Known Unknowns: Unconventional Strategic Shocks in Defense Strategy Development Sep 04 2021 This timely PKSOI Paper on unconventional strategic shock provides the defense policy team a clear warning against excessive adherence to past defense and national security convention. Including the insights of a number of noted scholars on the subjects of "wild cards" and "strategic surprise," the author, Nathan Freier, argues that future disruptive, unconventional shocks are inevitable. Through strategic impact and potential for disruption and violence, defense-relevant unconventional shocks, in spite of their nonmilitary character, will demand the focused attention of defense leadership, as well as the decisive employment of defense capabilities in response. As a consequence, Mr. Freier makes a solid case for continued commitment by the Department of Defense to prudent strategic hedging against their potential occurrence.

The Myth of Nathan Bedford Forrest Sep 28 2023 An insightful exploration of the relentless myth of the famous Civil War general, this volume scrutinizes the collective public memory of Nathan Bedford Forrest as it has evolved through the press, memoirs, biographies, and popular culture.

Nathan Bedford Forrest May 13 2022 Nathan Bedford Forrest's critics have called him everything from a violent backwoodsman, illiterate redneck, and cruel slaver, to a crooked politician, unfaithful husband, and simple-minded hillbilly. However, traditional unreconstructed writers, like Southern historian and award-winning Tennessee author Lochlainn Seabrook, know that General Forrest was none of these things. In fact, he was quite the opposite, as is revealed in Mr. Seabrook's classic work: "Nathan Bedford Forrest: Southern Hero, American Patriot." As we learn in this enlightening little book, far from being an inhumane slave owner and trader, Forrest granted most of his servants their freedom even before Lincoln's War. Others he enlisted in his own command (half of dozen who served as his personal guards), then emancipated them in the fall of 1863 - the same year Lincoln issued his "military measure," the fake and illegal Emancipation Proclamation (which freed no slaves in either the North or the South). Forrest never separated servant families, refused to sell to cruel slavers, and was even responsible for reuniting divided black families. Unlike Lincoln - who throughout his life repeatedly blocked black civil rights and aggressively campaigned for American apartheid and the deportation of all blacks out of the U.S. - after the War Forrest happily hired back his original servants with full civil rights, then called for the South to repopulate herself with new African immigrants. Neither the founder or leader of the KKK as pro-North and New South historians disingenuously teach, Forrest closed the anti-Yankee organization down in 1869 when it began to take on racist overtones. These and many other captivating facts are presented clearly and concisely by Mr. Seabrook, a cousin of Forrest, in this rousing defense of the Wizard of the Saddle, one of the greatest, most inspiring, beloved, romantic, complex, and intriguing figures in American history. Lavishly illustrated and written in an easy-to-read style, at 120 pages this new hardcover edition is perfect for Civil War museum shops, historic homes, or any tourist hot spot. Makes a great gift as well. "Nathan Bedford Forrest" includes 139 footnotes, a bibliography, and an index. The Foreword is by bestselling Southern educator James Ronald Kennedy, author of "The South Was Right!" Civil War scholar Lochlainn Seabrook, a cousin of General Forrest, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is an award-winning author of over 45 books. A seventh-generation Kentuckian of Appalachian heritage, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" He has penned eight books on Forrest, more than any other writer, and his screenplay of his book "A Rebel Born" is being turned into a major motion picture. His other titles

include: "The Great Yankee Coverup: What the North Doesn't Want You to Know About Lincoln's War"; "Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition"; "Confederate Flag Facts"; "Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!" "Give This Book to a Yankee: A Southern Guide to the Civil War for Northerners" and "Honest Jeff and Dishonest Abe: A Southern Children's Guide to the Civil War."

