**Q:** As an international ambassador, do you believe that speaking English should be a pre-requisite to being Miss Universe? Why or why not?

**A:** For me, being Miss Universe is not just about knowing how to speak a specific language. It's being able to influence and inspire other people. So whatever language you have, as long as your heart is to serve and you have a strong mind to show to people, then you can be Miss Universe.

Colleen Ballerion Cohen, Richard Wilk, Beverly Stoeltje, 2013-09-13 Modern beauty contests were invented by P T Barnum in the United States but in the 20th century pageants and contests have spread across the entire world from Nepal to Tierra Del Fuego Why are women and sometimes men in drag parading on stage such a universally appealing spectacle attracting an audience in the billions This book is the first global comparison of pageants from different parts of the world at the ways each contest is both intensely local and unique and simultaneously global and remarkable repetitive The authors use the latest tools of feminist ethnographic and literary scholarship to unpack and interpret one of the greatest and most universal spectacles of modern times *There She Was* Amy Argetsinger, 2022-11-08 A Washington Post style editor's fascinating and irresistible look back on the Miss America pageant as it approaches its 100th anniversary The sash The tears The glittering crown And of course that soaring song For all its pomp and kitsch the Miss America pageant is indelibly written into the American story of the past century From its giddy origins as a summer's end tourist draw in Prohibition era Atlantic City it blossomed into a televised extravaganza that drew tens of millions of viewers in its heyday and was once considered the highest honor that a young woman could achieve For two years Washington Post reporter and editor Amy Argetsinger visited pageants and interviewed former winners and contestants to unveil the hidden world of this iconic institution *There She Was* spotlights how the pageant survived decades of social and cultural change collided with a women's liberation movement that sought to abolish it and redefined itself alongside evolving ideas about feminism For its superstars Phyllis George Vanessa Williams Gretchen Carlson and for those who never became household names Miss America was a platform for women to exercise their ambitions and learn brutal lessons about the culture of fame Spirited and revelatory *There She Was* charts the evolution of the American woman from the Miss America catapulted into advocacy after she was exposed as a survivor of domestic violence to the one who used her crown to launch a congressional campaign from a 1930s winner who ran away on

the night of her crowning to a present day rock guitarist carving out her place in this world Argetsinger dissects the scandals and financial turmoil that have repeatedly threatened to kill the pageant and highlights the unexpected sisterhood of Miss Americas fighting to keep it alive Beauty Queen Anvita Sudarshan,2022-12-30 Beauty Queen The Pathway to Pageantry is a one stop sourcebook on everything you ever wanted to know about pageantry its meaning history inner mechanics organisation and required preparedness The book throws light on the history of pageantry and gives a very real account of what to expect at a pageant the good and the bad It explains in detail every aspect of pageant preparedness such as body grooming nutrition wardrobe catwalk interview and judges perspectives while drawing on a number of examples about what worked for people and what did not Bringing in information from the author s personal experiences the book is the first of its kind and a unique attempt in presenting pageantry as a composition of science art and grace in equal proportions It s not just for aspiring beauty queens but also for every individual who wants to look and feel healthy and beautiful *Pageant* Albert Evans,Bill Russell, Frank Kelly, Robert Longbottom,1998 Judges selected from the audience actually vote and determine the winner who therefore may be different at each performance The show takes its shots not by mocking the pageant from the outside but by being one The six contestants compete for the title of Miss Glamouresse Glamouresse being a cosmetics company Miss Deep South Miss West Coast Miss Great Plains Miss Bible Belt Miss Industrial Northeast and Miss Texas and compete in evening gowns talent swim wear and spokemodeling plus the finalists answer actual calls from the Glamouresse Beauty Crisis Hotline **"There She Is, Miss America"** Elwood Watson,Darcy Martin,2004-08-21 Publisher Description

**Here She Is** Hilary Levey Friedman,2020-08-25 A fresh exploration of American feminist history told through the lens of the beauty pageant world Many predicted that pageants would disappear by the 21st century Yet they are thriving America s most enduring contest Miss America celebrates its 100th anniversary in 2020 Why do they persist In Here She Is Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition She traces the role of pageants in many of the feminist movement s signature achievements including bringing women into the public sphere helping them become leaders in business and politics providing increased educational opportunities and giving them a voice in the age of MeToo Using her unique perspective as a NOW state president daughter to Miss America 1970 sometimes pageant judge and scholar Friedman explores how pageants became so deeply embedded in American life from their origins as a P T Barnum spectacle at the birth of the suffrage movement through Miss Universe s bathing beauties to the talent and achievement based competitions of today She looks at how pageantry has morphed into culture everywhere from The Bachelor and RuPaul s Drag Race to cheer and specialized contests like those for children Indigenous women and contestants

with disabilities Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies including Miss America's ableist and racist history Trump's ownership of the Miss Universe Organization and the death of child pageant winner JonBenét Ramsey Presenting a more complex narrative than what's been previously portrayed Here She Is shows that as American women continue to evolve so too will beauty pageants
