Investigating two
burned bodies
connected by a
mysterious tattoo
and a string of
baffling miracle
cures, medical
examiner Laura
Hanning follows
leads to a cult that
claims to possess a
fabled healing
substance and a

violent brotherhood
that believes that
God intends for
humanity to suffer.
An original graphic
novel starring
Repairman Jack -
written by series
Creator F. Paul
Wilson and
illustrated by
Antonio (James
Bond) Fuso. Got a
problem? He can fix
it. He thought he'd
seen the last of the
Rakoshi, but one
has survived. A
particularly
cunning and deadly
Rakosh known to
Jack as Scar-Lip.
Now, Jack faces the
fights of his life as
he seeks to end the

creature once and for all, before it ends him! Cold City is the first of three Repairman Jack prequels, revealing the past of one of the most popular characters in contemporary dark fantasy: a self-styled "fix-it" man who is no stranger to the macabre or the supernatural, hired by victimized people who have no one else to turn to. We join Jack a few months after his arrival in New York City. He doesn't own a gun yet, though he's already connected with Abe. Soon he'll meet Julio and the Mikulski brothers. He runs afoul of some Dominicans, winds up at the East Side Marriott the night Meir Kahane is shot, gets

on the bad side of some Arabs, starts a hot affair, and disrupts the smuggling of preteen sex slaves. And that's just Book One. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SUSPENSE MAGAZINE •** Includes Dean Koontz's short story "You Are Destined to Be Together Forever" From "one of the master storytellers of this or any age" (The Tampa Tribune) comes the stunning final adventure of "one of the most remarkable and

appealing characters in current fiction" (The Virginian-Pilot)—as Dean Koontz brings the unforgettable odyssey of Odd Thomas to its dazzling conclusion. Odd Thomas is back where it all started . . . because the time has come to finish it. Since he left his simple life in the small town of Pico Mundo, California, his journey has taken him to places strange and wonderful, mysterious and terrifying. Across the land, in the company of mortals and spirits alike, he has known kindness and cruelty, felt love and loss, saved lives and taken them—as he's borne witness to humanity's greatest

good and darkest evil. Again and again, he has gone where he must and done what he had to do—for better or worse—with his courage and devotion sorely tested, and his soul forever changed. Every triumph has been hard won. Each sacrifice has taken its toll. Now, whatever destiny drives him has finally steered his steps home, where those he cares for most surround him, the memory of his tragically lost true love haunts him, and one last challenge—vast and dreadful—awaits him. For Odd Thomas, born to serve a purpose far greater than himself, the wandering is done. Only the reckoning

remains. Praise for Saint Odd “Equal parts supernatural thriller, cultural satire, character study, bildungsroman, offbeat love story, road trip, spiritual meditation, and apocalyptic adventure, the Odd Thomas books . . . are more than irresistible page-turners. They are intimate, haunting, often heartrending, exhilarating, and beautifully composed.”—Biography.com “Odd Thomas is such an endearing and likable character and, more than anything else, has been the reason for the success of the series. . . . For readers who have been with Odd all along, Saint Odd will

satisfy.”—Bookreporter Acclaim for Dean Koontz and his Odd Thomas novels “Odd’s strange gifts, coupled with his intelligence and self-effacing humor, make him one of the most quietly authoritative characters in recent popular fiction.”—Publisher’s Weekly “Koontz gives his character wit, good humor, a familiarity with the dark side of humanity—and moral outrage.”—USA Today “The ultimate Everyman . . . an avatar of hope and honor and courage for all of us—the linchpin of a rollicking good tale . . . Odd evokes the homespun wisdom of Forrest Gump amid the

mind-spinning adventures of a Jack Bauer.”—BookPage
“There’s never anything predictable about an Odd Thomas adventure.”—Booklist
“The nice young fry cook with the occult powers is [Koontz’s] most likable creation . . . candid, upright, amusing and sometimes withering.”—The New York Times
“An inventive . . . mix of suspense, whimsy and uplift.”—The Washington Post
“Heartfelt and provocative . . . a wonderfully rich and entertaining story.”—Chicago Sun-Times
From the author of Jurassic Park, Timeline, and Congo comes a