Known Unknowns Nov 18 2022 The current defense team confronted a game-changing "strategic shock" in its first 8 months in office. The next team would be well-advised to expect the same. Defense-relevant strategic shocks jolt convention to such an extent that they force sudden, unanticipated change in the Department of Defense's (DoD) perceptions about threat, vulnerability, and strategic response. Their unanticipated onset forces the entire defense enterprise to reorient and restructure institutions, employ capabilities in unexpected ways, and confront challenges that are fundamentally different than those routinely considered in defense calculations. The likeliest and most dangerous future shocks will be unconventional. They will not emerge from thunderbolt advances in an opponent's military capabilities. Rather, they will manifest themselves in ways far outside established defense convention. Most will be nonmilitary in origin and character, and not, by definition, defense-specific events conducive to the conventional employment of the DoD enterprise. They will rise from an analytical no man's land separating well-considered, stock and trade defense contingencies and pure defense speculation. Their origin is most likely to be in irregular, catastrophic, and hybrid threats of "purpose" (emerging from hostile design) or threats of "context" (emerging in the absence of hostile purpose or design). Of the two, the latter is both the least understood and the most dangerous. -- P. [vii].

The Current Affairs Rules for Life Sep 16 2022 In this sharp collection of essays from Current Affairs magazine, Nathan J. Robinson systematically demolishes the flimsy intellectual chicanery of contemporary critics of the left. Robinson shows the bankruptcy of conservative ideas and the value of a humane egalitarian alternative.

Image Control Mar 23 2023 Susan Sontag meets Hanif Abdurraqib in this fascinating exploration of the unexpected connections between how we consume images and the insidious nature of Fascism. Images come at us quickly, often without context. A photograph of Syrian children suffering in the wake of a chemical attack segues into a stranger's pristine Instagram selfie. Before we can react to either, a new meme induces a laugh and a share. While such constant give and take might seem innocent, even entertaining, this barrage of content numbs our ability to examine critically how the world, broken down into images, affects us. Images without context isolate us, turning everything we experience into mere transactions. It is exactly this alienation that leaves us vulnerable to fascism—a reactionary politics that is destroying not only our lives and our nations, but also the planet's very ability to sustain human civilization. Who gets

to control the media we consume? Can we intervene, or at least mitigate the influence of constant content? Mixing personal anecdotes with historical and political criticism, *Image Control* explores art, social media, photography, and other visual mediums to understand how our culture and our actions are manipulated, all the while building toward the idea that if fascism emerges as aesthetics, then so too can anti-fascism. Learning how to ethically engage with the world around us is the first line of defense we have against the forces threatening to tear that world apart.

You are the Juror Jun 25 2023 The reader assumes the role of a juror in eight famous trials of the twentieth century: the Lindbergh kidnapping, Sullivan v. New York Times, the Chicago Seven, Patty Hearst's trial for armed robbery, and others.

Give 'Em Hell Boys! The Complete Military Correspondence of Nathan Bedford Forrest Jan 21 2023 Nathan Bedford Forrest is best known for his role as a Confederate officer in the American War for Southern Independence. While most Forrest biographies discuss his military career in great detail, what they do not provide is the General's own perspective of the conflict. In his one-of-a-kind book, "Give 'Em Hell Boys!," Forrest scholar, Forrest relation, Southern historian, and award-winning author Lochlainn Seabrook handily remedies this situation. Neatly divided into five sections for each year of Lincoln's War, as the subtitle indicates, the book encompasses all of the General's military correspondence, from 1861 to 1865. In the 300 fascinating footnoted entries included, we find Forrest's reports, dispatches, orders, returns, letters, notes, communiques, and telegrams, as he himself wrote or dictated them, usually from the battlefield. His missives were sent out to a wide assortment of Civil War figures, from the president of the Confederacy (Jefferson Davis) and fellow Confederate officers to his Yankee enemies, most of the communications with the latter which ended with unsurprising results: immediate surrender! Through Forrest's own words, we are able to track not only the progress of the War, but his rise from private to lieutenant general (one rank shy of full general)-the only man on either side to achieve such a feat. Included along with a bibliography and an index are such extras as a historical time line of the highlights of Forrest's life, a list of all of his engagements, and a section on his recognition by the Confederate Congress. Like the author's numerous other works on Forrest, "Give 'Em Hell Boys!" (named after one of his most famous war cries) will help destroy the many anti-South myths surrounding the General, giving him back his rightful place as a lauded American patriot and Southern icon. Learn about both Forrest the man and the Rebel officer from the great Confederate chieftain himself, in this captivating read that is already well on its way to becoming a standard in Civil War literature. Civil War scholar Lochlainn Seabrook, a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45

books. A seventh-generation Kentuckian of Appalachian heritage and the sixth great-grandson of the Earl of Oxford, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" His other works include "The Great Yankee Coverup: What the North Doesn't Want You to Know About Lincoln's War"; "Confederate Flag Facts: What Every American Should Know About Dixie's Southern Cross"; "Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition"; and "Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!"

