Strategic Compensation in Canada Parbudyal Singh, Richard J. Long, 2022 Strategic Compensation Management 7e is a market leading text in Top Hat's Human Resource Management series. There is expanded coverage and numerous examples that have been included to capture new research in the field of Compensation. This edition includes one new Appendix case, Patriot Holdings Inc, as well as the new ABC case providing students with the opportunity to design a compensation system from formulation of compensation strategy to implementation of the new compensation system. Now included with the purchase of the Strategic Compensation Management 7e is an online simulation and workbook at no additional cost to the student. The 7th edition simulation includes an updated Duplox Case as well as one brand new case. Get in touch with your Top Hat Account Executive for more information.
