Ideal for use in class or at home. Christmas Gift!, a master story-teller's
moving personal reminiscence, discovers the very essence of the holiday
season. The wonder and excitement of childhood combine with the
wisdom and reverence of maturity to produce tale rich in tradition and
continuity. Interweaving his memories of boy-hood Christmases in the
dark days of the Depression and the details of present-day holidays with
his grand-children, Ferrol Sams demonstrates the deep, inescapable role
of rituals in our lives and the importance of passing them on to each

succeeding generation. Rich with details as true today as they were more than a half-century ago when Sams was growing up, Christmas Gift! is a grandfather's loving preservation of an important ritual of his childhood. Strapped for material resources adequate to their generous spirits, members of the Sams household would greet each other with the joyous cry of "Christmas gift!" in order to share the tidings of the season and celebrate their connection. Fifty years later, in a moving and powerful rite of passage, Sams initiates his grandchildren in the ways of family and tradition by sharing his story and by taking them to their great-grandfather's grave early on a clear Christmas morning to shout forth the ancient cry: "Christmas gift! Christmas gift!" Sams is in rare form in this tale that will warm hearts, create laughter and tears, and earn a place in the center of Christmas celebrations for years to come. Experience anew the miracle of Christmas—and one special baby A young girl, a decidedly unplanned pregnancy, and one miraculous little baby—it's an amazing story, one that sometimes gets buried under the tinsel of Christmas. That is, until something causes us to pause and reconsider the true magic of the holiday season. A Baby Changes Everything celebrates that baby in the manger in a fresh new way. Lyrics to Faith Hill's song "A Baby Changes Everything" are joined by reflective stanzas on the wonder of God's love and the Christmas season, how a baby can change our lives in an instant, and how one Baby changed the world forever. Along with the accompanying audio CD, A Baby Changes Everything makes for a beautiful expression of all that is wonderful about Christmas. A Christmas-themed novelette geared to inspire holiday excitement in all readers. This fictional story is interwoven with the New Testament account of Christ's birth, death and resurrection. Scientific and philosophical themes add an extra level of interest for the sophisticated reader. The book is lavishly illustrated and has an associated audio version with a reading accompanied by a musical score. (Essential Elements Band Folios). A collection of Christmas arrangements which can be played by full band or by individual soloists with optional CD accompaniment. Each song is correlated with a specific page in the Essential Elements Method Books. Includes: Jingle Bells * We

Wish You a Merry Christmas * The Chanukkah Song * Rudolph, the Red-Nosed Reindeer * and many more! Christmas from Heaven is the story of the humble beginnings of what became a beacon of hope to a war-torn land, the story of Gail Halvorsen, a young pilot in the US Army Air Corps who was assigned as a cargo pilot to the Berlin Airlift, in which US forces flew much-needed supplies into a Soviet-blockaded Berlin. As he performed his duties, Lt. Halvorsen began to notice the German children gathered by the fences of Tempelhof Air Base. Knowing that they had very little, he one day offered them some chewing gum. From that small act, an idea sprang: He would "bomb" Berlin with candy. Fashioning small parachutes, he and his crew sent them floating down as they approached the Berlin airport, wiggling the wings of their C-54 as a signal to the children that their anticipated cargo would soon arrive. Lt. Halvorsen became known by hundreds, if not thousands, of children in Berlin as "Uncle Wiggly Wings" or "The Candy Bomber." Word soon spread, and donations of candy and other supplies poured in from sympathetic Americans. Lt. Halvorsen's small idea became a great symbol of hope not only to German children in a bombed-out city but to all those who yearned for freedom. In a heartwarming novel that is destined to become a Christmas classic, acclaimed author Elvira Woodruff tells the story of two orphaned sisters whose lives are forever changed by a magical doll.