Memoirs Oct 06 2021

The Northeastern Reporter Mar 30 2021 Includes the decisions of the Supreme Courts of Massachusetts, Ohio, Indiana, and Illinois, and Court of Appeals of New York; May/July 1891-Mar./Apr. 1936, Appellate Court of Indiana; Dec. 1926/Feb. 1927-Mar./Apr. 1936, Courts of Appeals of Ohio.

The Plea of Clarence Darrow May 05 2024 This is the memorable plea made by renowned lawyer Clarence Darrow in defense of Nathan Leopold and Richard Loeb. Darrow's clients, known by the press generally as "Leopold and Loeb" were just young men themselves when they committed a heinous act. The pair murdered a young boy named Bobby Franks, and the shocking crime and trial captivated not only Chicago, but the entire country.

U. S. Ground Force Capabilities Through 2020 Jul 03 2021

Crossfire Novels Jun 13 2022 There's nothing more romantic than Valentine's Day...except Sylvia Day. Now in one deluxe box set, the first four novels in the Crossfire series. The #1 New York Times bestselling author. The #1 worldwide phenomenon. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire... mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul insideso much like my own. I was drawn to it. I needed him as

surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

The Aesthetics of Degradation May 01 2021 Pornography keeps getting more extreme. Manufacturers, defenders and consumers of porn rely on a mix of wilful ignorance and bad faith to avoid serious discussion. When we do talk about violence against women in the porn world, the debate all too often becomes technical, complicated by legalities and outrage. But what are the moral and psychological consequences of the mercantilization of abuse? In this studied and ruthless examination of the place of pornography in contemporary life, translator and critic Adrian Nathan West treads dangerous literary and social ground, transcending cliches about free expression and the demands of the market to look at the moral discomfort of violent pornography from the perspective of the viewer. Collapsing distinctions between novel, memoir, and essay, this book will not make for light reading. But at its core is an extraordinarily brave and honest concern for the women and men who have been hurt in the name of sexual gratification.

Toward a Risk Management Defense Strategy Oct 30 2023 This monograph offers key considerations for DoD as it works through the on-going defense review. The author outlines eight principles for a risk management defense strategy. He argues that these principles provide "measures of merit" for evaluating the new administration's defense choices. This monograph builds on two previous works-- Known unknowns: unconventional "strategic shocks" in defense strategy development and The new balance: limited armed stabilization and the future of U.S. landpower. Combined, these three works offer key insights on the most appropriate DoD responses to increasingly "unconventional" defense and national security conditions. This work in particular provides DoD leaders food for thought, as they balance mounting defense demands and declining defense resources.

Nathan Bedford Forrest Apr 23 2023 Amid the aristocratic ranks of the Confederate cavalry, Nathan Bedford Forrest was untutored, all but unlettered,

and regarded as no more than a guerrilla. His tactic was the headlong charge, mounted with such swiftness and ferocity that General Sherman called him a "devil" who should "be hunted down and killed if it costs 10,000 lives and bankrupts the treasury." And in a war in which officers prided themselves on their decorum, Forrest habitually issued surrender-or-die ultimatums to the enemy and often intimidated his own superiors. After being in command at the notorious Fort Pillow Massacre, he went on to haunt the South as the first grand wizard of the Ku Klux Klan. Now this epic figure is restored to human dimensions in an exemplary biography that puts both Forrest's genius and his savagery into the context of his time, chronicling his rise from frontiersman to slave trader, private to lieutenant general, Klansman to—eventually—New South businessman and racial moderate. Unflinching in its analysis and with extensive new research, Nathan Bedford Forrest is an invaluable and immensely readable addition to the literature of the Civil War.

