Lawrence,2012-12-09 There are few topics in sex research as compelling and confounding to researchers clinicians and the general public as that of transsexualism Depending on normative notions of gender eroticism and identity it poses significant scientific and clinical challenges The book addresses a fascinating and largely unexplored topic within the study of transsexualism The feelings and desires of conventionally masculine men who are attracted to women yet want to become women themselves Through a collection and discussion of vivid first person narratives the book provides an in depth examination of these men s unusual propensity to be sexually aroused by the thought of themselves as women and how these men s sexual feelings influence their decisions to seek or undergo sex reassignment These narratives about autogynephilia by autogynephilic male to female MtF transsexuals provide the first comprehensive documentation of the erotic ideation that underlies the most common form of MtF transsexualism The narratives provide empirical evidence for Blanchard s theory of MtF transsexual motivation and thus are of interest to researchers and theorists studying the phenomenology of MtF transsexualism The narratives are likely to be eye opening to psychologists psychiatrists physicians and other professionals who work with MtF transsexuals Most clinicians probably do not fully appreciate the erotic underpinnings of their clients condition A better understanding of their clients autogynephilic feelings and motivations would enable these professionals to provide more empathetic and effective clinical care **Sissy Dreams: A very Prissy Sissy Day** Paul Zante, Today is going to be wonderful because my Auntie has organised a fashion show in the evening and I m hoping she ll let me model the pretty dresses and lingerie and nighties specially designed for boys But first Auntie and I need to go into the village for some supplies But really she wants to show off the dress I m wearing to whet peoples appetite for the fashion show It s so short everyone will see my popsy For the fans of Prissy Sissy and the audio visual delights of the English Sissy Village series **A Passing Voice** ,1907 **Female Domination** Elise Sutton,2003-11-01 **Enough to Make You Blush** Princess Kali,2015-11-08 Erotic humiliation goes far beyond the Lick my boots stereotype Princess Kali a famous former Dominatrix and world renowned Humiliatrix throws open the dungeon doors to explore the complex desires that fuel this kind of psychological play for both dominants and submissives Using both personal experience and extensive interviews she shares advice and detailed ideas for a broad range of embarrassing humiliating and degrading ways to enjoy consensual kinky fun Also covered are important concepts such as communication negotiation consent triggers aftercare and so much The FemDom Experience Elise Sutton,2007-01 An experience is the process of personally participating in an activity event or lifestyle Fantasy does not always translate over to reality because reality must contend with the bodily limitations of the physical world whereas fantasy enjoys the unlimited boundaries of the imagination Nevertheless fantasy is often the product of reality For one person TMs fantasy is another person TMs reality Notable FemDom author Elise Sutton examines the Female Domination lifestyle by taking the reader into the personal relationships and sexual practices of everyday people who

live astonishing secret lives Elise adds her insight and commentary as she examines what constitutes a successful FemDom relationship **Fight Night at the Futanari Club** Susan Alexander,2017-01-01 Futanaris beautiful feminine creatures with breasts a vagina and a penis When our hero accepts a job wrestling Futanaris for a hefty paycheck he may have bitten off more than he can chew his ass will literally be on the line in these no holds barred sexfights If he wins his defeated opponent is his plaything but if he loses Fight Night at the Futanari Club contains five full length matches all male Futanari
