Marina and Lee Priscilla Johnson McMillan,2013-08-06 The single best book ever written on the Kennedy assassination Thomas Mallon author of Mrs Paine s Garage And the Murder of John F Kennedy It is not at all easy to describe the power of Marina and Lee It is far better than any other book about Kennedy Other books about the Kennedy assassination are all smoke and no fire Marina and Lee burns New York Times Book Review Marina and Lee is an indispensable account of one of America s most traumatic events and a classic work of narrative history In her meticulous at times even moment by moment account of Oswald s progress toward the assassination of JFK Priscilla Johnson McMillan takes us inside Oswald s fevered mind and his manic marriage Only a few weeks after the birth of their second child Oswald s wife Marina hears of Kennedy s death and discovers that Lee s rifle is missing from the garage where it was stored She knows that her husband has killed the President McMillan came to the story with a unique knowledge of the two main characters In the 1950s she worked for Kennedy and had known him well for a time Later working in Moscow as a journalist she interviewed Lee Harvey Oswald during his attempt to defect to the Soviet Union When she heard his name again on November 22 1963 she said My God I know that boy Marina and Lee was written with the complete and exclusive cooperation of Oswald s Russian born wife Marina Prusakova whom McMillan debriefed for

seven months in the immediate aftermath of the President's assassination and her husband's nationally televised execution at the hands of Jack Ruby. The truth is far more compelling and unsettling than the most imaginative conspiracy theory. Marina and Lee is a human drama that is outrageous, heartbreaking, tragic, fascinating, and real.

**P4p** Mike Andes, 2021-12-17. It has never been harder to find good employees. Government handouts and programs publicly traded behemoths with an insatiable appetite for front-line staff and a burgeoning gig economy has made hiring extremely hard for small business owners. The golden question is how do we attract good talent and then retain them long term? How do I determine rates of compensation for my highest performers that are always demanding raises? How do I scale my business without having to constantly micro-manage my team when they are in the field working? The answer is Pay For Performance (P4P). I know the frustration of growing a home service business and trying to motivate your workforce while balancing the budget with rising costs of doing business. P4P allowed me to grow my lawn care business past 7 figures in annual revenue and now we have dozens of locations around North America. In a sentence, P4P pays employees a percentage of the labor revenue they earn for the business. It is that simple. The rest of the P4P system ensures that quality standards are upheld and that employees don't speed through work or damage customer property. If you are tired of babysitting employees, tired of offering low-paying dead-end jobs, tired of seeing employees waste time, money, and their own potential, I encourage you to diligently implement P4P and see it transform your business.

**What's Inside This Manual is Your Key to Success and the Future of the Labor Industry as We Know It**. Inside you'll find the tools needed to implement P4P successfully in your business. From bringing up the idea to pushing it beyond a simple pay structure, P4P: Why Dollars Per Hour Is a Failing Formula will revolutionize how you do business. Conception of P4P, What is Pay for Performance, Step by Step Implementation, Opening the Books, Profit Sharing, Compete Payroll Breakdown, Educational Guide, Reference Material.