A Rebel Born Jun 06 2024 General Nathan Bedford Forrest was a brave and ingenious Confederate officer who won all but one of the battles he led; a philanthropist who gave generously to family, friends, and charities; and a humanitarian who not only spared the lives of numerous Yankees on the battlefield, but who freed his slaves years before Lincoln reluctantly issued his fake and illegal Emancipation Proclamation. And unlike our liberal sixteenth president, who purposefully delayed abolition, hindered black social and political advancement, and campaigned throughout his life to have all blacks deported out of the U.S., after the War conservative Forrest crusaded to bring new African immigrants into the South—with full civil rights. No one would know any of this by reading the typical works on Forrest, however, nearly all which are written and published by enemies of the South. In fact, according to most Northern and New South authors Forrest was a violent redneck, an unregenerate racist, a barbaric slave trader, a philandering husband, an illiterate hillbilly, the founder and grand wizard of the KKK, and "the butcher of Fort Pillow." None of this is true, but it continues to be presented in our history books as fact. In "A Rebel Born: A Defense of Nathan Bedford Forrest"—winner of the prestigious Jefferson Davis Historical Gold Medal—unreconstructed Southern historian, Tennessee author, and Forrest scholar Lochlainn Seabrook reveals the truth about one of history's most fascinating, charismatic, complex, romantic, and unique individuals. In this refreshingly positive appraisal of Forrest, widely acclaimed as Seabrook's "masterpiece," the author corrects the many falsehoods about him, and, using well researched documentation, shows that the modern negative image of the General derives solely from slanderous myths created 150 years ago by Lincoln's anti-South propagandist machine. The longest book ever written on Forrest, this newly revised Civil War Sesquicentennial hardcover edition includes his life story, over 2,000 footnotes, hundreds of photos and illustrations (many never before seen by the public), a list of Forrest's military engagements, a Forrest life calendar, Forrest and Montgomery family trees, an 800-book bibliography, a

detailed index, and more. Learn the facts about Forrest, facts that have been wantonly suppressed by anti-South proponents. The Foreword is by Dr. Clyde N. Wilson, Distinguished Professor Emeritus of History, University of South Carolina, and author of "Defending Dixie: Essays in Southern History and Culture." Civil War scholar Lochlainn Seabrook, a cousin of General Forrest, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is an award-winning author of over 45 books. A seventh-generation Kentuckian of Appalachian heritage, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" He is the author of eight books on Forrest, more than any other writer, and his screenplay of his book "A Rebel Born" is being turned into a major motion picture.

Armed Humanitarians Dec 20 2022 In May 2003, President George W. Bush declared victory in Iraq. But while we won the war, we catastrophically lost the peace. Our failure prompted a fundamental change in our foreign policy. Confronted with the shortcomings of "shock and awe," the U.S. military shifted its focus to "stability operations": counterinsurgency and the rebuilding of failed states. In less than a decade, foreign assistance has become militarized; humanitarianism has been armed. Combining recent history and firsthand reporting, *Armed Humanitarians* traces how the concepts of nation-building came into vogue, and how, evangelized through think tanks, government seminars, and the press, this new doctrine took root inside the Pentagon and the State Department. Following this extraordinary experiment in armed social work as it plays out from Afghanistan and Iraq to Africa and Haiti, Nathan Hodge exposes the difficulties of translating these ambitious new theories into action. Ultimately seeing this new era in foreign relations as a noble but flawed experiment, he shows how armed humanitarianism strains our resources, deepens our reliance on outsourcing and private contractors, and leads to perceptions of a new imperialism, arguably a major factor in any number of new conflicts around the world. As we attempt to build nations, we may in fact be weakening our own. Nathan Hodge is a Washington, D.C.-based writer who specializes in defense and national security. He has reported from Iran, Iraq, Afghanistan, Russia, and a number of other countries in the Middle East and former Soviet Union. He is the author, with Sharon Weinberger, of *A Nuclear Family Vacation*, and his work has appeared in *Slate*, the *Financial Times*, *Foreign Policy*, and many other newspapers and magazines.

