*The Setup* Dec 18 2022 The first day she was sitting by herself - I felt sorry for her. After all, it couldn't be easy wrangling all the testosterone at Wingmen Inc as one of the only female office managers. The second day she literally counted her carrots during break - she had seven by the way, right along with seven sips of her drink in between taking seven tiny little bites of the first carrot. Now I'm not one to brag, or maybe I am, but math and science fascinate me, so do problems. And this woman screamed puzzle from the way she ducked her head every time anyone looked at her, to the way she counted food and tapped the table when she didn't think anyone was watching. I'd like to think I took pity on her that day when, in fact, she was the one that took pity on me and asked if I needed a friend. She assumed I had a learning disability since I'd been staring so damn hard. Things would have ended there, except, my bosses need someone to test the new Wingmen App and since I was the only single guy on the floor - I was nominated, right along with the only single woman, the same one who thinks I need to use my fingers to count. Apparently rumors of my sexcapades throughout college reached even her ears, because she wants nothing to do with me, which makes beta testing a bitch. I have thirty days to win her over and prove myself to my bosses. One thing's for certain, I'm going to have to buy a hell of a lot of carrots.

She has a plan. Fate has other ideas. The last place very average thirty-one-year-old Mara Williams thought she'd be is on a solo vacation impersonating her fortune teller when she finally meets the one. And her name is Mara. Enter Project Mara: three months to turn herself into the stylish, confident woman she's always hoped to be. Meanwhile, the crumbling, formerly glamorous beachside pool club where she works is under threat and her eccentric colleagues enlist her help to save it, just as a handsome new housemate casts doubts on her ideas about "the one." Did you ever wonder what a tech does when you take your guitar in for a "set up"? Well now the answers to your questions and all the steps are laid out in my Guitar Set Up Guide. My guide contains all the information you need based on my 20+ years of experience as a guitar tech. It also answers many questions that you may have asked yourself about intonation, adjusting pickups, cleaning your frets and so forth. To help you better understand the set up process I have included many detailed photos as well as instructional videos showing you how the set up is done. I wrote this Guitar Set Up Guide for guitar players who want to set up and maintain their own guitars and for the player who just want to know this information so they can relate to their techs. All the content is geared for the very beginner to the advanced player. I receive dozens of emails per week asking a wide variety of guitar related questions and now the answers are incorporated in one comprehensive guide. Questions such as: "How far away should the pickups be from the strings"? "Which way do I turn the truss rod adjustment to straighten my guitar's neck"? "What is the easiest way to clean the frets on my guitar"? "I've tried to intonate my guitar but it still doesn't play in tune. Why is this"? "To increase sustain I should adjust my pickups as close as possible to the strings, right"? "What do I do if the bridge on my guitar doesn't have a way to adjust the intonation"? "Is there an easy way to remove all the strings on my archtop guitar with a floating bridge and quickly get it intonated"? "I find it difficult to adjust the truss rod on my guitar because the adjustment is at the heel. Is there an easy way to do this"? And many more...

A Holiday Set-Up Jan 24 2021 Most people don't have a nemesis, but I do. His name is Rafe Archibald. On the first day of kindergarten, he stole my chocolate cupcake. In sixth grade, he won the big essay contest, while I ended up runner-up. All through high school, he was my academic rival, and in college he dated all my friends. After graduation, I hoped to be rid of him at last, but he moved into the apartment across the hall. He's always around. Inescapable. Constantly infuriating me with his too-long hair, his laid-back attitude, and his smug smile. Just when I think it can't get worse, it does. Our grandmothers start meddling. They decide we must be secretly in love and concoct a matchmaking scheme. When my grandmother announces she's inviting all her friends and family to her huge country estate for an old-fashioned holiday house party, I'm excited about a two-week break from running into Rafe in the hallway, at the coffee shop, and at our favorite bar. Then there he is. At my grandmother's house for Christmas. In the room across the hall. Their set-up won't work. I've developed a lifetime's worth of resistance against Rafe's dubious charms. Sure, I might slip and fall into bed with him, but that's an accident and won't happen again. And, even if it does, it still won't touch my heart. After all, the last thing a smart woman should do is fall in love with her nemesis.

