How to enjoy your own company. Living alone is often regarded as a sad or lonely experience characterized by some form of social failure. But Jane Matthews seeks to transcend this stigma by providing practical and positive tips for those who want to build a fulfilling life on their own. Written with single women in mind, *The Art of Living Alone* (2018) demonstrates that living alone doesn't have to be sad and it definitely doesn't mean you're a failure! alone as the ultimate compromise or the ultimate luxury, it presents daily challenges, such as cooking for one, organising holidays, juggling finances, and avoiding the siren call of wine, Ugg boots and Netflix. And there are the less tangible tests, like nailing the octopus of loneliness to the wall, and holding your head high in a society where solo living is viewed (consciously or not) as the runner-up prize. Author Jane Matthews believes that to be truly content living alone, it pays to examine every aspect of your life-relationships, health, home, finances, interests and spirituality-and then take action. No matter what your unique situation, there's something here for you. Jane provides the map and you choose the route to a more joyful, contented life. Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live. Single, less stressed, and free If you're tired of swiping through dating apps, ghosting, and

hearing well-meaning questions about why you're still single, it's hard not to feel "less-than" because you haven't found your soul mate. Until now. *How to Be Single and Happy* is an empowering, compassionate guide to stop overanalyzing romantic encounters, get over regrets or guilt about past relationships, and identify what you want and need in a partner. But this isn't just another dating book. Drawing on her extensive expertise as a clinical psychologist, as well as the latest research, hundreds of patient interviews, and key principles in positive psychology, Dr. Jennifer Taitz challenges the most common myths about women and love (like the advice to play hard to get). And while she teaches how to skillfully date, she'll also help you cultivate the mindset, values, and connections that ensure you'll live your best, happiest life, whether single or coupled up. Honjokis the South Korean term for loners and for those who undertake activities alone. Living and being alone is a growing, global phenomenon fed in part by the isolation that social media and technology can bring and by more people opting to remain single. This beautiful and timely book analyzes the trend and explains the difference between lonely and alone; how introspection can present opportunities for self-discovery and building self esteem and how solitude can be nurtured to help foster more happiness and fulfillment. Giving practical, psychological and inspirational support, this book will help those embarking on their solo adventure to embrace solitude and independence with confidence. *Surviving & Thriving Solo* is a light-hearted look at living alone. It is intended for men and women of all ages who live on their own, whether single, separated, divorced or widowed, and those who help them to survive and thrive, such as friends, relatives and acquaintances. The book offers a wealth of suggestions for coping with the challenges like loneliness and chores plus tips for enjoying the opportunities to pursue creative hobbies and build rewarding relationships. Also included is an annotated reading list for further exploration of issues related to living alone. The author shares many personal anecdotes. The text is easy and fun to read. The style is friendly and the tone is optimistic. There are checklists of choices—both realistic and whimsical,

accompanied by humorous illustrations. *Surviving & Thriving Solo* is guaranteed to inform, inspire and entertain you. Oscar Wilde expresses the essence of living alone successfully with his line: "To love oneself is the beginning of a life-long romance." The book celebrates this romance as the author emphasizes accepting and caring for yourself and everything in your life. You will feel empowered as you discover that you always have options to create a rich and satisfying life in all situations. Millions of Americans are living fulfilling lives without partners today. This book profiles twelve. "Singles, be prepared to be inspired, uplifted, and validated by reading this book. It shows the single lifestyle as (contrary to popular opinion) an opportunity to live a meaningful and fulfilling life." Jean Zartner, Author of *Upside of Being Single* "Living alone does not mean being isolated as Stanley Ely illustrates in these fascinating interviews with a diverse group of people. Here we get to know how single people stay connected and remain involved with their passions and interests. Read their stories, see how they create full lives, and get ideas that you can use to enrich your own life."-Peter M. Nardi, Ph.D., Professor of Sociology and author, Pitzer College. "If anyone has a lingering regret about not sharing his life with another, Stanley Ely's true stories will dispel that cloud. Anyone without a partner can use this book to find a way through the forest or reinforce the path already taken."-Pauline Graivier, The Dallas Morning News columnist and personal communications consultant. The former Sex & Relationships Editor for *Cosmopolitan* and host of the wildly popular comedy show *Tinder Live with Lane Moore* presents her poignant, funny, and deeply moving first book. Lane Moore is a rare performer who is as impressive onstage—whether hosting her iconic show *Tinder Live* or being the enigmatic front woman of *It Was Romance*—as she is on the page, as both a former writer for *The Onion* and an award-winning sex and relationships editor for *Cosmopolitan*. But her story has had its obstacles, including being her own parent, living in her car as a teenager, and moving to New York City to pursue her dreams. Through it all, she looked to movies, TV, and music as the family and support systems she never had. From