Forrest! 99 Reasons To Love Nathan Bedford Forrest Aug 04 2021 If your knowledge of Confederate General Nathan Bedford Forrest comes from mainstream pro-North history books, you've been deceived! For those who truly want to get to know the real man, award-winning Southern historian and Forrest scholar Lochlainn Seabrook has written "Forrest! 99 Reasons To Love Nathan Bedford Forrest," his fifth book (of nine) on the celebrated Rebel chieftain. Seabrook's 99 footnoted entries cover Forrest's entire life from youth to death, including important biographical aspects, his more notable characteristics, his best known battle tactics and strategies, and examples of some of his greatest personal achievements, antebellum, bellum, and postbellum. Discover why the General is admired around the world by people of all races, nationalities, religions, and political persuasions in this concise but informative work on one of America's most important historical figures. If you already love Forrest, pick up a copy and refresh your memory. If you know someone who doesn't, this book makes an excellent gift! An attractive, unique, affordable, and tourist-friendly work that will appeal to both Civil War buffs and historical educators alike, "Forrest! 99 Reasons To Love Nathan Bedford Forrest" is the perfect addition to any retail outlet, including not only bookstores, but Civil War sites, historic houses, and museum gift stores. Civil War scholar Lochlainn Seabrook, a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45 books that have introduced hundreds of thousands to the truth about the War for Southern Independence. A seventh-generation Kentuckian of Appalachian heritage and the sixth great-grandson of the Earl of Oxford, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" Seabrook's other titles include: "Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!"; "Confederate Flag Facts: What Every American Should Know

About Dixie's Southern Cross"; "Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition"; "The Constitution of the Confederate States of America Explained"; "Give This Book to a Yankee! A Southern Guide to the Civil War For Northerners"; and "Honest Jeff and Dishonest Abe: A Southern Children's Guide to the Civil War."

David and Bathsheba Nov 06 2021 A first-person fictional account of the sin of David and Bathsheba through the eyes of the prophet Nathan.

The Only Language They Understand Jul 15 2022 In a myth-busting analysis of the world's most intractable conflict, a star of Middle East reporting argues that only one weapon has yielded progress: confrontation. Scattered over the territory between the Jordan River and the Mediterranean Sea lie the remnants of failed peace proposals, international summits, secret negotiations, UN resolutions and state-building efforts. The conventional story is that these well-meaning attempts at peacemaking were repeatedly thwarted by the use of violence. Through a rich interweaving of reportage, historical narrative and forceful analysis, Nathan Thrall presents a startling counter-history. He shows that Israelis and Palestinians have persistently been marching toward partition, but not through the high politics of diplomacy or the incremental building of a Palestinian state. In fact, negotiation, collaboration and state-building--the prescription of successive American administrations--have paradoxically entrenched the conflict in multiple ways. They have created the illusion that a solution is at hand, lessened Israel's incentives to end its control over the West Bank and Gaza and undermined Palestinian unity. Ultimately, it is those who have embraced confrontation through boycotts, lawsuits, resolutions imposed by outside powers, protests, civil disobedience, and even violence who have brought about the most significant change. Published as Israel's occupation of East Jerusalem, the West Bank, and Gaza reaches its fiftieth year, which is also the centenary of the Balfour Declaration that first promised a Jewish national home in Palestine, *The Only Language They Understand* advances a bold thesis that shatters ingrained positions of both left and right and provides a new and eye-opening understanding of this most vexed of lands.

How Militaries Learn Oct 18 2022 Most people measure military power with weapons, manpower, or resources, but *How Militaries Learn* shows that the key to success on the modern battlefield lies in the mind. Modern weapons and plentiful resources matter little if militaries cannot organize efficiently, exercise initiative, and take advantage of opportunities as they arise. *How Militaries Learn* examines 200 years of data from militaries around the world and arrives at a surprising conclusion: learning to think on the battlefield depends on a deep reservoir of human capital in society. Using case studies of France, Prussia, Turkey, Egypt, and the United Arab Emirates, *How Militaries Learn* shows the different ways that militaries learn to think and succeed on the battlefield. Anyone who wants to understand military power should read *How Militaries Learn*.

Nathan Bedford Forrest's Redemption Nov 30 2023 While much has been

written about Forrest's notorious life as a slave trader, Civil War general, and early leader of the Ku Klux Klan, his later Christian conversion and renunciation of his racist views are largely overlooked. This book is specifically devoted to the spiritual aspect of Forrest's life. By God's grace, he changed his ways.