psychological thriller about a group of scientists who investigate a spaceship discovered on the ocean floor. In the middle of the South Pacific, a thousand feet below the surface, a huge vessel is unearthed. Rushed to the scene is a team of American scientists who descend together into the depths to investigate the astonishing discovery. What they find defies their imaginations and mocks their attempts at logical explanation. It is a spaceship, but apparently it is undamaged by its fall from the sky. And, most startling, it appears to be at least three hundred years old,

containing a terrifying and destructive force that must be controlled at all costs. New York Times bestselling author F. Paul Wilson's By the Sword takes up the adventures of Repairman Jack directly after Bloodline. Jack is hired to find a legendary Japanese sword, a katana stolen from the Hiroshima Peace Museum and brought to New York City. Central characters include the members of a weird Japanese cult, a young Japanese businessman and his three Yakuza bodyguards, plus Hank Thompson, the Kicker cult leader from Bloodline. The cult,

the businessman, the Yakuza, and the Kickers are looking for the sword as well. Also in the mix is the pregnant teenager carrying a child, loaded with abnormal DNA, who will be a decisive force in the cosmic shadow war raging behind the scenes. She becomes a pawn in the game, hunted by both sides. Following his usual m.o., Jack maneuvers all sides into a bloody melee from which he plans to waltz away with the fabled katana. Of course, when things don't go as planned, Jack must improvise (and he hates to improvise). By the Sword takes F. Paul Wilson's trademark breakneck pacing and interweaving storylines to a new

level. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. When a tough sixteen-year-old boxing champ sentenced to an isolated boot camp discovers it is actually a mercenary training facility turning "throwaway children" into scientifically enhanced killers, he risks everything to save his friends and stop a madman bent on global destruction. Repairman Jack unbound! It's the showdown against the Otherness. Jack is back! In the new Repairman Jack thriller, Jack fights a new street drug, Berserk. Can you imagine a new

chemical compound, a non-addictive designer drug that heightens your assertiveness, opens the door to your primal self, giving you an edge wherever you compete? Whether on the street or the football field, in a classroom or a boardroom. Wouldn't you be tempted to try it . . . just once? What happens if it releases uncontrollable rage and makes you a killer? Jack finds himself fighting against the makers and sellers of this dangerous new street drug. The drug brings out the user's most aggressive behavior, gifting the user with a God-like feeling -- useful in small

doses, but also capable of sending the user into a mindless, destructive rage. After checking around, Jack realizes that the drug comes from a most surprising source. . . . a source that may have deadly effects on Jack's life and the lives of those he cares most about It's up to Jack to destroy this source, put an end to it and save countless lives . . . even though it may cost him his own. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Poised and waiting for the moment he can unleash an ancient wave of horror that will extinguish

humanity, Jonah poses as a graduate student in a small southern town to hide his venomous vampiric identity. Reissue. Twilight has come. Night will follow. It will begin in the heavens and end in the Earth But before that...the rules will be broken The Change is coming and the world as we know it is ending. Sixteen-year-old Ellie has changed. She looks the same but her mother detects someone else looking out through her blue eyes. Ellie builds a "shelter" in her room with an entrance that leads...elsewhere. And what of the convoy of tractor trailers Hari Tate watches drive up a mountain road and

return without the trailers...leaving nothing on the mountain. What are they shipping? And the writer who finds a hole in the floor of his NYC apartment and tumbles through into... elsewhere. They will all find each other and find their answers in the electromagnetic pulses piercing the Earth from Out There, pulses that no one should hear, but some do. But they are not simply pulses. They are SIGNALZ. While investigating the mysterious mutilations and killings of Nazi soldiers at a garrison in Romania, an elite SS extermination squad finds a terrifying evil at work and summons

a folklore expert to help--a man who happens to be Jewish. Reissue. Finally! All the Repairman Jack short fiction - many hard to find, one nigh impossible - collected for the first time. QUICK FIXES includes: "A Day in the Life," "The Last Rakosh," "Home Repairs," "The Long Way Home," "The Wringer," "Interlude at Duane's," "Do-Gooder," "Recalled," "Piney Power," plus author introductions to each story. Suddenly, a family physician can heal any illness with a simple touch. After a dozen years of practicing medicine as a family physician, Dr. Alan Bulmer discovers

