You can find more comprehensive guide for the most common nursing interview questions from this extremely well reviewed guide "Cracking the Nursing Interview" by Jim Keogh [here](#), which I can recommend.

Q1: What made you choose nursing as a career?

A: I've always loved nursing, but my interest in healthcare really started when I volunteered at a homeless shelter in college. This really inspired me to pursue a career where I could devote my time to looking after others. The more times I volunteered, the more I knew that nursing was what I really wanted to do.

I wanted to do something that is challenging, interesting and make's a real difference in people's lives. I feel very passionate about the healthcare profession and also see it as a way of contributing positively to society.

My mother was a nurse and when I was growing up I saw the satisfaction she gained by helping others. This also contributed very greater to my interest in pursuing nursing as a career.
