**Signing the Body Poetic** May 02 2021 This unique collection of essays, accompanied by videos, at last brings a dazzling view of the literary, social, and performative aspects of American Sign Language to a wide audience. The book presents the work of a renowned and diverse group of deaf, hard-of-hearing, and hearing scholars who examine original ASL poetry, narrative, and drama. The videos showcases the poems and narratives under discussion in their original form, providing access to them for hearing non-signers for the first time. Together, the book and videos provide new insight into the history, culture, and creative achievements of the deaf community while expanding the scope of the visual and performing arts, literary criticism, and comparative literature. The videos may be viewed online at [ucpress.edu/go/signingthebodypoetic](http://ucpress.edu/go/signingthebodypoetic).

*Learn American Sign Language* Aug 17 2022 Over half a million people communicate in American Sign Language (ASL) each day; this is your chance to learn the first 250 signs of this comprehensive language, with *Learn American Sign Language*. American Sign Language is a vibrant language that is surprisingly easy-to-learn. Current with the latest additions to ASL, and filled with hundreds of photographs, *Learn American Sign Language* is the most comprehensive beginner's guide of its kind. *Learn American Sign Language* is a kit which includes 50 flash cards, one large poster, and an 80-page instruction book. Using these tools, you will learn more than 250 signs which you'll be able to combine into phrases. Some of the signs you will learn include signs for: Things at school In the workplace Around the house Out and about Food and drink Nature Emotions Small talk and more Unlock the storytelling possibilities of ASL with classifiers, easy ways to modify signs, and find out how to make sentences with signs by using the proper facial expressions.

**The American Sign Language Phrase Book** Feb 20 2023 Open up a whole new world of communication through ASL You can easily learn ASL with help from *The American Sign Language Phrase Book*. With more than 500 phrases, this is the reference guide to everyday expressions in American Sign Language, providing a quick way for you to converse with deaf people. Clearly illustrated with hundreds of line drawings, this book focuses on areas such as health, family, school, sports, travel, religion, time, money, food and drink, and small talk. This edition's new chapter on technology boasts 50 phrases to help you communicate about the Internet, computing, video relay, and more. There is even a chapter that gives you phrases for communicating about signing: asking people to sign slower, indicating your fingerspelling ability, and requesting help with your fledgling skills. From asking simple questions ("How are you?") to more complex phrases ("There's no sign for that, you have to fingerspell it."), *The American Sign Language Phrase Book* gives you the power to communicate easily and comfortably in ASL.

**Communicating in Sign** Mar 31 2021 Places ASL within the context of Deaf culture.

**American Sign Language** Aug 05 2021

[The History of American Sign Language "A.S.L."](#) May 06 2024

**The History of American Sign Language** Oct 07 2021 American Sign Language, commonly known as, "A.S.L." has a rich history that is seldom told. It is truly the original language of the United States. Just like the diversity of U.S.A. citizens, this language is an assimilation of languages and cultures blended together to create a unique language that has stood the test of time and controversies. This book explores the origins, heros, and development of this language. An easy to read format with photos and illustrations for readers of all ages to enjoy.

**Barron's Dictionary of American Sign Language** Dec 21 2022 Presenting ultra-clear, close-up color photos that depict more than 1,000 signs and their meanings, *Barron's Dictionary of American Sign Language* is destined to become a basic reference source for all who want to learn more about signing, expand their signing vocabulary, and be certain that they are signing properly. Unlike most other sign language dictionaries, this book simply pairs photos with the words they designate and dispenses with traditional word definitions. Thus, the emphasis is placed on the information that every signer needs: correct formation of hand shapes to eliminate confusion and make communicating in ASL virtually effortless. The photos are

supplemented with directional arrows to indicate hand or arm movements plus succinct written descriptions of hand and finger formations. Carefully checked and edited by ASL experts, and including notes on the history of sign language, this volume makes a superb resource for members of the hearing-impaired community, for those who work with them, and for all others who wish to learn the American Sign Language. Approximately 2,000 color photos.

**Learn American Sign Language** Apr 05 2024 Here is the ultimate guide to learning American Sign Language including finger spelling, numbers, inflections, and hand shapes.

**American Sign Language** Oct 31 2023 The videocassettes illustrate dialogues for the text it accompanies, and also provides ASL stories, poems and dramatic prose for classroom use. Each dialogue is presented three times to allow the student to "converse with" each signer. Also demonstrates the grammar and structure of sign language. The teacher's text on grammar and culture focuses on the use of three basic types of sentences, four verb inflections, locative relationships and pronouns, etc. by using sign language. The teacher's text on curriculum and methods gives guidelines on teaching American Sign Language and Structured activities for classroom use.

**American Sign Language** Nov 07 2021 Explores the history of American Sign Language and deaf culture, including ongoing controversies within the deaf community today.

Linguistics of American Sign Language Jun 14 2022 Completely reorganized to reflect the growing intricacy of the study of ASL linguistics, the 5th edition presents 26 units in seven parts, including new sections on Black ASL and new sign demonstrations in the DVD.

**Signs Across America** Jan 22 2023 Signs Across America provides a fascinating and unique look at regional variations in American Sign Language. The authors contacted native signers in 25 states to find out their signs for 130 selected words. The results--more than 1,200 signs--are illustrated in this book. It is an invaluable reference for teachers of American Sign Language that explores the subtle differences in signs from different geographic areas.