one day that he can cure any illness with the mere touch of his hand. At first his scientific nature refuses to accept what is happening to him, but there is no rational explanation to be found. So Alan gives himself over to this mysterious power, reveling in the ability to cure the incurable, to give hope to the hopeless—for one hour each day. Although he tries to hide his power, word inevitably leaks out, and soon Alan's life begins to unravel. His marriage and his practice crumble. Only rich, beautiful, enigmatic Sylvia Nash stands by him. And standing with her is Ba, her Vietnamese gardener, who once

witnessed a power such as Dr. Bulmer's in his homeland, where it is called Dat-tay-vao. And the Dat-tay-vao always comes with a price. Help arrives from an unexpected quarter—Senator James McCready offers the use of his family's medical foundation to investigate Alan's supposed power. If it truly exists, he will back Alan with the full weight of the Foundation's international reputation. Feeling that he has reached bottom and that things can only get better, Alan accepts McCready's offer. But he has only begun to pay. At the Publisher's request, this title is being sold without Digital Rights

Management Software (DRM) applied. Double Threat is a new stand-alone thriller from New York Times bestselling author F. Paul Wilson. Daley has a problem. Her 26-year life so far has been unconventional, to say the least, but now she's got this voice in her head. It claims to be a separate entity that's going to be sharing her body from now on. At first she thinks she's schizophrenic, then considers the possibility that maybe she really has been invaded - but by what? Medical tests turn up nothing, yet the voice persists... and won't stop talking! When she finally she accepts the

reality that she has a symbiont, she discovers that together they can cure people of the incurable. Maybe hosting a symbiont isn't such a bad thing. She retreats to a remote town in the southwest desert to hone her healing skills. But there she runs afoul of the Pendry clan, leaders of an obscure cult that worships the Visitors who inhabited the area millions of years ago. They plan to bring them back but believe Daley is the prophesied "Duad" who will undo all the cult's efforts. She must be eliminated. You know things are bad when the voice in your head is the only one you can trust. At the

Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Repairman Jack isn't your average appliance repairman--he fixes situations for people, often risking his own life. Jack has no last name, no social security number, works only for cash, and has no qualms when it comes to seeing that the job gets done. Dr. Alicia Clayton, a pediatrician who treats children with AIDS, is full of secrets, and she has just inherited a house that holds another. Haunted by painful memories, Alicia wants the house destroyed--but somehow everyone she enlists to help

ends up violently killed. The house holds a powerful secret, and Alicia's charmless brother Thomas seems willing to do anything to get his hands on that secret himself. But not if Repairman Jack can find it first! Legacies is the first thrilling novel in the Repairman Jack series from bestselling author F. Paul Wilson At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Dark City is the second of a new prequel trilogy, Repairman Jack: The Early Years by F. Paul Wilson. It's February 1992. Desert Storm is raging in Iraq but

twenty-two-year-old Jack has more pressing matters at home. His favorite bar, The Spot, is about to be sold out from under Julio, Jack's friend. Jack has been something of a tag-along to this point, but now he takes the reins and demonstrates his innate talent for seeing biters get bit. With a body count even higher than in Cold City, this second novel of the Early Years Trilogy hurtles Jack into the final volume in which all scores will be settled, all debts paid. Jason Arnopp - author of acclaimed cult hit The Last Days of Jack Sparks - returns with a razor-sharp thriller for a social-media obsessed world. Prepare to never

look at your phone the same way again . . . Kate Collins has been ghosted. She was supposed to be moving in with her new boyfriend Scott, but all she finds after relocating to Brighton is an empty apartment. Scott has vanished. His possessions have all disappeared. Except for his mobile phone. Kate knows she shouldn't hack into Scott's phone. She shouldn't look at his Tinder, his calls, his social media. But she can't quite help herself. That's when the trouble starts. Strange, whispering phone calls from numbers she doesn't recognize. Scratch marks on the walls that she can't

