Prentice Hall Literature, Penguin Edition ((c)2007) components for Grade 6. "From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares." --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America A Penguin Classic From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, *The Penguin Book of Hell* takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's *Inferno*, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an

eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death. For more than seventy-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 2,000 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

NEW YORK TIMES BESTSELLER • The million-copy bestseller *Lilac Girls* introduced the real-life heroine Caroline Ferriday. Now *Lost Roses*, set a generation earlier and also inspired by true events, features Caroline's mother, Eliza, and follows three equally indomitable women from St. Petersburg to Paris under the shadow of World War I. "Not only a brilliant historical tale, but a love song to all the ways our friendships carry us through the worst of times."—Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours*

It is 1914, and the world has been on the brink of war so often, many New Yorkers treat the subject with only passing interest. Eliza Ferriday is thrilled to be traveling to St. Petersburg with Sofya Streshnayva, a cousin of the Romanovs. The two met years ago one summer in Paris and became close confidantes. Now Eliza embarks on the trip of a lifetime, home with Sofya to see the splendors of Russia: the church with the interior covered in jeweled mosaics, the Rembrandts at the tsar's Winter Palace, the famous ballet. But when Austria declares war on Serbia and Russia's imperial dynasty begins to fall, Eliza escapes back to America, while Sofya and her family flee to their country estate. In need of domestic help, they hire the local fortune-teller's daughter, Varinka, unknowingly bringing intense danger into their household. On the other side of the Atlantic, Eliza is doing her part to help the White Russian families find safety as they escape the revolution. But when Sofya's letters suddenly stop coming, she fears the worst for her best friend. From the turbulent streets of St. Petersburg and aristocratic countryside estates to the avenues of Paris where a society of fallen Russian émigrés live to the mansions of Long Island, the lives of Eliza, Sofya, and Varinka will intersect in profound ways. In her newest powerful tale told through female-driven perspectives, Martha Hall Kelly celebrates the unbreakable bonds of women's friendship, especially during the darkest days of history. An American woman and her son unearth the buried secrets and past lives of an English manor house in this masterful and riveting novel from New York Times bestselling author Lauren Belfer. "Infused with the brooding, gothic atmosphere of *Jane Eyre* or *Rebecca* . . . a novel that must be savored, one page at a time."—Melanie Benjamin, author of *The Children's Blizzard*

ONE OF THE BEST BOOKS OF THE YEAR: The New York Times "How many lives can you imagine yourself living?" So Hannah Larson wonders.

When a close relative falls ill, Hannah and her young son, Nicky, decide to join him for the summer at Ashton Hall, a historic manor house outside Cambridge, England. Hannah gave up her academic career to raise her beloved child, who is neurodivergent and experiences the world differently from others, and she's grateful to escape her life in New York City, where her marriage has been upended by a devastating betrayal. Soon after their arrival, ever-curious Nicky discovers the skeletal remains of a woman in a forgotten, walled-off wing of the manor, and Hannah is pulled into an all-consuming quest for answers. Working from clues in centuries-old ledgers and the personal papers of the long-departed family, Hannah begins to re-create the Ashton Hall of the Elizabethan era in all its color and conflict. As the secrets of her own life begin to unravel, and the rewards and complications of being Nicky's mother come into focus, Hannah realizes that Ashton Hall's women before her had lives not so different from her own. She confronts what women throughout history have had to do to control their own destinies and protect their children. Rich with passion, strength, and ferocity across the ages, Ashton Hall is a novel that reveals how the most profound hauntings are within ourselves. Jesus is the Reset is a 64 page booklet. Look for the complete book, Reset: Jesus Changes Everything also by Nick Hall. Jesus Is the Reset is an invitation to a second chance—a do-over—to get beyond past missteps and failures and present confusion and discontent. Whether your struggle has been with such things as faith, hope, purity, habits, plans, self-image, or relationships, Nick Hall looks to God's Word to address the traps we fall into and clarify the practical ways we can get out. If you're feeling stuck, it's time for a reset—so you can embrace life as it was meant to be. Set in an incarceration camp where the United States cruelly detained Japanese Americans during WWII and based on true events, this moving love story finds hope in heartbreak. To fall in love is already a gift. But to fall in love in a place like Minidoka, a place built to make people feel like they weren't human—that was miraculous. After the bombing of Pearl Harbor, Tama is sent to live in a War Relocation Center in the desert. All Japanese Americans from the West Coast—elderly people, children, babies—now live in prison camps like Minidoka. To be who she is has become a crime, it seems, and Tama doesn't know when or if she will ever leave. Trying not to think of the life she once had, she works in the camp's tiny library, taking solace in pages bursting with color and light, love and fairness. And she isn't the only one. George waits each morning by the door, his arms piled with books checked out the day before. As their friendship grows, Tama wonders: Can anyone possibly read so much? Is she the reason George comes to the library every day? Maggie Tokuda-Hall's beautifully illustrated, elegant love story features a photo of the real Tama and George—the author's grandparents—along with an afterword and other back matter for readers to learn more about a time in our history that continues to resonate.