spending the holidays alone to having better “stranger luck” than with those closest to her to feeling like the last hopeless romantic on earth, Lane reveals her powerful and entertaining journey in all its candor, anxiety, and ultimate acceptance—with humor always her bolstering force and greatest gift. How to Be Alone is a must-read for anyone whose childhood still feels unresolved, who spends more time pretending to have friends online than feeling close to anyone in real life, who tries to have genuine, deep conversations in a roomful of people who would rather you not. Above all, it’s a book for anyone who desperately wants to feel less alone and a little more connected through reading her words. When the echo of one’s heartbeat is the sole intimate companion, one is trapped within the confines of hollow loneliness, unable to communicate fears, yearnings and pain. The Three Secrets of Living Alone, written for seniors, reveals this lonely inner world and offers proven solutions to the silent suffering. This book silences the suffering. A crisp blueprint for managing the sorrow, the book illuminates the darkness seniors reluctantly enter at the intersection of aging, and, simultaneously, losing a partner. Struggling with the staggering vision of facing the future alone is a wrenching experience. The unique suffering requires unique assistance. The Three Secrets of Living Alone guides readers from the sorrowful beginnings through the process of renewal and recovery. In detailed steps it shows how to: eradicate loneliness, deal with uncertainty, face fears, regain independence, and find fulfillment. Living alone following the end of a long-term relationship? This book is for you. Living on your own, after having shared your life with someone else for a long time, can be challenging. Not only do you have to look after yourself physically, you also need to face the demons of boredom and loneliness. In Living Alone, you’ll find all the content from the three books in the Living Alone series: - After She’s Gone - Cooking 4 One - Sanity Savers After reading Living Alone, you’ll have all the information you need to look after yourself physically, mentally and emotionally. Not only will you find out how easy it is to cook for yourself, you’ll also discover seven boredom-busting strategies for using your alone time, each illustrated with numerous tips. You will

also find two strategies for avoiding loneliness, which highlight the value of committing to personal growth and engaging with others. Living Alone is a reminder that being on your own does not mean you have to stay home alone. Be kind to yourself - buy a copy today! Living Life While Navigating the Death of a Loved One If you recently lost a loved one, How to Go On Living When Someone You Love Dies is the lifeline you are seeking. Dr. Therese Rando’s compassionate and comprehensive guide will help you navigate the storm and find your way back to solid ground. Whether dealing with sudden loss or mourning a long-anticipated passing, this book acknowledges that each person’s journey through grief is unique. It equips its readers with the tools to understand and address their grief, communicate with children about death, attend to any unfinished business, and find support and other resources to help them move forward with their lives. Dr. Rando emphasizes the importance of self-care and encourages the acceptance of appropriate help and support from others. She provides practical strategies for managing grief during difficult times like the holidays, for planning funerals, and for creating meaningful personal rituals. First published in the late 1980s, Dr. Rando’s book is an enduring guide to the emotional, practical, and spiritual aspects of loss. With decades of clinical experience and international acclaim, she is a leading expert on the grieving process. While this guide is intended for people who have lost a loved one, it is also a resource for carers, or anyone else, who wish to support someone navigating the path of bereavement. In the face of loss, this book is not just about surviving, but about living—truly and fully. What can you uniquely give the world? We often sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special - our distinctive passions and talents - to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find