explain. And the growing feeling that she's being watched. Kate refuses to leave the apartment - she's not going anywhere until she's discovered what happened to Scott. But the deeper she dives into Scott's digital history the more Kate realizes just how little she really knows about the man she loves. For more from Jason Arnopp, check out: The Last Days of Jack Sparks The Tomb kicks off the Repairman Jack series that Stephen King calls "one of the best all-out adventure stories I've read in years." Much to the chagrin of his girlfriend, Gia, Repairman Jack doesn't deal with appliances. He fixes

situations—situations that too often land him in deadly danger. His latest fix is finding a stolen necklace which, unknown to him, is more than a simple piece of jewelry. Some might say it's cursed, others might call it blessed. The quest leads Jack to a rusty freighter on Manhattan's West Side docks. What he finds in its hold threatens his sanity and the city around him. But worst of all, it threatens Gia's daughter Vicky, the last surviving member of a bloodline marked for extinction. "One of the all-time great characters in one of the all-time great series." --Lee Child At the Publisher's

request, this title is being sold without Digital Rights Management Software (DRM) applied. A "Repairman Jack" novel. "Repairman Jack is one of my favorite characters--I'm full of happy anticipation every time I hold a new RJ novel in my hands." --Charlaine Harris, creator of True Blood The End of the World is at hand! Munir Habib's life has become a nightmare. His tormentor has warned Munir not to report the kidnapping of his family, or else they will pay a terrible price. A friend realizes something is terribly wrong and tells Munir he doesn't have to go to the cops. There's

a guy who fixes situations like this- Repairman Jack. Jack is backed into helping Munir despite his ongoing involvement in the cosmic shadow war between the Ally and the Otherness. Or perhaps because of it. He's chafing at being forced into the defensive role of protecting the Lady, the physical embodiment of the consciousness of the planet Earth. Meanwhile, the Septimus Order and the Kickers are seemingly working in concert on a plot to extinguish the Lady and open the way for the Otherness to take over our reality. To top it all off, Dawn Pickering finally goes into labor and delivers a baby she only glimpses as it's

whisked away, and is terrified by what she sees. Later she's told the baby died, but she doesn't believe it. Neither does Weezy. Neither does Jack. All these interlocking plots mean doom for humanity. But Jack never gives up or gives in. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. F. Paul Wilson's engaging, self-employed, off-the-books fixer, Repairman Jack, returns for another intense, action-packed adventure just a little over the border into the weird, in *The Haunted Air*. First introduced years ago in the bestseller *The*

Tomb, Jack has been the hero of a series of exciting novels set in and around New York City including *Legacies*, *Conspiracies*, *All the Rage*, and *Hosts*. "Repairman Jack is a wonderful character, ultracompetent but still vulnerable. Wilson strolls into X-Files territory and makes it his own, keeping the action brisk and the level of suspense steadily rising," said the *San Francisco Examiner & Chronicle*. In Astoria, Queens, the lively ethnic neighborhood just across the river from Manhattan, a house is being haunted by the ghost of a nine-year-old girl in riding clothes.

More than two decades before, she'd been abducted from stables in Brooklyn. Now it's up to Jack to uncover the truth of her story and liberate the pretty, blond spirit. Perhaps the answer is in the odd little store called the Shurio Coppe? Ah, but that would be telling. Jack does things no human being should be able to do, but we watch, in horrified fascination, as the forces of evil seem about to triumph and fill the world with eternal darkness. And then— - but you must read the book. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. This

Repairman Jack book from F. Paul Wilson, *Bloodline*, the eleventh in the series, follows the New York Times bestseller, *Harbingers*. Jack has been on hiatus since the events in *Harbingers*. With his lover Gia's encouragement he dips a toe back into the fix-it pool. Christy Pickering's eighteen-year-old daughter is dating Jerry Bethlehem, a man twice her age. Christy sensed something shady and sinister about him, so she hired a private investigator to look into his past. But the PI isn't returning her calls. Will Jack find out why? Jack learns there's a very good reason for the unreturned calls: The PI is

dead, a victim of a bizarre water-torture murder. As Jack delves into Jerry Bethlehem's past he learns that the man is not who he says he is. Who—and what—he is will have a devastating effect on Jack's life and future, adding another piece to the puzzle of who he really is and why he's been drafted into this cosmic shadow war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The most evil book ever conceived falls into the hands of the leader of the Spanish Inquisition in this ingenious bibliomystery from the bestselling creator of

