As a response to real or imagined subordination, popular culture reflects the everyday experience of ordinary people and has the capacity to subvert the hegemonic order. Drawing on central theoretical approaches in the field of critical disability studies, this book examines disability across a number of internationally recognised texts and objects from popular culture, including film, television, magazines and advertising campaigns, children's toys, music videos, sport and online spaces, to attend to the social and cultural construction of disability. While acknowledging that disability features in popular culture in ways that reinforce stereotypes and stigmatise, Disability and Popular Culture celebrates and complicates the increasing visibility of

disability in popular culture, showing how popular culture can focus passion, create community and express defiance in the context of disability and social change. Covering a broad range of concerns that lie at the intersection of disability and cultural studies, including media representation, identity, the beauty myth, aesthetics, ableism, new media and sport, this book will appeal to scholars and students interested in the critical analysis of popular culture, across disciplines such as disability studies, sociology and cultural and media studies. A mother and her two daughters spend a summer grappling with heartbreak, young love, and the weight of secrets in this "deeply felt family saga" (Entertainment Weekly) hailed as "one of the best beach reads of all time" (Today). Brian and Margot Dunne live year-round in Seaside, just steps away from the bustling boardwalk, with their daughters Liz and Evy. The Dunnes run a real estate company, making their living by quickly turning over rental houses for tourists. But the family's future becomes precarious when Brian develops a brain tumor, transforming into an erratic version of himself. Amidst the chaos and new caretaking responsibilities, Liz still seeks out summer adventure and flirting with a guy she should know better than to pursue. Her younger sister Evy works in a candy shop, falls in love with her friend Olivia, and secretly adopts the persona of a middle-aged mom in an online support

group, where she discovers her own mother's vulnerable confessions. Meanwhile, Margot faces an impossible choice driven by grief, impulse, and the ways that small-town life has shaped her. Falling apart is not an option, but she can always pack up and leave the beach behind. "An emotional family drama...with endearing characters and deep insights" (Glamour), *The Shore* is a heartbreaking yet ultimately uplifting novel infused with humor about finding sisterhood, friendship, and love in a time of crisis. This big-hearted novel examines the grit and hustle of running a small business in a tourist town, the ways we connect with strangers when our families can't give us everything we need, and the comfort found in embracing the pleasures of youth while coping with unimaginable loss. An invitation for overachievers to discover what it means to rest as God's daughters without compromising their God-given design as doers. Are you a Martha who feels guilty for not being a Mary? Do you want to sit at Jesus's feet as Mary did—but you feel the need to get things done? In *Made Like Martha*, Katie M. Reid invites you to exchange try-hard striving for hope-filled freedom without abandoning your doer's heart in the process. Through her own story and rich biblical illustrations, Katie reminds you that it's not important whether you sit and listen or stand and work. What matters is that your spiritual posture is one of a beloved daughter who knows she doesn't need to earn God's love. Your desire to get things done is not something to temper but something to embrace as you serve from a place of strength and peace—knowing Christ already did His most important work for you on the cross. With "It Is Finished" activities at the end of each chapter and a five-week Bible study included, *Made Like Martha* helps you find rest from striving even as you celebrate your God-given design to "do." "Made Like Martha will infuse your life with a fresh perspective as you learn both to embrace your God-given personality and also discover how—and when—to rest and retreat." —Karen Ehman, Proverbs 31 Ministries speaker and New York Times bestselling author of *Keep It Shut* "Impossible!" Katie Souza was a career criminal, and after being convicted of a number of felonies, she was sent to federal prison to serve almost twelve years. While serving what would be her final prison sentence, Katie encountered God in a way that dramatically changed her life. She immediately became an outspoken advocate for Jesus, and her infectious love for Him caused many women inside her cell block to accept Him as their Savior. Her story is a vivid demonstration of the desperate need we have for the healing of soul wounds—the often unidentified impediment that holds us back. Through this remarkable story and teaching, you will be able to find a pathway to healing and receive the blessings God is pouring out. What It's Like to Die-from Someone Who Did. Why are we afraid of dying? Where does death lead? Is there an afterlife? I Shook Hands with Death offers the answers as Pastor Mike Robertson shares his heartfelt account of dying at 19 in an east Texas lake, seeing his lifeless body, and then suddenly being brought back to life. Robertson's encounter with death—a near death encounter (NDE)—is a candid conversation with the reader about death, the supernatural world, God's love, our identity, the use of time, and how our priorities should be shaped by the deeper reality of God's Kingdom and presence. I Shook Hands with Death is a comforting read about uncomfortable realities—living and dying with purpose—in a physical world woven with the supernatural. Easy-to-read, and conversational in tone, Robertson goes to great lengths to help everyone see the supernatural presence of God in transforming the most stubborn of hearts. Grace and Katie are twins who love to draw. Grace loves everything to be organized and neat, while Katie loves everything to be bright, bold and messy. When they want to draw a map of their home and street, the girls can't agree on how it should be done so they each decide to create their own map. But that doesn't work out quite as well as they'd planned. Perhaps working together might be more fun after all! An imaginative exploration of individuality, sisterhood, creativity and appreciating each other's strengths. In 1990, when Saddam Hussein's military force