*The Setup* Mar 01 2024 I've fallen victim to a heinous act. An act so vile, so downright dirty, that I'm not sure as a twenty-year-old man I'll ever recover. Brace yourself, because what I'm about to tell you might have you gasping in secondhand horror. Ready? Here it goes . . . I've recently become the pawn of a meddling mom. Yes . . . A MEDDLING MOM--who's been trying to set me up all summer. Now, I understand it's not a crime for a mother to want her child to fall in love, but when she makes it her relentless MISSION, the heinous act should be classified as a misdemeanor at least. Of course, my mom, the evil matriarch in the devil's leggings, made her final stab at finding a girl for me days before I went back to college. And I hate to admit it, but she saved a doozy for last. A titan in black skinny jeans. A boss of nonchalance. And a girl who would not only turn my life upside down, but do it while juggling a soccer ball, looking effortlessly gorgeous around campus, and is one hundred percent against relationships. Of any sort. Thanks, Mom.

*The Set-Up* Oct 16 2022 Written in 1928, *The Set-Up* is a long narrative poem about the boxing underworld - a hard-boiled tragedy told in syncopated rhyming couplets. When the work was first published it made the bestseller list, and in 1949 it was turned into an award-winning film featuring Robert Ryan and Audrey Totter. This reprinting of the original, unchanged 1928 poem features dynamic, specially commissioned artwork by Erik Kriek that vividly conveys the story of Pansy, an up-and-coming black prize fighter who takes on all comers. When he was in the ring, "It was over before you knew it. He'd carve you up like a leg of mutton. And drop you flat with a sock on the button." Pansy's complicated love life leads to a spell in prison and his career subsequently takes a nosedive; but he continues to box until the fateful night his fight managers and opponent triple-cross him and he meets a grisly end at the hands of a vengeful gang.

**Set-up-to-Fail Syndrome** Jan 19 2023 Do you have an employee whose performance keeps deteriorating—despite your close monitoring? Brace yourself: You may be at fault—by unknowingly triggering the set-up-to-fail syndrome. Perhaps things started off swimmingly. But then something—a missed deadline, a lost client—made you question the person's performance. You began micromanaging him. Suspecting your reduced confidence, he started doubting himself—and stopped giving his best. You viewed his new behavior as additional proof of mediocrity, and tightened the screws further. In *The Set-Up-to-Fail Syndrome*, Jean-Francois Manzoni and Jean-Louis Barsoux show how this insidious cycle hurts everyone: employees stop volunteering ideas, preventing your organization from getting the most from them; you lose energy to attend to other activities; and your reputation suffers as other employees deem you unfair. Team spirit wilts as targeted performers are alienated. But the set-up-to-fail syndrome doesn't have to happen. The authors provide preventive measures, such as loosening the reins as new employees master their jobs. If the syndrome has already erupted, Manzoni and Barsoux explain how to discuss the dynamic with your employee and reverse the cycle.

*Conversations with My Agent (and Set Up, Joke, Set Up, Joke)* Aug 26 2023 Barely out of film school, Rob Long struck the jackpot and landed a job on the phenomenally successful TV sitcom, Cheers. However, with the demise of the show, Long was faced with the question, 'Is there life after Cheers?' Mercilessly witty about the daunting process of setting up a new series and getting it on air, these two books tell the absurd tale of what came next. Getting from pitch to pilot is a tricky path to navigate successfully, from making non-negotiable changes and deal-breaking edits, combined with accommodating the whims of studios, networks and agents, often the finished product ends up a long way from where the script-writer started. With the help of his agent, her constant demands, monstrous salesmanship, brutal irony and unswerving loyalty, Long's career fluctuates from wannabe to player, from award-winning script-writer to burnt out has-been. And it's all, as he says 'half true'.

*The Setup Man* Jul 25 2023 Johnny Adcock is an aging Major League pitcher, who moonlights as a private investigator. On the bus after a game, teammate Frankie Herrera confides in Adcock that he has a “problem with his wife.” It sounds like the standard story of a pro athlete’s marriage gone sour. However, when Frankie dies in a car crash, Adcock knows there are way too many questions still unanswered, and he dives head first into the most dangerous investigation of his budding second career.
