Gut Symmetries Jeanette Winterson

Gut Symmetries Jeanette Winterson, 2013-04-17 The highwire artist of the English novel redraws the romantic triangle for the post Einsteinian universe where gender is as elastic as matter and any accurate Grand Unified Theory GUT must encompass desire alongside electromagnetism and gravity One starry night on a boat in the mid Atlantic Alice a brilliant English theoretical physicist begins an affair with Jove her remorselessly seductive American counterpart But Jove is married When Alice confronts his wife Stella she swiftly falls in love with her with consequences that are by turns horrifying comic and arousing Vaulting from Liverpool to New York from alchemy to string theory and from the spirit to the flesh *Gut Symmetries* is a thrillingly original novel by England's most flamboyantly gifted young writer Winterson is unmatched among contemporary writers in her ability to conjure up new world wonder A beautiful stirring and brilliant story *Times Literary Supplement* Dazzling for its intelligence and inventiveness Winterson is possessed of a masterly command of the language and a truly pliant imagination *Elle* One of our most brilliant visionary storytellers *San Francisco Chronicle* *Why Be Happy When You Could Be Normal?* Jeanette Winterson, 2012-03-06 A New York Times bestseller The magnificent memoir by one of the bravest and most original writers of our time A tour de force of literature and love *Vogue* One of the New York Times 50 Best Memoirs of the Past 50 Years Jeanette Winterson's bold and revelatory novels have established her as a major figure in world literature Her internationally best selling debut *Oranges Are Not the Only Fruit* tells the story of a young girl adopted by Pentecostal parents and has become a staple of required reading in contemporary fiction classes *Why Be Happy When You Could Be Normal* is a singular and electric memoir about a life's work to find happiness *The New York Times* It is a book full of stories about a girl locked out of her home sitting on the doorstep all night about a religious zealot disguised as a mother who has two sets of false teeth and a revolver in the dresser waiting for Armageddon about growing up in a north England industrial town now changed beyond recognition about the universe as a cosmic dustbin It is the story of how a painful past rose to haunt the author later in life sending her on a journey into madness and out again in search of her biological mother It is also a book about the power of literature showing how fiction and poetry can form a string of guiding lights or a life raft that supports us when we are sinking Witty acute fierce and celebratory *Why Be Happy When You Could Be Normal* is a tough minded story of the search for belonging for love identity home and a mother **The Stone Gods** Jeanette Winterson, 2009-05-06 The Whitbread Prize winning author of *Oranges Are Not the Only Fruit* delivers a novel that transports us to something like the future of our own planet *The Washington Post Book World* On the airwaves all the talk is of the new blue planet pristine and habitable like our own was sixty five million years ago before we took it to the edge of destruction Off the air Billie Crusoe and the renegade Robo sapien Spike are falling in love Along with Captain Handsome and Pink they're assigned to colonize the new blue planet But when a technical maneuver intended to make it inhabitable backfires Billie