**Sign Language Made Simple** May 26 2023 Sign Language Made Simple will include five Parts: Part One: an introduction, how to use this book, a brief history of signing and an explanation of how signing is different from other languages, including its use of non-manual markers (the use of brow, mouth, etc in signing.) Part Two: Fingerspelling: the signing alphabet illustrated, the relationship between signing alphabet and ASL signs Part Three: Dictionary of ASL signs: concrete nouns, abstractions, verbs, describers, other parts of speech--approx. 1,000 illustrations. Will also include instructions for non-manual markers, where appropriate. Part Four: Putting it all together: sentences and transitions, includes rudimentary sentences and lines from poems, bible verses, famous quotes--all illustrated. Also, grammatical aspects, word endings, tenses. Part Five: The Humor of Signing: puns, word plays and jokes. Sign Language Made Simple will have over 1,200 illustrations, be easy to use, fun to read and more competitively priced than the competition. It's a knockout addition to the Made Simple list.

The Everything Sign Language Book Sep 29 2023 Discover the intricacies of American Sign Language with this comprehensive, essential guide to learning the basics of sign language. The appeal of American Sign Language (ASL) has extended beyond the Deaf community into the mainstream—it's even popular as a class in high school and college. You are guided through the basics of ASL with clear instruction and more than 300 illustrations. With a minimum of time and effort, you will learn to sign: the ASL alphabet; questions and common expressions; numbers, money, and time. With info on signing etiquette, communicating with people in the Deaf community, and using ASL to aid child development, this book makes signing fun for the entire family.

Forbidden Signs Apr 24 2023 Forbidden Signs explores American culture from the mid-nineteenth century to 1920 through the lens of one striking episode: the campaign led by Alexander Graham Bell and other prominent Americans to suppress the use of sign language among deaf people. The ensuing debate over sign language invoked such fundamental questions as what distinguished Americans from non-Americans, civilized people from "savages," humans from animals, men from women, the natural from the unnatural, and the normal from the abnormal. An advocate of the return to sign language, Baynton found that although the grounds of the debate have shifted, educators still base decisions on many of the same metaphors and images that led to the misguided efforts to eradicate sign language. "Baynton's brilliant and detailed history, Forbidden Signs, reminds us that debates over the use of dialects or languages are really the linguistic tip of a mostly submerged argument about power, social control, nationalism, who has the right to speak and who has the right to control modes of speech."—Lennard J. Davis, The Nation "Forbidden Signs is replete with good things."—Hugh Kenner, New York Times Book Review

*Barron's 500 Flash Cards of American Sign Language* Sep 05 2021 "This boxed set of ASL flash cards features 500 signs, and is an essential reference tool for those learning to sign. Supplied in alphabetical order, nearly all signs are displayed with two photographs and directional arrows are included where appropriate, ensuring that handshapes are correctly formed so that signs

are perfectly executed and communication is made effortless."--Guide

American Sign Language Dec 09 2021 Learning a new language is easier than you think! This informative book teaches you the basics of American Sign Language. As many as two million Americans communicate with American Sign Language, making it the third most-used language in the United States. American Sign Language uses easy-to-follow photographs to teach you the alphabet, numbers, and simple words and phrases. Divided into categories—such as animals, people, and pronouns—the book and accompanying flash cards show you how to use your hands to communicate. Once you've learned the alphabet, you'll build on that knowledge to learn the words for “friend,” “family,” and so much more! And when you see how the words for “chicken” and “cat” evoke a chicken opening and closing its beak and a cat stroking its whiskers, you'll truly understand how intuitive and enjoyable learning American Sign Language can be!

*Linguistics of American Sign Language* Jun 07 2024 New 4th Edition completely revised and updated with new DVD now available; ISBN 1-56368-283-4.

*The Story of American Sign Language* May 14 2022 Join three Deaf children as they travel back in time to learn about the birth of American Sign Language. This book, written by a Deaf history teacher and his son, includes a Deaf school map, historical notes, and references.

The Syntax of American Sign Language Dec 01 2023 Recent research on the syntax of signed language has revealed that, apart from some modality-specific differences, signed languages are organized according to the same underlying principles as spoken languages. This book addresses the organization and distribution of functional categories in American Sign Language (ASL), focusing on tense, agreement and wh-constructions.

**Introduction to American Sign Language** Jan 02 2024

**E-Z American Sign Language** Mar 12 2022 This heavily illustrated, self-teaching guide to ASL--American Sign Language--is useful both for the deaf and for those men and women who teach or work among deaf people. E-Z American Sign Language presents ASL's 10 key grammatical rules and emphasizes the use of "facial grammar" as an important supplement to manual signing. Most of the book's content takes the form of a presentation of more than 800 captioned line drawings that illustrate signs for their equivalent words and then show how to combine signs in order to communicate detailed statements. Barron's E-Z Series books are updated, and re-formatted editions of Barron's older and perennially popular Easy Way books. Titles in the new E-Z Series feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever. All are self-teaching manuals that cover a wide variety of practical and academic subjects, written on levels that range from senior high school to college-101 standards.

*Barron's American Sign Language* Mar 24 2023 Barron's American Sign Language is a brand-new title on ASL that can be used in the classroom, as a supplemental text to high school and college courses, or for anyone who wants to learn proper ASL. The only book with comprehensive instruction and online graded video practice quizzes, plus a comprehensive final video exam. Content includes topics on the Deaf culture and community, ASL Grammar, fingerspelling, combining signs to construct detailed sentences, Everyday ASL, and much more. More than 1,000 illustrations of signs with instructions on movement--step-by-step with dialogue, tip boxes, and practice exercises and quizzes throughout to reinforce retention and to track your progress.