the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to: - Recognize your innate strengths - Acquire the skills needed to nurture your best self - Identify and navigate past societal limitations often placed upon women - Strengthen your brand both personally and professionally - Build a supportive and healthy community - Cultivate effortless style - Enhance your everyday meals with seasonal fare - Live with less, so that you can live more fully - Understand how to make a successful fresh start - Establish and mastermind your financial security - Experience great pleasure and joy in relationships - Always strive for quality over quantity in every arena of your life Living simply luxuriously is a choice: to think critically, to live courageously, and to savor the everyday as much as the grand occasions. As you learn to live well in your everyday, you will elevate your experience and recognize what is working for you and what is not. With this knowledge, you let go of the unnecessary, thus simplifying your life and removing the complexity. Choices become easier, life has more flavor, and you begin to feel deeply satisfying true contentment. The cultivation of a unique simply luxurious life is an extraordinary daily journey that each of us can master, leading us to our fullest potential. Mayhem ensues in their sleepy California beach town when three best friends, motivated by unlimited snacks, no parents, and earning money for an epic seventh-grade party, find an old copy of "The Babysitters Club" and decide to start their own babysitting business. Living Alone is a novella by Stella Benson. Sarah Brown lives an unexciting life of charity committee work, when magic suddenly swings into her life when a witch invites her to join a coven. From a celebrity author who really walks the walk, Living Alone and Loving It is at once a celebration of living alone in a society that exalts marriage and family, and a prescriptive guide that shows the reader how truly to relish a life that does not include a partner. After a relationship impasse, Barbara Feldon—universally known as the effervescent spy "99" on Get Smart—found herself living alone. Little did she know that this

time would become one of the most enriching and joyous periods of her life. Now Feldon shares her secrets for living alone and loving it. Prescribing antidotes for loneliness, salves for fears, and answers for just about every question that arises in an unpartnered day, she covers both the practical and emotional aspects of the solo life, including how to: -Stop imagining that marriage is a solution for loneliness -Nurture a glowing self-image that is not dependent on an admirer -Value connections that might be overlooked -Develop your creative side -End negative thinking Whether you are blessed with the promise of youth or the wisdom of age, Living Alone & Loving It will instill the know-how to forge a life with few maps and many adventures. How can you have a rich and fulfilling life? The choices you make, not your income or financial assets, are the most powerful determining factor for your quality of life. Women have never had so many options. Yet we often experience a kind of paralysis, an unconscious willingness to follow societal dictates rather than become the CEOs of our own lives. When we mindlessly follow the dots, we smother our innate gifts and miss opportunities to fulfill our true potential. There is another way—choosing to live a simply luxurious life. This book will show you how to invest your time and what to eliminate from your life. It will enable you to: \* Design a life of purpose that is aligned with your passions and talents \* Become financially independent \* Enjoy cultivating a healthy mind and body \* Build and maintain strong, loving relationships \* Create a chic, timeless signature style \* Design a comfortable home that is a true sanctuary \* Travel in comfort and style \* Discover simple pleasures that make each day something to look forward to You can curate the life of your dreams by being purposeful and selective, no matter where you live, your income, or your relationship status. Luxury and true fulfillment are ours for the having if we know where to look and how to make the right choices. Living alone following the end of a long-term relationship? This book is for you. Living on your own, after having shared your life with someone else for a long time, can be challenging. Not only do you have to look after yourself physically, you also need to face the demons of boredom and loneliness. In Living