The David Story: A Translation with Commentary of 1 and 2 Samuel Feb 19 2023

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Big Bad Ironclad! (Nathan Hale's Hazardous Tales #2) Mar 11 2022 In author-illustrator Nathan Hale's *Big Bad Ironclad*, uncover the story of the American Civil War's ironclad warships with this Hazardous Tale in the New York Times bestselling graphic novel series! "These books are, quite simply, brilliant. . . . Thrilling, bloody, action-packed stories from American history." —New York Times Ships are great for transport, but when they are made of wood they tend to start leaking when cannons fire upon them. But what if the ship is covered with iron? Assuming it doesn't sink to the bottom of the ocean, wouldn't it be stronger and better than any other ship out there? This is the question that begins a race between the North and the South to come up with the biggest, best ironclad warships. Here is the story of the USS Monitor and the CSS Virginia (also called the Merrimack), two of the world's first ironclad ships, and their fascinating role in the Civil War. Through their ironclad battle, you will get a wider perspective to the war. Meet Abraham Lincoln and his cabinet. Learn about General Winfield Scott's Anaconda Plan to cut off the South from any outside support. And meet Gideon Welles, Lincoln's "Father Neptune" and secretary of the Navy. Sail back in time and learn of a battle that changed warfare, and a war that changed history. Nathan Hale's Hazardous Tales! Read them all—if you dare! One Dead Spy: A Revolutionary War Tale (#1) *Big Bad Ironclad!:* A Civil War Tale (#2) Donner Dinner Party: A Pioneer Tale (#3) Treaties, Trenches, Mud, and Blood: A World War I Tale (#4) The Underground Abductor: An Abolitionist Tale about Harriet Tubman (#5) Alamo All-Stars: A Texas Tale (#6) Raid of No Return: A World War II Tale of the Doolittle Raid (#7) Lafayette!: A Revolutionary War Tale (#8) Major Impossible: A Grand Canyon Tale (#9) Blades of Freedom: A Tale of Haiti, Napoleon, and the Louisiana Purchase (#10) Cold War Correspondent: A Korean War Tale (#11) Above the Trenches: A WWI Flying Ace Tale (#12)

Nathan Bedford Forrest and the Battle of Fort Pillow Apr 11 2022 Yankee

historians delight in calling Confederate General Nathan Bedford Forrest "the Butcher of Fort Pillow," claiming that he instigated a "racist massacre" of surrendering black Union troops during the battle at Henning, Tennessee, on April 12, 1864. But is this true? Of course not. It is merely the North's fabricated version, one based not on reality, but on opinion, nescience, emotion, sciolism, presentism, spite, and an anti-South bias that is still very much alive to this day. For those who are interested in the truth about the conflict, award-winning historian and Forrest scholar Lochlainn Seabrook has written "Nathan Bedford Forrest and the Battle of Fort Pillow: Yankee Myth, Confederate Fact." This brief but comprehensive investigation blows the lid off what pro-North writers like to refer to as a "controversy," but which was in fact nothing more than an ordinary fight in which an overwhelming force (2,500 racially integrated Confederates) assaulted an indefensible fort filled with belligerent drunken soldiers (600 racially segregated Yankees) who refused to surrender in the face of impossible odds. Excerpted from Mr. Seabrook's popular title "A Rebel Born: A Defense of Nathan Bedford Forrest," the book contains dozens of pages of new material, along with rare photos and illustrations, maps, details concerning the origins of the battle and the charges against Forrest, official reports, and important eyewitness accounts by those at the scene. Also included: an index, bibliography, and reference notes. This book, which helps restore Forrest's reputation after being unfairly tarnished by 150 years of slander, falsehoods, and anti-South propaganda, is a must-read for all those who are in search of the truth about "Nathan Bedford Forrest and the Battle of Fort Pillow." For the traditional South Mr. Seabrook's work represents the final word on the matter. Civil War scholar Lochlainn Seabrook, a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45 books. A seventh-generation Kentuckian of Appalachian heritage and the sixth great-grandson of the Earl of Oxford, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" Seabrook's other titles include: "Confederate Flag Facts: What Every American Should Know About Dixie's Southern Cross"; "Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!"; "The Great Yankee Coverup: What the North Doesn't Want You to Know About Lincoln's War"; "Give This Book to a Yankee: A Southern Guide to the Civil War for Northerners"; "Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition"; "Slavery 101: Amazing Facts You Never Knew About America's 'Peculiar Institution'"; "Forrest! 99 Reasons to Love Nathan Bedford Forrest"; "Honest Jeff and Dishonest Abe: A Southern Children's Guide to the Civil War"; "The Unquotable Abraham Lincoln: The President's Quote They Don't Want You to Know!"; "The Quotable Stonewall Jackson"; "The Alexander H.