Repairman Jack. In the fifteenth century, the Spanish Inquisition spreads terror throughout the land, with Prior Tomás de Torquemada serving as the ultimate judge of who will live and who will be consigned to the purifying flames. Never has Torquemada questioned his own faith or his sacred duty to rid the world of heretics, blasphemers, and nonbelievers. Now, however, an extraordinary volume has come into his possession—an ancient book that radiates pure evil. The prior realizes this abomination must be destroyed along with anyone

who has come into contact with it, for it is surely the devil's work, corrupting and possessing all those who touch it. But whom can Torquemada trust to help him achieve his mission now that The Compendium of Srem has passed through numerous hands . . . including his own? F. Paul Wilson is a writer who is at home working in many different genres, from medical thriller to science fiction to mystery to urban fantasy to horror. Now he travels back centuries in time to explore the secret history of a book of great and terrible power, an ancient volume of eldritch lore that plays a

substantial role in the author's popular Repairman Jack series of novels: The Compendium of Srem. The Bibliomysteries are a series of short tales about deadly books, by top mystery authors. From New York Times bestselling author F. Paul Wilson, Repairman Jack is back in the urban adventure thriller, Hosts. As his fans know, Repairman Jack doesn't deal with electronic appliances; he's a situation fixer, no matter how weird or deadly a situation may be. Repairman Jack has no last name, no Social Security number, and no qualms when it comes to getting

the job done--even if it means putting himself in serious danger. After fifteen years of separation, Jack is contacted by his long-lost sister, Kate, to help her track down the source of her girlfriend Jeanette's sudden trance-like behavior. Referred by a mysterious stranger who gives only Jack's name and phone number, Kate is shocked to find out that the "repairman" she seeks is none other than her little brother--and not altogether happy to find out what little "Jackie" has been doing with himself for all these years. With Jack leading the way, Kate finds out that Jeannette's behavior can be traced back to the

experimental therapy she underwent for a brain tumor: now Jeannette's brain and those of several other subjects are infected by a mutated virus. Like any good virus, it wants to multiply--and if Jack can't stop the virus in its path, there will be deadly results. Meanwhile, Jack is traveling on the 9 train when suddenly a passenger goes berserk and starts shooting at random--leaving Jack no choice but to throw himself into the spotlight by putting the shooter down. Worse for Jack, one of his fellow passengers is a reporter for the local tabloid, The Light, who sees Jack's heroism as

his ticket to journalistic stardom. The reporter promises to make Jack a celebrity hero, a household name--which could mean the end of Repairman Jack as we know him. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Vampires have always lived in Eastern Europe. But with the fall of the Soviet Union, they began to spread across the continent, then the world, turning whole populations into vampires--or human cattle. Having overrun India, the far East, and the great cities of North and South America, the forces

of Night are now spreading into the countryside to consolidate their conquest. In a town on the New Jersey shore, the vampires have just arrived, along with their human henchmen, the cowboys, who round up human cattle for the overlords in return for the promise of eternal life---later. For the vampires wish only a few of their own kind to rule, and feed. The rest of humanity are to be helpless herds, the source of the blood of life. Falsely accused of abuse, Father Dan is drunk in a basement waiting for the end. His superior has betrayed the local Catholic congregation and become a vampire.