Alone, you'll find all the content from the three books in the Living Alone series: *After She's Gone*, *Cooking for One*, *Sanity Savers*. After reading *Living Alone*, you'll have all the information you need to look after yourself physically, mentally and emotionally. Not only will you find out how easy it is to cook for yourself, you'll also discover seven boredom-busting strategies for using your alone time, each illustrated with numerous tips. You will also find two strategies for avoiding loneliness, which highlight the value of committing to personal growth and engaging with others. *Living Alone* is a reminder that being on your own does not mean you have to stay home alone. Be kind to yourself - buy a copy today! According to the U. S. Census Bureau, over thirty million Americans live alone. A third of them are young people less than age forty-five, who have not yet married, or for other reasons, involuntarily or voluntarily, live alone. The rest, some 20 million (a number which keeps growing as our population lives longer) are people over forty-five. *Living Alone And Loving It* was written to help those who have lived all or most of their lives with another person and, because of the death of a companion, are now faced with the often difficult prospect of living alone. The philosophical and practical suggestions were compiled from the author's own experiences and interviews with men and women who have lived alone, some for only a short time, and others for years. Although the ideas contained in *Living Alone And Loving It* are intended for older individuals, young people who live alone and are responsible for all of life's intricacies without the help, suggestions, or hindrances of another may also benefit. *How to Live Alone - Living Alone* is all about how to live alone and the rise in solitary living. It discusses the pros and cons of this form of lifestyle, the benefits of living alone, living alone tips and more. Are you living alone for the first time? Have you confronted the fear of living alone? Is living life alone something that you are constantly thinking about? Living alone is not a just an USA phenomena; this is occurring worldwide with the Scandinavian countries taking the lead. *Living Alone* is an in depth study as to the way social interaction is changing and why cohabitation is in decline. The facts and figures revealed in this book will astound you;

the realities of solitary living are something not to fear. More women than men live alone, but men find it a more difficult a task because women take better care of themselves and have healthier solitary lifestyles. If you live alone or are contemplating living alone then you need to read this book. It is all about lifestyle and home. IN THIS AGE OF CONSTANT CONNECTIVITY, LEARN HOW TO ENJOY SOLITUDE AND FIND HAPPINESS WITHOUT OTHERS. Our fast-paced society does not approve of solitude; being alone is antisocial and some even find it sinister. Why is this so when autonomy, personal freedom, and individualism are more highly prized than ever before? In *How to Be Alone*, Sara Maitland answers this question by exploring changing attitudes throughout history. Offering experiments and strategies for overturning our fear of solitude, she helps us practice it without anxiety and encourages us to see the benefits of spending time by ourselves. By indulging in the experience of being alone, we can be inspired to find our own rewards and ultimately lead more enriched, fuller lives. NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps. With eye-opening statistics, original data, and vivid portraits of

people who live alone, renowned sociologist Eric Klinenberg upends conventional wisdom to deliver the definitive take on how the rise of going solo is transforming the American experience. Klinenberg shows that most single dwellers—whether in their twenties or eighties—are deeply engaged in social and civic life. There's even evidence that people who live alone enjoy better mental health and have more environmentally sustainable lifestyles. Drawing on more than three hundred in-depth interviews, Klinenberg presents a revelatory examination of the most significant demographic shift since the baby boom and offers surprising insights on the benefits of this epochal change. *Living Alone* is a novella by Stella Benson. Sarah Brown lives an unexciting life of charity committee work, when magic suddenly swings into her life when a witch invites her to join a coven. From award-winning journalist and filmmaker Stefania Rousselle, a stunning collection of photographs and essays that seek to understand the universality of love. Journalist and filmmaker Stefania Rousselle found herself overwhelmed and dejected with the horrors of the news after covering terrorist attacks, human trafficking, and the rise of extremism. To renew her faith in humanity, she took off on a solo road trip across France, determined to see if love still exists. Traveling from village to village, farming towns to industrial cities, heart to heart, Rousselle sought out ordinary women and men, all to ask them one question, What is love? Collecting more than 90 personal testimonies, each one moving and beautiful in its own way, alongside over 100 intimate photographs, Rousselle reveals the many facets of love, and discovers that love can still be found even in the darkest of places. From a baker in Normandy to a shepherd in the Pyrenees, from a tree trimmer in Martinique to a mail woman in the Alps, *Amour* is a visual testament to love in all its many forms. A practical yet humorous guide to aging solo gracefully and achieving a happy retirement. In *Essential Retirement Planning for Solo Agers*, certified retirement coach Sara Zeff Geber coins the term "Solo Ager" to refer to the segment of society that either does not have adult children or is single and believes they will be on their own as they grow older. This book explores the path ahead for this group. That includes choices

