Polomé,1967 [Brand New Justice](#) Simon Anholt,2006-08-11 Recently vilified as the prime dynamic driving home the breach between poor and rich nations here the branding process is rehabilitated as a potential saviour of the economically underprivileged Brand New Justice now in a revised paperback edition systematically analyses the success stories of the Top Thirteen nations demonstrating that their wealth is based on the last mile of the commercial process buying raw materials and manufacturing cheaply in third world countries these countries realise their lucrative profits by adding value through finishing packaging and marketing and then selling the branded product on to the end user at a hugely inflated price The use of sophisticated global media techniques alongside a range of creative marketing activities are the lynchpins of this process Applying his observations on economic history and the development and impact of global marketing Anholt presents a cogent plan for developing nations to benefit from globalization So long the helpless victim of capitalist trading systems he shows that they can cross the divide and graduate from supplier nation to producer nation Branding native produce on a global scale making a commercial virtue out of perceived authenticity and otherness and fully capitalising on the last mile benefits are key to this graduation and fundamental to forging a new global economic balance Anholt argues with a forceful logic but also backs his hypothesis with enticing glimpses of this process actually beginning to take place Examining activities in India Thailand Russia and Africa among others he shows the risks challenges and pressures inherent in turning the tide but above all he demonstrates the very real possibility of enlightened capitalism working as a force for good in global terms [World War Z](#) Max Brooks,2013 An account of the decade long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival in a novel that is the basis for the June 2013 film starring Brad Pitt Reissue Movie Tie In **Halliwell's Film, Video & DVD Guide**
