-by-step advice, the authors take readers through all stages of the processes involved in both quantitative and qualitative research, from formulating questions, choosing methods, and recruiting participants to analyzing the data and writing up the results. Note: If you are purchasing an electronic version, MyNursingLab does not come automatically packaged with it. To purchase MyNursingLab, please visit www.mynursinglab.com or you can purchase a package of the physical text and MyNursingLab by searching for ISBN 10: 0133249786 / ISBN 13: 9780133249781. Helping undergraduate students evolve into nursing professionals prepared to meet the demands of their vocation, *Fundamentals of Canadian Nursing* equips students with a broad and solid foundation. The third Canadian edition addresses the key concepts that nurses must know to practice knowledgeably, accurately, legally, ethically, and with sensitivity and compassion in the dynamic Canadian health care system. *Fundamentals of Canadian Nursing* focuses on 3

important tenets: process, such as critical thinking, clinical reasoning, decision making; concepts like health promotion, disease prevention, and caring; and skills, such as health assessment, hygiene, and safety. Additionally, the textbook highlights basic nursing care across the lifespan in a variety of settings. Written in clear and accessible language, beginning nurses learn about best practices with real-world applications from the experts. Representing a pan-Canadian experience, the lead editors enlisted two authors, each from different provinces to reflect different geographical experiences, for many chapters. Special features facilitate learning and highlight the 5 major themes that form the framework for this edition—Primary Health Care, Critical Thinking, Clinical Reasoning, Nursing Process, and Lifespan Considerations. Important Notice: The digital edition of this book is missing some of the images found in the physical edition. This bestselling textbook portrays the latest developments in psychology in a charismatic style that will inspire a lifelong love of science. As top researchers, committed educators, and writers who hit the bestsellers lists, this extraordinary author team keeps students captivated page after page, story after story, with Ingrid Johnsruide bringing in Canadian research and examples. The new edition takes a closer look at the role psychology plays in our society, with new material in Chapter 2 that

looks at the truth about psychological science, the rate of replication in published studies, and how critical thinking is foundational in science and life. Chapter 1 presents a new look at the history of the science with unexpected stories and new insights into its surprising origins. Each chapter has been fully updated with Canadian-based research and examples to portray a field that is constantly evolving and illuminating the world today. Combined with LaunchPad, including the LearningCurve adaptive quizzing system, the new Fifth Edition is a powerful way to introduce students to the science of psychology. The Broadview Pocket Guide to Writing is a concise volume presenting essential material from the full Broadview Guide to Writing. Included are summaries of key grammatical points; a glossary of usage; advice on various forms of academic writing; coverage of punctuation and writing mechanics; helpful advice on how to research academic papers; and much more. Four commonly-used styles of citation and documentation are covered—MLA, APA, Chicago, and CSE. The revised fourth edition includes full coverage of the 2016 MLA Style changes.
