**The Next Mormons** Jana Riess,2019-02-01 American Millennials the generation born in the 1980s and 1990s have been leaving

organized religion in unprecedented numbers For a long time the Church of Jesus Christ of Latter day Saints was an exception nearly three quarters of people who grew up Mormon stayed that way into adulthood In *The Next Mormons* Jana Riess demonstrates that things are starting to change Drawing on a large scale national study of four generations of current and former Mormons as well as dozens of in depth personal interviews Riess explores the religious beliefs and behaviors of young adult Mormons finding that while their levels of belief remain strong their institutional loyalties are less certain than their parents and grandparents For a growing number of Millennials the tensions between the Church s conservative ideals and their generation s commitment to individualism and pluralism prove too high causing them to leave the faith often experiencing deep personal anguish in the process Those who remain within the fold are attempting to carefully balance the Church s strong emphasis on the traditional family with their generation s more inclusive definition that celebrates same sex couples and women s equality Mormon families are changing too More Mormons are remaining single parents are having fewer children and more women are working outside the home than a generation ago *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture Stranger God Richard Beck,2017-10-18 Accessible challenging funny and one of the best reads on how to love others in any situation Love and hospitality can change the way you see the world and others That s exactly what modern day theologian Richard Beck experienced when he first led a Bible study at a local maximum security prison Beck believed the promise of Matthew 25 that states when we visit the prisoner we encounter Jesus Sure enough God met Beck in prison With his signature combination of biblical reflection theological reasoning and psychological insight Beck shows how God always meets us when we entertain the marginalized the oppressed and the refugee Stories from Beck s own life illustrate this truth God comes to him in the poor the crippled the smelly Psychological experiments show how we are predisposed to appreciate those who are similar to us and avoid those who are unlike us The call of the gospel however is to override those impulses with compassion to widen the circle of our affection In the end Beck turns to the Little Way of St Th r se of Lisieux for guidance in doing even the smallest acts with kindness and he lays out a path that any of us can follow *Native* Kaitlin B. Curtice,2020-05-05 *Native* is about identity soul searching and the never ending journey of finding ourselves and finding God As both a citizen of the Potawatomi Nation and a Christian Kaitlin Curtice offers a unique perspective on these topics In this book she shows how reconnecting with her Potawatomi identity both informs and challenges her faith Curtice draws on her personal journey poetry imagery and stories of the Potawatomi people to address themes at the forefront of today s discussions of faith and culture in a positive and constructive way She encourages us to embrace our own origins and to share and listen to each other s stories so we can build a more inclusive and diverse future Each of our stories matters for the church to be truly whole As Curtice shares what it means to experience her faith through the lens of her Indigenous heritage she reveals that a vibrant spirituality has its origins in identity belonging and a sense of place Joining Jesus on His Mission Greg

Finke,2014-01-20 *Joining Jesus on His Mission* will alter the way you see your life as a follower of Jesus and take you beyond living your life for Jesus to living life with Jesus Simple powerful and applicable insights show you how to be on mission and recognize where Jesus is already at work in your neighborhoods workplaces and schools You will feel both relief and hope You may even hear yourself say I can do this as you start responding to the everyday opportunities Jesus is placing in your path