Stephens Reader"; "The Constitution of the Confederate States of America Explained"; and "The Old Rebel: Robert E. Lee As He Was Seen By His Contemporaries."

The Viral Storm Jan 09 2022 "The "Indiana Jones" of virus hunters reveals the complex interactions between humans and viruses, and the threat from viruses that jump from species to species"-- Provided by publisher.

A Soldier of Three Wars Aug 16 2022 This is a curated and comprehensive collection of the most important works covering matters related to national security, diplomacy, defense, war, strategy, and tactics. The collection spans centuries of thought and experience, and includes the latest analysis of international threats, both conventional and asymmetric. It also includes riveting first person accounts of historic battles and wars. Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world. As with any reproduction of a historical artifact, some of these books contain missing or blurred pages, poor pictures, errant marks, etc. We believe these books are essential to this collection and the study of war, and have therefore brought them back into print, despite these imperfections. We hope you enjoy the unmatched breadth and depth of this collection, from the historical to the just-published works.

The Plea of Clarence Darrow, August 22nd, 23rd & 25th, MCMXXIII, in Defense of Richard Loeb and Nathan Leopold, Jr., on Trial for Murder Mar 03 2024 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Mixer and Server Jan 26 2021

Northeastern Reporter Feb 27 2021 Includes the decisions of the Supreme Courts of Massachusetts, Ohio, Indiana, and Illinois, and Court of Appeals of New York; May/July 1891-Mar./Apr. 1936, Appellate Court of Indiana; Dec. 1926/Feb. 1927-Mar./Apr. 1936, Courts of Appeals of Ohio.

Nathan's Run Apr 04 2024 An innocent boy is on the run from the law and a ruthless assassin in the New York Times bestselling author's "heart-pounding tale of suspense" (People). After a guard is murdered at a juvenile detention center and one of the inmates is found missing, it appears that Nathan Bailey has

graduated from car thief to cold-blooded killer. Now the subject of a nationwide manhunt, Nathan is the most wanted fugitive in America—and only twelve years old. But Nathan is also the target of another kind of hunt. After escaping his corrupt uncle and killing that guard in self-defense, he has more to fear than legal prosecution. He's also the target of a savage hit man. To survive he has only himself, his smarts, and his honesty to depend on. But will that be enough as he takes on a world of violence beyond his comprehension? "Fast, intriguing . . . a clever plot with enough menace to keep readers on the edge of their seats."
—Boston Herald

In Defense of Kant's Religion Aug 28 2023 Chris L. Firestone and Nathan Jacobs integrate and interpret the work of leading Kant scholars to come to a new and deeper understanding of Kant's difficult book, *Religion within the Boundaries of Mere Reason*. In this text, Kant's vocabulary and language are especially tortured and convoluted. Readers have often lost sight of the thinker's deep ties to Christianity and questioned the viability of the work as serious philosophy of religion. Firestone and Jacobs provide strong and cogent grounds for taking Kant's religion seriously and defend him against the charges of incoherence. In their reading, Christian essentials are incorporated into the confines of reason, and they argue that Kant establishes a rational religious faith in accord with religious conviction as it is elaborated in his mature philosophy. For readers at all levels, this book articulates a way to ground religion and theology in a fully fledged defense of Religion which is linked to the larger corpus of Kant's philosophical enterprise.

Football's Fierce Defenses Feb 02 2024 Biographies of defensive linemen of professional ball, including the "Fearsome Foursome" of the Los Angeles Rams, "Purple People Eaters" of the Minnesota Vikings, and "Orange Crush" of the Denver Broncos.
