Christ Incognito Dec 15 2023 God is the proverbial oversized elephant in the room. There is no appropriate place, no comfortable platform for God in our secularizing world?and yet the subject keeps coming up. We can't help ourselves. There are large issues, huge questions, constant crises that are beyond our ability to address and resolve, if we are honest and paying attention. And there

are awesome wonders we cannot adequately describe or account for. And there is a persistent riddle inside our own history as a human race that keeps popping up, though we are often preoccupied with lesser things or try to suppress the unsettling awareness. This book is a bold and brazen attempt to identify the presence of God, ancient and contemporary-driven by the discovery that God is active and invested in our world and in our lives. This is a shock to us. But not really. We have always suspected that there is more to life than the routine and the mundane, something above and behind this magnificent creation, that there is much more to it all than meets the eye. Christ Incognito emerges from the Gospel accounts that introduce us to Jesus of Nazareth-yes that Jesus, a strange and compelling personality who is powerfully present, maddeningly unpredictable, and completely unmanageable. Read this book for fresh insight into the one called Christ. And look for him. He's here. He's always been here, recognized or not. Never far from you. No one beyond his reach. Offering more than you imagine.