in housing, relationships, legal arrangements, finances, and more. Geber reviews the role of adult children in an aging parent's world and suggests ways in which Solo Agers can mitigate the absence of adult children by relationship building and rigorous planning for their future. Geber shares her expertise on what constitutes a fulfilling older life and how Solo Agers can maximize their opportunities for financial security, physical health, meaning and purpose in the second half of life, and, finally, planning for the end game. Through real-life stories and anecdotes, the author explores housing choices, relationships, and building a support system. You will learn about: · different levels of care and independence in various types of living arrangements · how to initiate discussions among friends and relatives about end-of-life treatment · "what if" scenarios · who to talk to about legal and financial decisions And it's not just the Solo Ager that can learn from this book. Financial advisors, elder law and estate attorneys, senior care managers, and others whose clientele is on the far side of sixty will benefit as well. *The Purple Palace & other Poems* is the debut Poetry collection by Artist Shayna Klee. The semi-autobiographical book is divided into two parts and takes place between two countries; Part I, "is a cloud a living thing?", takes place during the Author's tumultuous teen years with tropical Florida as a backdrop. Part II, "Inside my Shell", explores themes of transformation as the Author creates a new life for herself in Paris, France. The poems in this collection explore the surreal rollercoaster of youth, the performance of identity, being an outsider and the tension between romantic idealism and the dystopic world in which the author finds herself. Her approach to her work as a visual artist is mirrored in her poetry style, which is accompanied by all original illustrations by the Author. Collection of more than 60 articles published in places such as *Psychology Today*, *Psych Central*, and the *Washington Post*. This book considers how a dwelling can protect and promote both our anxieties and our relationships. Both essays use a non-traditional literature to explore being alone and being with others, rather than relying on the social science literature, and offer a distinct and original contribution to the housing studies literature.

Ecologist Anne LaBastille created the life that many people dream about. When she and her husband divorced, she needed a place to live. Through luck and perseverance, she found the ideal spot: a 20-acre parcel of land in the Adirondack mountains, where she built the cozy, primitive log cabin that became her permanent home. Miles from the nearest town, LaBastille had to depend on her wits, ingenuity, and the help of generous neighbors for her survival. In precise, poetic language, she chronicles her adventures on Black Bear Lake, capturing the power of the landscape, the rhythms of the changing seasons, and the beauty of nature's many creatures. Most of all, she captures the struggle to balance her need for companionship and love with her desire for independence and solitude. *Woodswoman* is not simply a book about living in the wilderness, it is a book about living that contains a lesson for us all. THE BEST SELLING NOVEL WHICH CREATED A WORLDWIDE PHENOMENON 'A perfect bedside companion for the post-Bridget Jones generation' DAILY TELEGRAPH (CANADA) 'Hillis's book gave rise to 'Live Alone' accessories, including cocktail shakers, china dogs and negligees' WALL STREET JOURNAL 'She was boldly leading a vanguard of young women into a self-reliant, judgment-free future' NATIONAL This 1936 bestseller sold over 100,000 copies in the first two months of its release. Marjorie Hillis, a 1930s Vogue editor, provides a stylish, no-nonsense guide to living and loving single life. Written with wisdom, humour and panache, this is advice that will never go out of fashion. She takes women through the fundamentals of living alone by showing them how to create a welcoming environment and cultivate home-friendly hobbies, 'for no woman can accept an invitation every night without coming to grief.' 'Chances are that at sometime in your life, possibly only now and then between husbands, you will find yourself settling down to a solitary existence. You may do it from choice. Lots of people do ... Whether you view your one-woman menage as Doom or Adventure (and whether you are twenty-six or sixty-six), you need a plan.' Who can resist a book with chapters such as 'A Lady and Her Liquor', 'Pleasures of a Single Bed' and 'Solitary Refinement'? *Live Alone and Like It* is