and Spike's flight to the future becomes a surprising return to the distant past. Everything is imprinted forever with what it once was. What will happen when their story combines with the world's story? Will they and we ever find a safe landing place? Playful, passionate, polemical, and frequently very funny, *The Stone Gods* will change forever the stories we tell about the earth, about love, and about stories themselves. Scary, beautiful, witty, and wistful, by turns dipping into the known past as it explores potential futures. *The New York Times Book Review*: A book that you don't so much read as drink in, refuse to put down, cast inside of like a hunting dog seeking against all odds the insight that will illuminate everything, a true answer to the fix we're in. *Los Angeles Times*: A vivid cautionary tale, or more precisely a keen lament for our irremediably incautious species. Ursula K. Le Guin, bestselling author of *Changing Planes*. **Tanglewreck** Jeanette Winterson, 2011-07-04. But Time is big business and whoever gets control of Time controls life as we know it. In a house called Tanglewreck lives a girl called Silver and her guardian Mrs. Rokabye. Unbeknownst to Silver, there is a family treasure in the form of a seventeenth-century watch called the Timekeeper, and this treasure holds the key to the mysterious and frightening changes in time. When Silver goes on the run to try and protect herself and the Timekeeper, a remarkable and compelling adventure unfolds, full of brilliance and wit as is befitting an author with the imagination and style of Jeanette Winterson. *The PowerBook* Jeanette Winterson, 2013-04-17. Winterson unfolds her seventh novel within the world of computers and transforms the signal development of our time into a wholly human medium. The story is simple: an e-mail writer called Ali will compose anything you like on order, provided you're prepared to enter the story as yourself and risk leaving it as someone else. You can be the hero of your own life. You can have freedom just for one night. But there is a price, and Ali discovers that she too will have to pay it. *The PowerBook* reinvents itself as it travels from London to Paris, Capri, and Cyberspace, using fairy tales, contemporary myths, and popular culture to weave a story of failed but requited love. *Oranges Are Not the Only Fruit* Jeanette Winterson, 2007-12-01. *The New York Times* bestselling author's Whitbread Prize-winning debut. Winterson has mastered both comedy and tragedy in this rich little novel. *The Washington Post Book World*: When it first appeared, Jeanette Winterson's extraordinary debut novel received unanimous international praise, including the prestigious Whitbread Prize for best first fiction. Winterson went on to fulfill that promise, producing some of the most dazzling fiction and nonfiction of the past decade, including her celebrated memoir *Why Be Happy When You Can Be Normal*. Now required reading in contemporary literature, *Oranges Are Not the Only Fruit* is a funny, poignant exploration of a young girl's adolescence. Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus. But as this budding missionary comes of age and comes to terms with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves. Jeanette's insistence on listening to truths of her own heart and mind, and on reporting them with wit and passion, makes for an unforgettable chronicle of an eccentric moving passage into adulthood. If Flannery O'Connor and Rita Mae Brown had collaborated on the coming-out story of a young

British girl in the 1960s maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson's autobiographical first novel Winterson's voice with its idiosyncratic wit and sensitivity is one you've never heard before Ms Magazine **Written on the Body** Jeanette Winterson,2013-04-17 The most beguilingly seductive novel to date from the author of *The Passion and Sexing the Cherry* Winterson chronicles the consuming affair between the narrator who is given neither name nor gender and the beloved a complex and confused married woman At once a love story and a philosophical meditation New York Times Book Review *The World and Other Places* Jeanette Winterson,2013-04-26 In this her first collection of short stories Winterson reveals all the facets of her extraordinary imagination In prose that is full of imagery and word play she creates physical and psychological worlds that are at once familiar and yet shockingly strange

Lighthousekeeping Jeanette Winterson,2006-04-03 An orphaned girl is held spellbound by the tales of a lighthouse keeper on the Scottish coast in a novel by the Costa Award winning author of *The Passion* After her mother is literally swept away by the savage winds off the Atlantic coast of Salts Scotland never to be seen again the orphaned Silver is feeling particularly unmoored Taken in by the mysterious keeper of a lighthouse on Cape Wrath Silver finds an anchor in Mr Pew blind as old and legendary as a unicorn and a yarn spinner of persuasive power The tale he has to tell Silver is that of a nineteenth century clergyman named Babel Dark whose life was divided between a loving light and a mask of deceit Peopled with such luminaries as Charles Darwin and Robert Louis Stevenson Mr Pew's story within a story within a story soon unfolds like a map It's one that Silver must follow if she's to be led through her own darkness and to find her own meaning in life in this novel by a winner of the Costa Lambda and E M Forster Awards the author of *Oranges are Not the Only Fruit* *Why Be Happy When You Could Be Normal* and other acclaimed works In her sea soaked and hypnotic eighth novel Winterson turns the tale of an orphaned young girl and a blind old man into a fable about love and the power of storytelling Atmospheric and elusive Winterson's high modernist excursion is an inspired meditation on myth and language The New Yorker **Art & Lies** Jeanette Winterson,2014-06-24 There is no such thing as autobiography there is only art and lies Set in a London of the near future its three principal characters Handel Picasso and Sappho separately flee the city and find themselves on the same train drawn to one another through the curious agency of a book Stories within stories take us through the unlikely love affairs of one Doll Sneerpiece an 18th century bawd and into the world of painful beauty where language has the power to heal Art Lies is a question and a quest How shall I live 'I'm Telling You Stories' Helena Grice,Tim Woods,1998 This is a jubilant and rewarding collection of Winterson scholarship a superb group of essays from a host of fine authors Art Objects Jeanette Winterson,2014-06-24 In ten interlocking essays the acclaimed author of *Written on the Body* and *Art Lies* reveals art as an active force in the world neither elitist nor remote available to those who want it and affecting those who don't Original personal and provocative these essays are not so much a point of view as they are a way of life revealing a brilliant and deeply feeling artist at work San Francisco Chronicle The World of P.G. Wodehouse Herbert Warren

