30 Days to a More Powerful Vocabulary Dec 26 2021 A Bigger Vocabulary = A Brighter Future Words. They're the foundation of nearly everything of value in our world. They have the power to create and the power to destroy. The power to inspire and to terrify. The power to enlighten and also to obscure. And, more specifically for you, they have the power to attract wealth and success and guarantee your brighter future. This is not hyperbole - it is based on rock-solid research. Studies show that those people with large vocabularies are smarter, wealthier, and happier than the average person - and substantially so. And here's the best news of all: a large vocabulary is not tied to your social status, your genes, or even your education level. It is a skill that can be learned - and it takes only 30 days. In this cutting-edge program, 30 Days to a More Powerful Vocabulary, personal development expert and English enthusiast Dan Strutzel will instruct, enlighten, and inspire you with a concentrated 30-day program that will teach you over 500 words. But, more than teaching you these words, the uniquely designed program will ensure that these words become a habit-knit part of your life - and with minimal effort on your part. Best of all, research shows that learning new words has an exponential effect on the size of your vocabulary - since learning one word naturally produces an association between two to three more words. In short, after reading and applying the system in this 30-day program, you will not only have a bigger vocabulary - you will have a brighter future! Here's just a sampling of what you'll learn: The 10 myths about building a dynamic vocabulary The secret behind the exponential effect of vocabulary building A 30-day program designed to maximize learning and comprehension of over 500 words The words you need to know about money and financial issues The words you need to know about persuading others The words you need to know about marriage, parenting, and other relationships The words you need to know about science The words you need to know to be a great conversationalist Why building a large, dynamic vocabulary is even more valuable in the digital age And much more!

Expand Vocabulary for Writing Feb 08 2023 Effective word choice is essential for clear and powerful writing. Enhancing word choice in writing requires a broad vocabulary and skills in selecting specific words that can increase the impact on readers. The more words you know, the better you can express yourself and engage readers in a meaningful way. Expand Vocabulary for Writing: 50 Overused Words and What to Say Instead will help you master many other ways to say overused words, such as big, easy, sad, think, and walk, so that your writing can be more exciting and colorful. The book includes four parts: Parts One and Two list 50 overused adjectives and verbs. Under each of these words (25 adjectives and 25 verbs), there is a list of more vivid ways to say the word, with a definition and an example sentence to demonstrate the usage of the word in a context. Part Three contains 23 worksheets of different types of practice to help you memorize meanings of those vivid words and know how

to use them. Part Four assembles all the vocabulary into word tables, which can be used for a quick review.

Building a Better Vocabulary Jun 19 2021 After finishing work on the fundamentals of English grammar and syntax, the Hispanic student is often looking for ways to increase his or her general vocabulary. To that end, this book is designed either for studying by oneself or for participating in an academic program. To adapt the text to the widest levels of language skills, the words chosen for study range from the relatively simple to the more complex. Then, as a first step in outlining the meaning of the word, its Spanish equivalent appears in italics immediately after its initial listing and its sounds-of-speech pronunciation. The full analysis of the word ends with a space for the student's using that word in a sentence. That analysis, including a listing of typical synonyms and antonyms, is followed by an end-of-section series of comprehension checks. In short, the student sees the impact of context on the meaning of a word, has a familiar Spanish word as an added help to understanding the word, learns something of its origin, has an immediate opportunity to use it, and gets acquainted with its common synonyms and antonyms. Finally, each of the twelve 'chapters' contains a short discussion of a common mistake to be avoided or a desirable quality of language (e.g., reliance on 'action words') to be developed.

Fierce Invalids Home From Hot Climates May 11 2023 "As clever and witty a novel as anyone has written in a long time . . . Robbins takes readers on a wild, delightful ride. . . . A delight from beginning to end."—*Buffalo News Switters* is a contradiction for all seasons: an anarchist who works for the government; a pacifist who carries a gun; a vegetarian who sops up ham gravy; a cyberwhiz who hates computers; a man who, though obsessed with the preservation of innocence, is aching to deflower his high-school-age stepsister (only to become equally enamored of a nun ten years his senior). Yet there is nothing remotely wishy-washy about *Switters*. He doesn't merely pack a pistol. He is a pistol. And as we dog *Switters*'s strangely elevated heels across four continents, in and out of love and danger, discovering in the process the "true" Third Secret of Fatima, we experience Tom Robbins—that fearless storyteller, spiritual renegade, and verbal break dancer—at the top of his game. On one level this is a fast-paced CIA adventure story with comic overtones; on another it's a serious novel of ideas that brings the Big Picture into unexpected focus; but perhaps more than anything else, *Fierce Invalids* is a sexy celebration of language and life. Praise for *Fierce Invalids Home From Hot Climates* "Superb."—*New York Post* "Dangerous? Wicked? Forbidden? You bet. . . . Pour yourself a bowl of chips and dig in."—*Daily News, New York* "Robbins is a great writer . . . and definitely a provocative rascal."—*The Tennessean* "Whoever said truth is stranger than fiction never read a Tom Robbins novel. . . . Clever, creative, and witty, Robbins tosses off impassioned observations like handfuls of flower petals."—*San Diego Union-Tribune*
