As the evidence against Molly grows, her lawyer plea-bargains a manslaughter charge to avoid a murder conviction. Released from prison nearly six years later, Molly reasserts her innocence to reporters, among them an old school friend, Fran Simmons, an investigative reporter and anchor for a true-crime show. Molly convinces Fran to research and produce a program on her husband’s death. A chance to win not only the love of Allah, but the love of her father—something she had never been able to earn. Esther took a deep breath and raised her hand in the air. At the age of eighteen, she had just volunteered to become a suicide bomber. But two nights before she was to leave forever, she had a dream . . . one that would change the course of her destiny. Against all odds, Esther became a follower of Jesus—even though leaving Islam meant her death sentence. But rather than kill her immediately, Esther's furious father challenged her to a series of public debates with Muslim scholars: the Bible versus the Quran. If Esther won, she might yet survive. But if the Muslim clerics won, Esther must renounce her Christian faith. For an entire month—if she lived that long—Esther would be brought before the mob daily to defend her newfound faith. All But Normal Feb 01 2021 Growing up, Shawn Thornton's life was anything but normal—but then, so was his mother. After waking from a coma following a car crash, Beverly Thornton's once sweet and gentle disposition had been replaced by violent mood swings, profanity-laced tirades, and uncontrollable fits of rage. Inside the Thornton house, floors and countertops were piled high with dirty laundry and garbage because Bev was unable to move well enough to clean. Dinners were a Russian roulette of half-cooked meat, spoiled milk, and foods well past their expiration dates. A moment of frustration might prompt her to hurl a knife at Shawn, his brother, Troy, or their dad or to vehemently cuss them out, only to shower them with love and affection moments later as though nothing had happened. And God help the family cat! On several occasions, Bev even tried to jump out of the car on the highway while Shawn and his brother struggled to keep her inside. Yet this same woman was also a devoted Bible reader, Sunday school teacher, and friend to the elderly, poor, and marginalized wherever she went. How the same woman could be a saint one minute and a nightmare the next was a constant source of frustration for the family. Then one day, after decades of embarrassing outbursts, a surprise discovery finally helps the Thornton family come to grips with Bev's mysterious condition and brings Shawn to a startling realization that changes the course of his life forever. A heartwarming coming-of-age story, *All But Normal* is a powerful reminder that sometimes the “broken” people in our lives are the ones who need fixing the least.

**Until We Meet Again** Sep 22 2022 From R. Clift comes so intimately a collection of memories, a snapshot of her heart, like nothing she has ever written or shared before. A travel memoir written in poetry, of backpacking through Europe in the summer of 2019. Filled with daily poem entries, imperfect polaroids, never-to-be-sent postcards, and 3-hour-train-ride illustrations all pulled from the pages of her journals. This memoir began as a personal challenge, whatever her next trip was- she would write a poem a day. Would she see growth? Would they be more about the place or about how she was feeling? What would she discover? She didn't know. But she wanted to find out. So, she wrote all through Spain, Italy, Greece, and England. When her last poem ended with the line 'until we meet again' she knew this endeavor had become bigger than herself. For a while, the poems sat unread, and she wasn't sure if they ever would be. She was afraid to share these words at first, afraid it was too real, messy, raw, flawed- until she realized that is the very reason it should be shared. If you have found this book, it's for a reason. This book is for anyone who has ever felt lost within themselves. For the runaway broken hearts looking for a place to heal, to rest, and to become whole again. For the travelers plagued by wanderlust, who know all too well that one can still ache even in the most beautiful cities on Earth. She can only hope that through her story you might come closer to courage- to let go of what burdens your heart. @r.cliftpoetry First published in November 2019, this second edition now being published in May 2021 has been revised and expanded to add over 70 new pages- including exclusive poems that were originally left out of the first edition.

But no matter how hard he tries, he can't keep a certain beautiful brunette off his mind...or out of his heart. What starts as a physical attraction develops into something much deeper as Blake and Farrah get swept up in the magic of Shanghai--and each other. But they only have one year, and there are forces outside their control that threaten to rip them apart. Can their relationship survive the test...or was it just not meant to be?

**When We Meet Again Apr 10 2024** Emily thinks she 's lost everything...until a mysterious painting leads her to what she wants most in the world. The new novel from the author of

international bestsellers *The Sweetness of Forgetting* and *The Life Intended* shows why her books are hailed as “engaging” (People), “absorbing” (Kirkus Reviews) and “enthraling” (Fresh Fiction). Emily Emerson is used to being alone; her dad ran out on the family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she’s laid off from her reporting job, she finds herself completely at sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother—and the painting arrived with no identification other than a handwritten note saying, “He always loved her.” Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW internment camps of Florida, where German prisoners worked for American farmers...and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she’s done. Along the way, she finds herself tempted to tear down her carefully tended walls at last; she’s seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she’s been keeping locked inside for years. Will this journey bring her the strength to confront them at last?

[In Heaven We'll Meet Again](#) Jul 01 2023 Are loved ones reunited in Heaven? The saints say “Absolutely!” In wise and consoling letters written to a mother sorrowing over the death of her child, Fr. François René Blot, S.J., here summons the Church’s greatest saints who testify with one voice that death’s wound, though grievous, separates us but for a short while from those who die before us. Acknowledging that profound sorrow at the death of loved ones is appropriate (after all, even Jesus wept for the death of his friend Lazarus), Fr. Blot nonetheless gives us reason to be joyful even in the midst of our sorrow: in heaven our loves and friendships will finally be free of the many hindrances — small and large — that keep them from being perfect in this life. Moreover, the saints say, in heaven we will love and know the love of countless souls we never met on earth, our Guardian Angel, and all the choirs of angels! Soon after it was written, a Catholic Cardinal called this book “a pearl set in the fine gold of the doctrine of the Fathers” and a newspaper declared that it “deserves a distinguished place in all Christian libraries and should be on the table of every pious family that faithfully preserves the memory of its deceased members.” Let the saints’ testimony in these beautiful pages assuage your grief and renew your hope! Let them increase your gratitude for the sacrifice of Christ whose death on the Cross opened heaven for us, and made these heavenly reunions possible!
