Stop Whining, Start Living Dr. Laura Schlessinger, Laura Schlessinger, 2008-03-11 Dr Laura Schlessinger agrees that there are things worth whining about. A certain amount of whining allows for some venting of reasonable pain, disappointment, fear, frustration, or frank rage. However, staying stuck in whining mode can become a life-long problem. This is where Dr Laura steps in with *Stop Whining Start Living* to help folks conquer the temptation to retreat from living life to the fullest. As she reveals in her introduction, "No matter what you've suffered or continue to suffer while you are alive, you have the opportunity to get something from this life, and I'm going to do my best to help you with that. I know of what I speak, as this has been my torturous journey also." Building on the principles developed during her long career as a licensed marriage and family therapist and addressing the chronic struggles of so many of her listeners and readers, Dr Laura issues an important message in the no-nonsense but compassionate voice that is her trademark: "If you don't like your life, quit talking about your unhappiness and try to fix it, no matter how difficult or impossible your situation seems. While it is healthy to vent occasionally, endless rumination on the negative only keeps you paralyzed in misery, reinforces hopelessness, and demoralizes those around you who feel helpless to bring any happiness into your life. Instead, *Stop Whining Start Living* encourages whiners to reject negative thoughts, emotions, and attitudes, shift perspective, open up to gratitude and goodness, and embrace obligations to loved ones and the world in general. Before long, just doing what you're supposed to be doing instead of moaning about why you can't or won't or shouldn't fulfill your responsibilities will have you feeling better about yourself and will uplift your interactions with family, friends, colleagues, and even complete strangers in incredible ways. Illustrated by calls and letters from members of Dr Laura's huge international audience, *Stop Whining Start Living* features brave testimonials from real human beings facing real challenges. These folks have benefited enormously from Dr Laura's powerful lessons. *Stop Whining Start Living* gives readers stuck in their suffering the jump start they need to break out of reactive mode and get proactive, moving in the direction of a joyful, meaningful, happy, fulfilling, and purposeful future. Everyone can use a kick in the pants, sometimes, and Dr Laura, who preaches, teaches, and nags to millions every day on her radio program, is here to deliver it."

How Could You Do That?! Dr. Laura Schlessinger, 2009-10-13 *How Could You Do That?* illustrates Dr Laura Schlessinger's philosophy of personal responsibility through her usually provocative but always stimulating moral dialogues with callers about everyday ethical dilemmas. In her lively, pull-no-punches style, Dr Laura takes on the moral dilemmas of our time, from the mindless pursuit of pleasure and immediate gratification to taking the easy way out when those actions produce uncomfortable, life-altering consequences. She demonstrates, in no uncertain terms, that personal values are never someone else's responsibility but your own, and why choosing not to honor them compounds unhappiness. Dr Laura delivers not only a compelling argument for an ethical approach to life but also an invaluable inspiration to rebuilding character, conscience, and courage. Here is a work that can make a genuine difference in the quality of your own life and the lives of those we love.