Wind,1981 Black Bodies and Quantum Cats Jennifer Ouellette,2005-12-01 Physics once known as natural philosophy is the most basic science explaining the world we live in from the largest scale down to the very very very smallest and our understanding of it has changed over many centuries In Black Bodies and Quantum Cats science writer Jennifer Ouellette traces key developments in the field setting descriptions of the fundamentals of physics in their historical context as well as against a broad cultural backdrop Newton s laws are illustrated via the film Addams Family Values while Back to the Future demonstrates the finer points of special relativity Poe s The Purloined Letter serves to illuminate the mysterious nature of neutrinos and Jeanette Winterson s novel Gut Symmetries provides an elegant metaphorical framework for string theory An enchanting and edifying read Black Bodies and Quantum Cats shows that physics is not an arcane field of study but a profoundly human endeavor and a fundamental part of our everyday world **The Wiley Blackwell Companion to Contemporary British and Irish Literature** Richard Bradford,Madelena Gonzalez,Stephen Butler,James Ward,Kevin De Ornellas,2020-09-03 THE WILEY BLACKWELL COMPANION TO CONTEMPORARY BRITISH AND IRISH LITERATURE An insightful guide to the exploration of modern British and Irish literature The Wiley Blackwell Companion to Contemporary British and Irish Literature is a must have guide for anyone hoping to navigate the world of new British and Irish writing Including modern authors and poets from the 1960s through to the 21st century the Companion provides a thorough overview of contemporary poetry fiction and drama by some of the most prominent and noteworthy writers Seventy three comprehensive chapters focus on individual authors as well as such topics as Englishness and identity contemporary Science Fiction Black writing in Britain crime fiction and the influence of globalization on British and Irish Literature Written in four parts The Wiley Blackwell Companion to Contemporary British and Irish Literature includes comprehensive examinations of individual authors as well as a variety of themes that have come to define the contemporary period ethnicity gender nationality and more A thorough guide to the main figures and concepts in contemporary literature from Britain and Ireland this two volume set Includes studies of notable figures such as Seamus Heaney and Angela Carter as well as more recently influential writers such as Zadie Smith and Sarah Waters Covers topics such as LGBT fiction androgyny in contemporary British Literature and post Troubles Northern Irish Fiction Features a broad range of writers and topics covered by distinguished academics Includes an analysis of the interplay between individual authors and the major themes of the day and whether an examination of the latter enables us to appreciate the former The Wiley Blackwell Companion to Contemporary British and Irish Literature provides essential reading for students as well as academics seeking to learn more about the history and future direction of contemporary British and Irish Literature *Transgressing Boundaries in Jeanette Winterson's Fiction* Sonia Front,2009 The subsequent chapters of the book deal with selected questions from Jeanette Winterson s fiction such as gender issues love and eroticism language and time constituting areas within which Winterson s characters seek their identity As they contest and repudiate clich s stereotypes and patterns their journey of self discovery is

accomplished through transgression The book analyzes how the subversion of phallogocentric narrative and scenarios entails the reenvisioning of relations between the genders and reconceptualization of female desire The author attempts to determine the consequences of Winterson's manipulations with gender sexuality and time and her disruption of the binary system