Sister Carolyn has become a formidable killer of cowboys and vampires. Dan's niece, escaped from the conquest of New York, has made her way south to find him. Brought together by Rabbi Zev Wolpin, who is shaken by the vampires' fear of the cross and holy water, they plan their resistance. Against all odds, they discover that there just might be a way for humanity to really fight back. But first they will have to kill the vampire king of New York. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Ever come across a situation that simply wasn't

right—where someone was getting the dirty end of the stick and you wished you could make things right but didn't know how? Fourteen-year-old Jack knows how. Or rather he's learning how. He's discovering that he has a knack for fixing things. Not bikes or toys or appliances—situations.... It all starts when Jack and his best friends, Weezy and Eddie, discover a rotting corpse—the victim of ritual murder—in the fabled New Jersey Pine Barrens. Beside the body is an ancient artifact carved with strange designs. What is its secret? What is the secret of the corpse? What other mysteries

hide in the dark, timeless Pine Barrens? And who doesn't want them revealed? Jack's town, the surrounding Barrens, his friends, even Jack himself...they all have...Secret Histories. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Repairman Jack is back! An anonymous mercenary, with no last name and no social security number, Jack has thrilled a veritable army of readers ever since his bestselling debut in *The Tomb*. Jack can fix any problem, supernatural or otherwise, for a price. Now, in his latest gripping

adventure, he takes on two cases at once. The first involves a nun being blackmailed by someone who has photos of her she doesn't want made public. What's in those photos, she won't say, but with her meager savings just about exhausted, she hires Jack to help her. The second seems straightforward enough, as an elderly woman hires Jack to find her missing son. But to locate his quarry, Jack must infiltrate the inner reaches of the Dormalist Church, a secretive, globe-spanning cult whose members include some of the biggest and most powerful names in entertainment,

sports, and politics. Ruthless in its pursuit of critics and enemies, the Church hides a sinister agenda known only to its ruling elite. But Jack can be ruthless, too, going to darker lengths than ever before as he crisscrosses the two fix-it jobs to settle the deadliest of scores! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Jack is back. Wilson never said he was through with Repairman Jack. He said he was through turning in a new novel every year. He also said when a story came along that was right for Jack, he'd write it. *The Last Christmas*

is that story. It's late December between Ground Zero and Fatal Error, a winter of discontent for Jack who's perhaps spending too much time hanging at Julio's. An old contact, Edward Burkes, convinces him to take on a missing-person fix. As usual, nothing is as it seems, and the missing person isn't exactly a person. In fact, it's like nothing anyone has ever seen. And in the middle of all this, the mysterious Madame de Medici hires him to safeguard a valuable object. Simple, right? Not even close. Yep, Jack is back and, as usual, weird trouble is on his heels. Following *The Haunted Air*, New

York Times bestselling author F. Paul Wilson returns with another riveting episode in the saga of Repairman Jack, the secretive, ingenious, and heroic champion of those whose problems no one else can solve. In *Gateways*, Jack learns that his father is in a coma after a car accident in Florida. They've been on the outs, but this is his dad, so he heads south. In the hospital he meets Anya, one of his father's neighbors. She's a weird old duck who seems to know an awful lot about his father, and even a lot about Jack. Jack's arrival does not go unnoticed. A young woman named Semelee,

who has strange talents and lives in an isolated area of the Everglades with a group of misshapen men, feels his presence. She senses that he's "special," like her. Anya takes Jack back to Dad's senior community, *Gateways South*, which borders on the Everglades. Florida is going through an unusual drought. There's a ban on watering; everything is brown and wilting, but Anya's lawn is a deep green. Who is Anya? Who is Semelee, and what is her connection to the recent strange deaths of *Gateways* residents—killed by birds, spiders, and snakes during the past year? And what are the "lights" Jack keeps

hearing about?
Lights that emanate twice a year from a sinkhole deep in the Everglades . . . lights from another place, another reality. If he is to protect his father from becoming the next fatality at Gateways, there are questions Jack must answer, secrets he must uncover. Secrets . . . Jack has plenty of his own, and along the way he learns that even his father has secrets. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. When Jack's five-year-old neighbor, Cody, disappears after last being seen riding his bicycle near the Pine Barrens and then a

lost man is chased all night by something unidentifiable, teenage Jack and his friends investigate. An original graphic novel starring Repairman Jack - written by series Creator F. Paul Wilson and illustrated by Antonio (James Bond) Fuso. Got a problem? He can fix it. He thought he'd seen the last of the Rakoshi, but one has survived. A particularly cunning and deadly Rakosh known to Jack as Scar-Lip. Now, Jack faces the fights of his life as he seeks to end the creature once and for all, before it ends him! VERY LIMITED QUANTITIES! Rage, terror, and

