**Dancing with Myself** Billy Idol,2014-10-07 A Rolling Stone Top 10 Best Music Books of the Year That s what I m talking about Of all these memoirs Dancing With Myself was the only one that stimulated my envy made me want to be

Billy Idol for five minutes He s a genuine romantic writing in a kind of overheated journalese about his London punk rock roots and then falling head over heels for America James Parker The New York Times Book Review In this highly original memoir following Billy Idol from his childhood in England to his rise to fame at the height of the punk pop revolution the iconic superstar tells the real story behind the sex drugs and rock n roll that he is so fabulously famous for in his own utterly indelible voice An early architect of punk rock s sound style and fury whose lip curling sneer and fist pumping persona vaulted him into pop s mainstream as one of MTV s first megastars Billy Idol remains to this day a true rock n roll icon Now in his New York Times bestselling autobiography Dancing with Myself Idol delivers an electric refreshingly honest Daily News New York account of his journey to fame from his early days as front man of the pioneering UK punk band Generation X to the decadent life atop the dance rock kingdom he ruled delivered with the same in your face attitude and fire his fans have embraced for decades Beyond adding his uniquely qualified perspective to the story of the evolution of rock Idol is a brash lively chronicler of his own career A survivor s tale at its heart this sometimes chilling and always riveting account of one man s creative drive joining forces with unbridled human desire is unmistakably literary in its character and brave in its sheer willingness to tell With it Billy Idol is destined to emerge as one of the great writers among his musical peers I am hopelessly divided between the dark and the good the rebel and the saint the sex maniac and the monk the poet and the priest the demagogue and the populist Pen to paper I ve put it all down every bit from the heart I m going on out a limb here so watch my back Billy Idol
