*Illuminati 2* Henry Makow, 2010-04-28 THE EMERGING NEW WORLD ORDER A depraved satanic cult called the Illuminati is waging a covert war against humanity This is the key to understanding mankind s tragic history and current predicament For more than a thousand years Cabalist money lenders have conspired to usurp power from church and aristocracy according to a plan detailed in The Protocols of the Elders of Zion This plan does not represent Jews but only a small cabal of bankers who organized in Masonic secret societies They intermarried with prominent Gentiles and formed a vast occult and criminal underground They are stealthily constructing a totalitarian world government Taking God s place secularism is a transition step to their Satanism They involve nations in needless wars and enthrall the masses with porn violence trivia and toys They attack our sources of identity and love God religion family gender country and race in order to stymie and dehumanize us Sounds incredible but after reading some of these 90 short essays you ll nod in agreement Their goal is to control your mind If you know the truth they can t

*Cruel Hoax* Henry Makow, 2007 Feminism our official gender ideology masquerades as a movement for women s rights In reality feminism is a cruel hoax telling women their natural biological instincts are socially constructed to oppress them Feminism is elite social engineering designed to neuter both sexes It makes women less fit for marriage and motherhood and men unable to lead and sacrifice for family The Rockefellers and Rothschilds created feminism to poison male female relations divide and conquer Their objective is totalitarian world government Why These bankers create money out of nothing and think they are God Cruel Hoax shows the connection between feminism Communism and 9 11 It examines male female relations and how we can take back our heterosexuality

**Illuminati3: Satanic Possession: There Is Only One Conspiracy** Henry Makow Ph. D., 2014-04 From the Introduction What passes as spontaneous social change is in fact an organized process of satanic possession This development is not an isolated or recent phenomenon Western society is based on a rebellion against God and the natural and moral order The so called Enlightenment refers to Lucifer as the light giver It was an assertion of the Illuminati s determination to reject Reality the Creator s Design and construct an artificial reality more conducive to their interests and perversions This is what the Cabalist bankers mean by remaking the world or changing the world There is no way to sugarcoat this Satanist Cabalist Jews and Freemasons are waging a covert war against God and man and are close to achieving victory Many Jews and Freemasons have been a subversive force throughout history the real reason for anti Semitism Of course the majority of Jews and Christians aren t aware of this process of satanic possession We have all succumbed to it Passing as secularism and humanism Satanism is the secret religion of the West

*Seduction of Deceit* Beau Smith, Charles Dixon, 1990

*The Flat Earth as Key to Decrypt the Book of Enoch* Zen Garcia, 2015-09-26 Shortly after accepting the flat earth as a model for the world I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as the motion of the sun and moon As I began to read chapters 71 82 I found to my utter amazement that I was able to grasp those passages I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch s description of the revolution of the sun and the moon As seen from above the flat circular plane of the earth as described by Isaiah and that Enoch must have been taken up to perhaps where Polaris is centered directly above the North Pole and while looking down at the backdrop of the earth was instructed on the motions of both the sun and moon Without such conception it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet

**Mistrust** Matthew Carey,2017 Trust occupies a unique place in contemporary discourse Seen as both necessary and good it is variously depicted as enhancing the social fabric lowering crime rates increasing happiness and generating prosperity It allows for complex political systems permits human communication underpins financial instruments and economic institutions and holds society itself together There is scant space within this vision for a nuanced discussion of mistrust With few exceptions it is treated as little more than a corrosive absence This monograph instead proposes an ethnographic and conceptual exploration of mistrust as a legitimate epistemological stance in its own right It examines the impact of mistrust on practices of conversation and communication friendship and society as well as politics and cooperation and suggests that suspicion doubt and uncertainty can also ground ways of organizing human society and cooperating with others

**The Dark Side of Isaac Newton** Nick Kollerstrom,2019-02 Isaac Newton was accorded a semi divine status in the 18th and 19th centuries whereby his image linked together religion and science The real human being behind the demi god image has tended to be lost He was a person who took credit from others and crushed the reputations of those to whom he owed most This most brilliant of mathematicians could alas be devious deceptive and duplicitous This work doesn t go looking at unpublished alchemical musings as is nowadays fashionable rather it sticks to the historical record At the time when the new science was born we scrutinize the ways in which he failed to discover the law of gravity or invent calculus What exactly did Leibniz mean by describing him as a mind neither fair nor honest Why did Robert Hooke describe him as the veriest knave in all the house and why was the astronomer Flamsteed calling him SIN Sir Isaac Newton We are here concerned to give him credit for what he did discover which may not be quite what you had been told This book redefines the genius of Isaac Newton but without the heavily mythologised baggage of a bygone era He believed in one God one law and one bank

**Siege of Eden** C Baker, 2019-11-25 In 1776 young Alexander Horn studies quietly in a German monastery as Professor Adam Weishaupt conjures a revolutionary secret society nearby Neither men seem likely candidates to maneuver the elites of their day through the shadowy birth of a world wide movement Yet their surprising destinies would become the inspiration behind bestselling books and blockbuster films of modern times The two are quickly entangled One implements an astonishing plan to unravel the very fabric of society the other is poised within a secret identity to expose the dark spirit of antichrist As a new nation struggles to be born in the West a conspiracy for the world s soul tests both men s resolve Only one will escape the warping lure of intellectual hubris political intrigue and ultimate power Based on real events Siege of Eden is a historical tour de force that will claim you as a wide eyed participant at the birth of the Illuminati and the rise of today s New World Order