sure to appeal to live-aloners' and those considering taking the plunge. With beautiful and stylish line drawings by a Vogue illustrator. A man who had been unhappy as a child finds after he has grown up that he is happy living alone in his cabin in the New England woods. Exploring the growing global trend of solo living, this highly original study addresses core debates about contemporary social change in the context of globalization, including individualization and connection, the future of family formation, consumption and identities, belonging and 'community', living arrangements and sustainability. From the flapper to *The Feminine Mystique*, a cultural history of single women in the city through the reclaimed life of glamorous guru Marjorie Hillis. You've met the extra woman: she's sophisticated, she lives comfortably alone, she pursues her passions unabashedly, and—contrary to society's suspicions—she really is happy. Despite multiple waves of feminist revolution, today's single woman is still mired in judgment or, worse, pity. But for a brief, exclamatory period in the late 1930s, she was all the rage. A delicious cocktail of cultural history and literary biography, *The Extra Woman* transports us to the turbulent and transformative years between suffrage and the sixties, when, thanks to the glamorous grit of one Marjorie Hillis, single women boldly claimed and enjoyed their independence. Marjorie Hillis, pragmatic daughter of a Brooklyn preacher, was poised for reinvention when she moved to the big city to start a life of her own. Gone were the days of the flirty flapper; ladies of Depression-era New York embraced a new icon: the independent working woman. Hillis was already a success at Vogue when she published a radical self-help book in 1936: *Live Alone and Like It: A Guide for the Extra Woman*. With Dorothy Parker-esque wit, she urged spinsters, divorcées, and "old maids" to shed derogatory labels and take control of their lives, and her philosophy became a phenomenon. From the importance of a peignoir to the joy of breakfast in bed (alone), Hillis's tips made single life desirable and chic. In a style as irresistible as Hillis's own, Joanna Scutts, a leading cultural critic, explores the revolutionary years following the *Live-Alone* movement, when the status of these "brazen ladies" peaked and then collapsed.

Other innovative lifestyle gurus set similar trends that celebrated guiltless female independence and pleasure: Dorothy Draper's interior design smash, *Decorating Is Fun!* transformed apartments; Irma Rombauer's warm and welcoming recipe book, *The Joy of Cooking*, reassured the nervous home chef that she, too, was capable of decadent culinary feats. By painting the wider picture, Scutts reveals just how influential Hillis's career was, spanning decades and numerous best sellers. As she refashioned her message with every life experience, Hillis proved that guts, grace, and perseverance would always be in vogue. With this vibrant examination of a remarkable life and profound feminist philosophy, Joanna Scutts at last reclaims Marjorie Hillis as the original queen of a maligned sisterhood. Channeling Hillis's charm, *The Extra Woman* is both a brilliant exposé of women who forged their independent paths before the domestic backlash of the 1950s trapped them behind picket fences, and an illuminating excursion into the joys of fashion, mixology, decorating, and other manifestations of shameless self-love. Awaken to *Mindful Living Cottagecore Style* "This book presents an easy entry point for readers interested in exploring mindfulness and the cottagecore lifestyle." -Library Journal review