invades Kuwait, millions of Americans hear the call to surrender loved ones to bloody combat and almost certain death in the Arabian desert. In Saverne, a Texas town near the U.S. border with Mexico, social worker Grace Faith Hernandez has a son in the Infantry and a fiancé working in Kuwait, now MIA perhaps taken captive to Baghdad or dead. Homeless former head librarian Katie Hand has a son/grandson, one of the first Air Force E-15 pilots to arrive in Oman. Rancher Red, Hubba-Hubba Clay, has a son, somewhat estranged from him, a career Marine already in Al Jubal with the California desert-trained 7th MEB. Together they wait for war. You don't have to grow old. You can live forever. This book will help you walk in God's promises of long-lasting health. The Bible is full of promises related to believers having supernatural youth restored even in their advanced years. Yet few are actually walking in those promises. Instead, a huge percentage of Christians are suffering from some sort of pain, disease, or disorder and are physically and mentally exhausted. Plus, many depend on cosmetic procedures and surgeries to recapture their youthful look. But what if it were possible to tap into the youth-restoring promises the Bible says are ours? What if these revelations would enable us to run faster, serve stronger, and last longer? What if we could look better than we have in decades without cosmetic surgery and costly procedures? Katie Souza has found secrets in the Bible that show how we can see these manifestations in every part of our bodies. In this explosive study she gives readers the keys that will enable them to tap into the fountain of youth God promised His people.

FEATURES AND BENEFITS: Gives readers tools to prepare themselves to physically keep up with the new wine of revival God is going to pour out upon the earth Shows readers how to guard themselves against spiritual attacks on their physical well-being and experience supernatural healing and rejuvenation Includes questions at the end of each chapter that can be used for personal study or in small groups

Consists primarily of biographies of soldiers. The stunning story of one of America's great disasters, a preventable tragedy of Gilded Age America, brilliantly told by master historian David McCullough. At the end of the nineteenth century, Johnstown, Pennsylvania, was a booming coal-and-steel town filled with hardworking families striving for a piece of the nation's burgeoning industrial prosperity. In the mountains above Johnstown, an old earth dam had been hastily rebuilt to create a lake for an exclusive summer resort patronized by the tycoons of that same industrial prosperity, among them Andrew Carnegie, Henry Clay Frick, and Andrew Mellon. Despite repeated warnings of possible danger, nothing was done about the dam. Then came May 31, 1889, when the dam burst, sending a wall of water thundering down the mountain, smashing through Johnstown, and killing more than

2,000 people. It was a tragedy that became a national scandal. Graced by David McCullough's remarkable gift for writing richly textured, sympathetic social history, *The Johnstown Flood* is an absorbing, classic portrait of life in nineteenth-century America, of overweening confidence, of energy, and of tragedy. It also offers a powerful historical lesson for our century and all times: the danger of assuming that because people are in positions of responsibility they are necessarily behaving responsibly. Love makes the world go round. A wonderfully romantic novel from the No. 1 Sunday Times bestselling author of *A Wedding in the Country* and *A Springtime Affair*. Some may read this book and find it straightforward and easy to comprehend, others may read this book with much incredulity and disbelief. This book, "My Little Garden of Eden" was written to enlighten my brothers and sisters in Jesus Christ, you're my family and friends; we are all sons and daughters of the Most High; this book is for you. It is better to believe and have faith in something, rather than not believe and have faith in nothing. In writing this book, My Little Garden of Eden, Junior Mendez ingeniously distinguishes between his human nature and the nature of his spirit. This book is a twofold autobiography of the spirit man and the fleshly man, one walked by faith and the other walked by sight. The internal spirit nature seeks after love, peace, and service to others, while human nature lust after beauty, pleasure, and material wealth. Through faith and his intellectual awareness of a higher power, Junior Mendez became convinced that the spiritual mind is far superior to the carnal mind. The mind is spiritual, divine and freewill, the mind is susceptible to the influence of spiritual forces. The brain regulates the biological functions of the body, it process complicated emotions, feelings, images and a multiplicity of information simultaneously. The mind conscieve thoughts and immaginations to vision and reason within our faith after hearing or reading the Word of the Sacred Scriptures. Faith brings hopes and dreams of a brighter future. Eeach of us shall experience the end of life in the flesh, but through faith my spirit shall be a child in the kingdom of God. Unlike the brain, the mind is unseen, it cannot be touch or seen by human. Spiritual forces of the natural and supernatural world discreetly influence the conscious and subconscious mind.
