Christian Nation Frederic C Rich

*Christian Nation* Frederic C. Rich,2013-07 When President McCain dies and Sarah Palin becomes president America stumbles down a path toward theocracy realizing too late that the Christian right meant precisely what it said

*Getting to Green* Frederic C Rich,2016-04-19 Regardless of your place on the political spectrum there is much to admire in this book which reminds us that the stewardship of nature is an obligation shared by all Americans U S Senator Angus S King Jr The Green movement in America has lost its way Pew polling reveals that the environment is one of the two things about which Republicans and Democrats disagree most Congress has not passed a landmark piece of environmental legislation for a quarter century As atmospheric CO2 continues its relentless climb even environmental insiders have pronounced the death of environmentalism In *Getting to Green* Frederic C Rich argues that meaningful progress on urgent environmental issues can be made only on a bipartisan basis Rich reminds us of American conservation s conservative roots and of the bipartisan political consensus that had Republican congressmen voting for and Richard Nixon signing the most important environmental legislation of the 1970s He argues that faithfulness to conservative principles requires the GOP to support environmental protection while at the same time he criticizes the Green movement for having drifted too far to the left and too often appearing hostile to business and economic growth With a clear eyed understanding of past failures and a realistic view of the future *Getting to Green* argues that progress on environmental issues is within reach The key is encouraging Greens and conservatives to work together in the space where their values overlap what the book calls Center Green Center Green takes as its model the hugely successful national land trust movement which has retained vigorous bipartisan support Rich s program is pragmatic and non ideological It is rooted in the way America is not in a utopian vision of what it could become It measures policy not by whether it is the optimum solution but by the two part test of whether it would make a meaningful contribution to an environmental problem and whether it is achievable politically Application of the Center Green approach moves us away from some of the harmful orthodoxies of mainstream environmentalism and results in practical and actionable positions on climate change energy policy and other crucial issues This is how we get to Green

**Escape from Extinction** Frederic Rich,2020-06-27 A novel

*The National System of Political Economy* Friedrich List,1904

**Life and Times of Frederick Douglass** Frederick Douglass,1882 Frederick Douglass recounts early years of abuse his dramatic escape to the North and eventual freedom abolitionist campaigns and his crusade for full civil rights for former slaves It is also the only of Douglass s autobiographies to discuss his life during and after the Civil War including his encounters with American presidents such as Lincoln Grant and Garfield

**The Law of Nations** Emer de Vattel,1856

**Chewing the Fat** Jay Rayner,2021-08-31 Why are gravy stains on your shirt at the dinner table to be admired Does bacon improve everything And is gin really the devil s work In this rollicking collection of his hilarious columns the award winning writer and Observer restaurant critic Jay Rayner answers these vital questions and many many more They are glorious dispatches seasoned in equal measure with both enthusiasm and bile from decades at the very frontline of eating

The Beautiful Country and the Middle Kingdom John Pomfret,2016-11-29 A remarkable history of the two centuries old relationship between the United States and China from the Revolutionary War to the present day From the clipper ships that ventured to Canton hauling cargos of American ginseng to swap Chinese tea to the US warships facing off against China s growing navy in the South China Sea from the Yankee missionaries who brought Christianity and education to China to the Chinese who built the American West the United States and China have always been dramatically intertwined For more than two centuries American and Chinese statesmen merchants missionaries and adventurers men and women have profoundly influenced the fate of these nations While we tend to think of America s ties with China as starting in 1972 with the visit of President Richard Nixon to China the patterns rapturous enchantment followed by angry disillusionment were set in motion hundreds of years earlier Drawing on personal letters diaries memoirs government documents and contemporary news reports John Pomfret reconstructs the surprising tragic and marvelous ways Americans and Chinese have engaged with one another through the centuries A fascinating and thrilling account The Beautiful Country and the Middle Kingdom is also an indispensable book for understanding the most important and often the most perplexing relationship between any two countries in the world

**Freud** Frederick Crews,2017-08-22 From the master of Freud debunkers the book that definitively puts an end to the myth of psychoanalysis and its creator Since the 1970s Sigmund Freud s scientific reputation has been in an accelerating tailspin but nonetheless the idea persists that some of his contributions were visionary discoveries of lasting value Now drawing on rarely consulted archives Frederick Crews has assembled a great volume of evidence that reveals a surprising new Freud a man who blundered tragically in his dealings with patients who in fact never cured anyone who promoted cocaine as a miracle drug capable of curing a wide range of diseases and who advanced his career through falsifying case histories and betraying the mentors who had helped him to rise The legend has persisted Crews shows thanks to Freud s fictive self invention as a master detective of the psyche and later through a campaign of censorship and falsification conducted by his followers A monumental biographical study and a slashing critique Freud The Making of an Illusion will stand as the last word on one of the most significant and contested figures of the twentieth century

**France and the German Question, 1945-1990** Frédéric Bozo,Christian Wenkel,2019-07-12 In the immediate aftermath of World War Two the victors were unable to agree on Germany s fate and the separation of the country the result of the nascent Cold War emerged as a de facto if provisional settlement Yet East and West Germany would exist apart for half a century making the German question a central foreign policy issue and given the war torn history between the two countries this was felt no more keenly than in France Drawing on the most recent historiography and previously untapped archival sources this volume shows how France s approach to the German question was for the duration of the Cold War both more constructive and consequential than has been previously acknowledged

Prominent Families of New York Lyman Horace Weeks,1898

The Rich and the Rest of Us Tavis Smiley, Cornel West, 2012-04-17 Record unemployment and rampant corporate avarice empty houses but homeless families dwindling opportunities in an increasingly paralyzed nation these are the realities of 21st century America land of the free and home of the new middle class poor Award winning broadcaster Tavis Smiley and Dr Cornel West one of the nation's leading democratic intellectuals co hosts of Public Radio's Smiley West now take on the P word poverty The Rich and the Rest of Us is the next step in the journey that began with The Poverty Tour A Call to Conscience Smiley and West's 18 city bus tour gave voice to the plight of impoverished Americans of all races colors and creeds With 150 million Americans persistently poor or near poor the highest numbers in over five decades Smiley and West argue that now is the time to confront the underlying conditions of systemic poverty in America before it's too late By placing the eradication of poverty in the context of the nation's greatest moments of social transformation such as the abolition of slavery woman's suffrage and the labor and civil rights movements ending poverty is sure to emerge as America's 21st century civil rights struggle As the middle class disappears and the safety net is shredded Smiley and West building on the legacy of Martin Luther King Jr ask us to confront our fear and complacency with 12 poverty changing ideas They challenge us to re examine our assumptions about poverty in America what it really is and how to eliminate it now

*Narrative of the Life of Frederick Douglass, an American Slave* Frederick Douglass, 2018-08-09 Narrative of the Life of Frederick Douglass an American Slave Frederick Douglass wrote in 1845 It's an autobiographic story about slavery and freedom constant aim to run away from the owner and at last become a free man One failure follows another one But in the end the fortune favours Douglass and he runs away on a train to the north New York It would seem he is free now Suddenly he realises that his journey isn't finished yet He understands that even after he got free he can't be at real liberty until the slavery is abolished in the USA