redemption: these are the stones upon which F. Paul Wilson builds the concluding chapter of Repairman Jack: The Early Years, the prequel trilogy focusing on the formative years of Wilson's globally popular supernatural troubleshooter. The strands of Jack's life, established in the first two books, Cold City and Dark City, are now woven into a complete pattern. Centered around an obscure group of malcontents intent on creating a terrible explosion in New York City in 1993, Fear City shows the final stages of young Jack becoming Repairman Jack. It is a dark and terrible story, full of

plots and needless mayhem, with secret agents, a freelance torturer, a secret society as old as human history, love, death, and a very bleak triumph. Jack threads his way through this intricate maze, as people he loves are stripped away from him in a way that presages the later epic series of novels. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. From the #1 New York Times bestselling author of the Penn Cage series comes a gripping World War II thriller that "vaporizes almost every cliché about the limits of the genre...[it's] good

enough to read twice"(Kirkus Reviews). It is January 1944—and as Allied troops prepare for D-Day, Nazi scientists develop a toxic nerve gas that will repel and wipe out any invasion force. To salvage the planned assault, two vastly different but equally determined men are sent to infiltrate the secret concentration camp where the poison gas is being perfected on human subjects. Their only objective: destroy all traces of the gas and the men who created it—no matter how many lives may be lost...including their own. The ninth Repairman Jack novel from F. Paul Wilson brims with

murder, international terrorism, sibling rivalry, and a truly infernal device. A mutual tragedy throws Jack together with his brother Tom, a judge from Philadelphia. They've never been close, and it doesn't take Jack long to realize that's a good thing. Tom and he are opposites. Still, Tom convinces Jack to go on a trip to get to know each other better. He has a map locating a wreck off the coast of Bermuda and wants Jack to help him find it. Reluctantly Jack agrees. But instead of treasure they find a strange object, part organic, part manmade, known as the Lilitongue of

Gefreda. Ancient lore claims that it is a means "to elude all enemies and leave them helpless." The big question is, why does Tom want such a thing? And if the Lilitongue lives up to the legend, where does it take you? No one seems to know. Matters take a bizarre and dangerous turn-no surprise for a Repairman Jack novel--when someone accidentally activates the Lilitongue. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Repairman Jack returns to investigate the disappearance of a well-known conspiracy theorist,

journeying into a world where aliens are real, the government is up to no good, and apocalypse is just around the corner. This is the way the world ends...not with a bang but a scream in the dark. It begins at dawn, when the sun rises late. Then the holes appear. The first forms in Central Park, in sight of an apartment where Repairman Jack and a man as old as time watch with growing dread. Gaping holes, bottomless and empty...until sundown, when the first unearthly, hungry creatures appear. Nightworld brings F. Paul Wilson's Adversary Cycle and Repairman Jack saga to an

apocalyptic finale as Jack and Glaeken search the Secret History to gather a ragtag army for a last stand against the Otherness and a hideously transformed Rasalom. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The story of the Pacific conflict as seen through the eyes of two families with little in common but pride, and of four people torn between love and honor. In The Void Protocol, New York Times bestselling author F. Paul Wilson concludes his medical thriller trilogy featuring Rick Hayden and Laura Fanning as they confront the

entities responsible for the supernatural events of Panacea and The God Gene. Something sits in a bunker lab buried fifty feet below the grounds of Lakehurst Naval Air Station. The product of the Lange-Tür technology confiscated from the Germans after World War II occupies a chamber of steel-reinforced ballistic glass. Despite experimentation for nearly three-quarters of a century, no one knows what it is, but illegal human research reveals what it can do. Humans with special abilities have been secretly collected—abilities that can only have come from

whatever occupies the underground bunker in Lakehurst. And so it sits, sequestered on the edge of the New Jersey Pine Barrens, slowly changing the world. F. Paul Wilson is the winner of the Career Achievement in Thriller Fiction in the 2017 RT Reviewers' Choice Best Book Awards The ICE Sequence #1 Panacea #2 The God Gene #3 The Void Protocol Jack finds the secret behind 9/11 in this dark thriller in the bestselling Repairman Jack series
