The Great Terror A Reassessment Robert Conquest

The Great Terror Robert Conquest,2008 The definitive work on Stalin s purges the author s The Great Terror was universally acclaimed when it first appeared in 1968 Provides accounts of on everything form the three great Moscow Trials to methods of obtaining confessions the purge of writers and other members of the intelligentsia on life in the labor camps and many other key matters On the fortieth anniversary of thew first edition it is remarkable how many of the most disturbing conclusions have born up under the light of fresh evidence

The Great Terror Robert Conquest,2018-11-01 Robert Conquest s The Great Terror is the book that revealed the horrors of Stalin s regime to the West This definitive fiftieth anniversary edition features a new foreword by Anne Applebaum One of the most important books ever written about the Soviet Union The Great Terror revealed to the West for the first time the true extent and nature Stalin s purges in the 1930s in which around a million people were tortured and executed or sent to labour camps on political grounds Its publication caused a widespread reassessment of Communism itself This definitive fiftieth anniversary edition gathers together the wealth of material added by the author in the decades following its first publication and features a new foreword by leading historian Anne Applebaum explaining the continued relevance of this momentous period of history and of this classic account

The Great Terror Robert Conquest,1973

Reflections on a Ravaged Century Robert Conquest,2001 A look at the twentieth century examines the factors and events that have sent millions to their deaths discussing the philosophies that have caused so much conflict as well as what the future may hold for the human race

Mental Causation and Ontology S. C. Gibb,E. J. Lowe,R. D. Ingthorsson,2013-03-21 This book demonstrates the importance of ontology for a central debate in philosophy of mind Mental causation seems an obvious aspect of the world But it is hard to understand how it can happen unless we get clear about what the entities involved in the process are An international team of contributors presents new work on this problem

Stalin and the Kirov Murder Robert Conquest,1988 No description

The Harvest of Sorrow Robert Conquest,1986 Chronicles the events of 1929 to 1933 in the Ukraine when Stalin s Soviet Communist Party killed or deported millions of peasants abolished privately held land and forced the remaining peasantry into collective farms and inflicted impossible grain quotas on the peasants that resulted in mass starvation

The Great Terror Robert Conquest,1990 This new edition of The Great Terror contains 30% more new material mostly from the Soviet Union Hence the author has been able to reassess the 10 years of political murder genocide and oppression under Stalin s rule and ascertain the long term effects of Stalinism

Stalin Robert Conquest,1991 A portrait of a man who on a personal scale embodied mediocrity yet created extraordinary political and social upheaval

The Dragons of Expectation Robert Conquest, 2005 The publication of *The Dragons of Expectation* in 2005 reaffirmed Robert Conquest's stature as a leading intellectual and one of the world's great humanists. In the tradition of Isaiah Berlin's *The Crooked Timber of Humanity* and George Orwell's *Essays*, this book brilliantly traces how seductive ideas have come to corrupt modern minds to often disastrous effects. In what *Publishers Weekly* called a frontal assault on the pieties of the left, Conquest masterfully examines how false nostrums have infected academia, politicians, and the public, showing how their reliance on isms and the destructive concepts of People, Nation, and Masses have resulted in a ruinous cycle of turbulence and war. Including fresh analyses of Russia's October Revolution, World War II, and the Cold War, *The Dragons of Expectation* is one of the most important contributions to modern thought in recent years.

Koba the Dread Martin Amis, 2010-08-13 A brilliant weave of personal involvement, vivid biography, and political insight, *Koba the Dread* is the successor to Martin Amis's award-winning memoir *Experience*. *Koba the Dread* captures the appeal of one of the most powerful belief systems of the 20th century, one that spread through the world, both captivating it and staining it red. It addresses itself to the central lacuna of 20th-century thought: the indulgence of Communism by the intellectuals of the West. In between the personal beginnings and the personal ending, Amis gives us perhaps the best one hundred pages ever written about Stalin. *Koba the Dread* is the author's father, Kingsley Amis, though later reactionary in tendency, was a Comintern dog's body as he would come to put it from 1941 to 1956. His second closest and then his closest friend after the death of the poet Philip Larkin was Robert Conquest, our leading Sovietologist whose book of 1968, *The Great Terror*, was second only to Solzhenitsyn's *The Gulag Archipelago* in undermining the USSR. The present memoir explores these connections. Stalin said that the death of one person was tragic, the death of a million a mere statistic. *Koba the Dread*, during whose course the author absorbs a particular familial death, is a rebuttal of Stalin's aphorism.

The Red Army and the Great Terror Peter Whitewood, 2015-09-25 On June 11, 1937, a closed military court ordered the execution of a group of the Soviet Union's most talented and experienced army officers, including Marshal Mikhail Tukhachevskii. All were charged with participating in a Nazi plot to overthrow the regime of Joseph Stalin. There followed a massive military purge from the officer corps through the rank and file that many consider a major factor in the Red Army's dismal performance in confronting the German invasion of June 1941. Why take such action on the eve of a major war? The most common theory has Stalin fabricating a military conspiracy to tighten his control over the Soviet state. In *The Red Army and the Great Terror*, Peter Whitewood advances an entirely new explanation for Stalin's actions, an explanation with the potential to unlock the mysteries that still surround the Great Terror: the surge of political repression in the late 1930s in which over one million Soviet people were imprisoned in labor camps and over 750,000 executed. Framing his study within the context of Soviet civil-military relations dating back to the 1917 revolution, Whitewood shows that Stalin sanctioned this attack on the Red Army not from a position of confidence and strength but from one of weakness and misperception. Here we see how Stalin's views had been poisoned by the paranoid accusations of his secret police, who saw spies and supporters of the dead Tsar everywhere and who had long believed that the Red Army was vulnerable to infiltration by foreign intelligence agencies engaged in a conspiracy against the Soviet state. Recently opened Russian archives allow Whitewood to counter the accounts of Soviet defectors and conspiracy theories that have long underpinned conventional wisdom on the military purge. By broadening our view, *The Red Army and the Great Terror* demonstrates not only why Tukhachevskii and his associates were purged in 1937 but also why tens of thousands of other officers and soldiers were discharged and arrested at the same time. With its thorough reassessment of these events, the book sheds new light on the nature of power, state violence, and civil-military relations under the Stalinist regime.

