MASTER YOUR NEW SAMSUNG GALAXY TAB S6 WITH THESE TIPS AND TRICKS GUIDEThe Galaxy Tab S6 is a slim, stylish slate that looks every bit as premium as the iPad Pro. The Galaxy Tab S6 is excellent, offering a premium

design, vibrant display and speedy performance. The included updated S Pen stylus, for example, can be used as a wireless shutter release for capturing photos and video with the tablet's dual rear cameras - a first for a Samsung tablet. The pen magnetically snaps strongly to the rear of the tablet for storage and to wirelessly charge it. The increased performance is better for day-to-day stuff, but you'll also see the benefits when using DeX, Samsung's desktop interface for Android, which makes it feel more like a PC. DeX goes hand in hand with the Tab S6's new Book Cover Keyboard. DeX is better on the tab S6 than it has been on any other Samsung tablet. That is partly because you can now transition from Android to DeX via a dedicated DeX key that when pressed, switches you between the two modes. We've scoured deep into this TAB to root-out every tips and tricks that you need to master your device like a pro. This book is a detailed in DEPTH guide that will help you to maximize your Samsung Galaxy Tab