This guide illustrates how the practices of rustic living and mindful awareness

can become the cornerstone of your daily life, transforming your world into a serene haven of simple, balanced living. Inside you'll discover: Practical strategies to integrate cottagecore aesthetics into your daily life, regardless of your dwelling An engaging narrative of Paola Merrill's transition from city bustle to countryside tranquility Mindfulness techniques rooted in the wisdom of nature Inspiration to embrace the magic in the everyday If you liked books like *Escape Into Cottagecore*, *Cozy White Cottage*, *Simply Living Well*, or *The Little Book of Cottagecore*, you'll love *The Cottage Fairy Companion*. People who are single are changing the face of America. Did you know that: \* More than 40 percent of the nation's adults---over 87 million people---are divorced, widowed, or have always been single. \* There are more households comprised of single people living alone than of married parents and their children. \* Americans now spend more of their adult years single than married. Many of today's single people have engaging jobs, homes that they own, and a network of friends. This is not the 1950s---singles can have sex without marrying, and they can raise smart, successful, and happy children. It should be a great time to be single. Yet too often single people are still asked to defend their single status by an onslaught of judgmental peers and fretful relatives. Prominent people in politics, the popular press, and the intelligentsia have all taken turns peddling myths about marriage and singlehood. Marry, they promise, and you will live a long, happy, and healthy life, and you will never be lonely again. Drawing from decades of scientific research and stacks of stories from the front lines of singlehood, Bella DePaulo debunks the myths of singledom---and shows that just about everything you've heard about the benefits of getting married and the perils of staying single are grossly exaggerated or just plain wrong. Although singles are singled out for unfair treatment by the workplace, the marketplace, and the federal tax structure, they are not simply victims of this singlism. Single people really are living happily ever after. Filled with bracing bursts of truth and dazzling dashes of humor, *Singled Out* is a spirited and provocative read for the single, the married, and everyone in between. You will never think about singlehood or marriage the same way again.

Singled Out debunks the Ten Myths of Singlehood, including: Myth #1: The Wonder of Couples: Marrieds know best. Myth #3: The Dark Aura of Singlehood: You are miserable and lonely and your life is tragic. Myth #5: Attention, Single Women: Your work won't love you back and your eggs will dry up. Also, you don't get any and you're promiscuous. Myth #6: Attention, Single Men: You are horny, slovenly, and irresponsible, and you are the scary criminals. Or you are sexy, fastidious, frivolous, and gay. Myth #7: Attention, Single Parents: Your kids are doomed. Myth #9: Poor Soul: You will grow old alone and you will die in a room by yourself where no one will find you for weeks. Myth #10: Family Values: Let's give all of the perks, benefits, gifts, and cash to couples and call it family values. "With elegant analysis, wonderfully detailed examples, and clear and witty prose, DePaulo lays out the many, often subtle denigrations and discriminations faced by single adults in the U.S. She addresses, too, the resilience of single women and men in the face of such singlism. A must-read for all single adults, their friends and families, as well as social scientists and policy advocates." ---E. Kay Trimmerger, author of The New Single Woman A young woman recalls her grandfather's abiding presence in her life as he cares for her throughout her infancy and childhood while her mother is at school or work, until she is the one fixing his snacks and seeing him safely to bed. Whether by death or divorce, each one of you remembers the day, if not the hour, your marriage ended. Then, finally the day came when the empty casserole dishes went home and the last relative waved goodbye. Like it or not, you woke up the next morning, put your feet on the floor and stepped into a life of aloneness. "Living Alone - Choices for Women Who are Single Again," addresses many issues that confront the today's Christian woman living alone again. Arlene Cook Shuster reaches into the readers' hearts, offering uplifting choices to the hurting, the healing and the healthy with amazing clarity in both faith and focus. The author tells the reader that this is not a time to wallow in self-pity. Rather, it's time to be confident as she discovers God's purpose for her life. She reminds the reader that God has a

wonderful sense of humor! It's likely to appear at any moment and to be ready to reach for the golden ring of an abundant and joyful life by giving God the glory!