What to Do when the Russians Come Robert Conquest, Jon Manchip White, 1984

The History of the Gulag Oleg V. Khlevniuk, 2004-01-01 The human cost of the Gulag the Soviet labor camp system in which millions of people were imprisoned between 1920 and 1956 was staggering Aleksandr Solzhenitsyn and others after him have written movingly about the Gulag yet never has there been a thorough historical study of this unique and tragic episode in Soviet history This groundbreaking book presents the first comprehensive historically accurate account of the camp system Russian historian Oleg Khlevniuk has mined the contents of extensive archives including long suppressed state and Communist Party documents to uncover the secrets of the Gulag and how it became a central component of Soviet ideology and social policy

Origins of the Great Purges John Arch Getty, 1987-01-30 This is a study of the structure of the Soviet Communist Party in the 1930s Based upon archival and published sources the work describes the events in the Bolshevik Party leading up to the Great Purges of 1937 1938 Professor Getty concludes that the party bureaucracy was chaotic rather than totalitarian and that local officials had relative autonomy within a considerably fragmented political system The Moscow leadership of which Stalin was the most authoritarian actor reacted to social and political processes as much as instigating them Because of disputes confusion and inefficiency they often promoted contradictory policies Avoiding the usual concentration on Stalin s personality the author puts forward the controversial hypothesis that the Great Purges occurred not as the end product of a careful Stalin plan but rather as the bloody but ad hoc result of Moscow s incremental attempts to centralise political power

Khrushchev: The Man and His Era William Taubman, 2004-03-30 Tells the life story of twentieth century Soviet leader Nikita Khrushchev featuring information from previously inaccessible Russian and Ukrainian archives

The Unquiet Ghost Adam Hochschild, 2003-02-04 An in depth exploration of the legacy of Joseph Stalin on the former Soviet Union by the author of King Leopold s Ghost Although some twenty million people died during Stalin s reign of terror only with the advent of glasnost did Russians begin to confront their memories of that time In 1991 Adam Hochschild spent nearly six months in Russia talking to gulag survivors retired concentration camp guards and countless others The result is a riveting evocation of a country still haunted by the ghost of Stalin A New York Times Notable Book An important contribution to our awareness of the former Soviet Union s harrowing past and unsettling present Los Angeles Times A perceptive intelligent book demonstrating that the significance of the gulag transcends the confines of one country and one generation The New York Times Book Review This probing and sensitive book casts striking new light upon the Russian past and present The Washington Post Book World The voices Hochschild has recorded the relics he has seen are haunting and the raw material of a terrific book David Remnick Pulitzer Prize winning author of Lenin s Tomb No other work has brought home the full horror of this monstrous dictator s rule than this close up account Daniel Schorr former senior news analyst National Public Radio

Everyday Stalinism Sheila Fitzpatrick, 1999-03-04 Focusing on urban areas in the 1930s this college professor illuminates the ways that Soviet city dwellers coped with this world examining such diverse activities as shopping landing a job and other acts

Bloodlands Timothy Snyder, 2012-10-02 From the author of the international bestseller *On Tyranny* the definitive history of Hitler's and Stalin's politics of mass killing explaining why Ukraine has been at the center of Western history for the last century Americans call the Second World War the Good War But before it even began America's ally Stalin had killed millions of his own citizens and kept killing them during and after the war Before Hitler was defeated he had murdered six million Jews and nearly as many other Europeans At war's end German and Soviet killing sites fell behind the Iron Curtain leaving the history of mass killing in darkness Assiduously researched deeply humane and utterly definitive *Bloodlands* is a new kind of European history presenting the mass murders committed by the Nazi and Stalinist regimes as two aspects of a single story With a new afterword addressing the relevance of these events to the contemporary decline of democracy *Bloodlands* is required reading for anyone seeking to understand the central tragedy of modern history and its meaning today

Soviet Women Francine du Plessix Gray, 1991 In this book the author brings us the voices of women doctors dissidents party workers journalists and factory workers who talk about their lives It emerges that women continue to suffer a variety of injustices and there is backwardness in sex education and women's health facilities

The Enigmatic Realm of **The Great Terror A Reassessment Robert Conquest**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **The Great Terror A Reassessment Robert Conquest** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.

The Great Terror A Reassessment Robert Conquest Introduction

In today's digital age, the availability of The Great Terror A Reassessment Robert Conquest books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Great Terror A Reassessment Robert Conquest books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Great Terror A Reassessment Robert Conquest books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Great Terror A Reassessment Robert Conquest versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Great Terror A Reassessment Robert Conquest books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Great Terror A Reassessment Robert Conquest books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Great Terror A Reassessment Robert Conquest books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Great Terror A Reassessment Robert Conquest books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Great Terror A Reassessment Robert Conquest books and manuals for download and embark on your journey of knowledge?

FAQs About The Great Terror A Reassessment Robert Conquest Books

1. Where can I buy The Great Terror A Reassessment Robert Conquest books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