As She Climbed Across the Table Jonathan Lethem, 2011-04-06 Anna Karenina left her husband for a dashing officer Lady Chatterley left hers for the gamekeeper Now Alice Coombs has her boyfriend for nothing nothing at all just how that should have come to pass and what Philip Engstrand Alice's spurned boyfriend can do about it is the premise for this vertiginous speculative romance by the acclaimed author of *Gun with Occasional Music* Alice Coombs is a particle physicist and she and her colleagues have created a void a hole in the universe that they have taken to calling Lack But Lack is a nullity with taste tastes it absorbs a pomegranate light bulbs an argyle sock it disdains a bow tie an ice ax and a scrambled duck egg To Alice this selectivity translates as an irresistible personality To Philip it makes Lack an unbeatable rival for how can he win Alice back from something that has no flaws because it has no qualities Ingenious hilarious and genuinely mind expanding *As She Climbed Across the Table* is the best boy meets girl meets void story ever written

12 Bytes Jeanette Winterson, 2022-10-13 Joins the dots in a neglected narrative of female scientists visionaries and code breakers Observer How is artificial intelligence changing the way we live and love This is the eye opening new book from Sunday Times bestselling author Jeanette Winterson Drawing on her years of thinking and reading about AI Jeanette Winterson looks to history religion myth literature politics and of course computer science to help us understand the radical changes to the way we live and love that are happening now With wit compassion and curiosity Winterson tackles AI's most interesting talking points from the weirdness of backing up your brain and the connections between humans and non human helpers to whether it's time to leave planet Earth With a new chapter by the author Very funny A kind of comparative mythology where the hype and ideology of cutting edge tech is read through the lens of far older stories Spectator Refreshingly optimistic Guardian A Books of 2021 Pick in the Guardian Financial Times Daily Telegraph and Evening Standard

Sexing the Cherry Jeanette Winterson, 2007-12-01 The marvelous and the horrific the mythic and the mundane overlap and intermingle in this wonderfully inventive novel The New York Times Winner of the E M Forster Award In a fantastic world that is and is not seventeenth century England a baby is found floating in the Thames The child Jordan is rescued by Dog Woman and grows up to travel the globe like Gulliver though he finds that the most curious oddities come from his own mind The spiraling tale leads the reader from discussions on the nature of time to Jordan's fascination with journeys concealed within other journeys all with a dizzying speed that jumps from epiphany to shimmering epiphany From the New York Times bestselling author of *Oranges Are Not the Only Fruit* and *Why Be Happy When You Could Be Normal* *Sexing the Cherry* is a mixture of *The Arabian Nights* touched by the philosophical form of Milan Kundera and told with the grace of Italo Calvino San Francisco Chronicle Those who care for fiction that is both idiosyncratic and beautiful will want to read anything Winterson writes The

Washington Post Book World **Frankisstein** Jeanette Winterson, 2019-10-01 This thought provoking and unabashedly entertaining novel defies conventional expectations and exists brilliantly and defiantly on its own terms Sarah Lotz New York Times Book Review Lake Geneva 1816 Nineteen year old Mary Shelley is inspired to write a story about a scientist who creates a new life form In Brexit Britain a young transgender doctor called Ry is falling in love with Victor Stein a celebrated professor leading the public debate around AI and carrying out some experiments of his own in a vast underground network of tunnels Meanwhile Ron Lord just divorced and living with his mom again is set to make his fortune launching a new generation of sex dolls Across the Atlantic in Phoenix Arizona a cryogenics facility houses dozens of bodies of men and women who are medically and legally dead but waiting to return to life Since her astonishing debut Oranges Are Not the Only Fruit Jeanette Winterson has achieved worldwide acclaim as one of the most daring and inventive writers of our time Elle In Frankisstein she shares an audacious love story that weaves together disparate lives into an exploration of transhumanism artificial intelligence and queer love Longlisted for the Booker Prize

Gut Symmetries Jeanette Winterson: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
