**The Red Sea Rules** Dec 17 2022 Bestselling author Robert Morgan offers ten strategies for dealing with hard times and discouragements in order to move from fear to faith—a divine protocol for handling life. Red Sea Rules has been updated with new study questions. Life is hard, especially for Christians. It is certain that we will face difficulties and that God will allow them. But just as certain is the fact that the same God who led us in will lead us out. As The Red Sea Rules makes comfortingly clear, He is in control. Using the Israelites' story in Exodus 14 as an example, Robert Morgan offers ten sound strategies for moving from fear to faith. Just as Moses and the Israelites became trapped between Pharaoh's rushing armies and the uncrossable Red Sea, so are we sometimes overwhelmed by life's problems. In The Red Sea Rules, readers will learn strategies to: Realize that God means for you to be where you are Acknowledge your enemy, but keep your eyes on the Lord Stay calm and confident, and give God time to work View your current crisis as a faith builder for the future The Red Sea Rules reveals that even in the midst of seemingly impossible situations, God promises to make a way for us. His loving guidance will protect us through danger, illness, marital strife, financial problems, or whatever challenges Satan places in our path. The Red Sea Rules also is available in Spanish, reglas del Mar Rojo.

Pathway to Freedom Oct 15 2022 God’s code of conduct is as relevant and insistent today as it’s always been. The landscape of contemporary society reveals that we neither know nor care much about the Law of God. There is: A general lawlessness in the lives of professing Christians. An absence of the fear of God in public worship and private living. A growing confidence in ourselves and doubt concerning God and His Word. Amidst this moral crisis, the message of the Ten Commandments can give us order, direction, and hope. With dynamic implications for how each of us lives every day,

Pathway to Freedom will challenge you to think long and hard about the significance of God's Law. "We have entered into a time of moral crisis in our culture and in the church as well. Stories about divorce, adultery, and the individualized picking and choosing of doctrines abound. Pathway to Freedom is forthright and necessary teaching that today's church cannot afford to ignore. How now shall we live? The beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments." —CHARLES COLSON, PRISON FELLOWSHIP MINISTRIES, WASHINGTON, D.C.

**Habits of Grace** Apr 28 2021 The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such "habits of grace" are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it's hearing God's voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God's children today.

*Not All Roads Lead to Heaven* May 29 2021 Almost 60 percent of those in American evangelical churches believe that many religions can lead to eternal life. But if Jesus is to be trusted when he says that no one comes to the Father except through him, the church is failing in its mission. And it's

not hard to guess why. An exclusive Jesus just isn't popular in our inclusive world. Dr. Robert Jeffress calls on Christians to recover the exclusive claims of the one they claim as Lord and Savior, not as a way to keep people out of heaven but as the only way to invite them in. He tackles questions like - Can people be saved who have never heard of Christ? - What about those who worship God by another name? - Do children automatically go to Heaven when they die? True compassion for non-Christians doesn't lie in letting them go their way while we go ours, but in sharing the only true way with them.

**Take Back Your Life Bible Study Guide** Oct 27 2023 In this five-session video Bible study (DVD/digital downloads sold separately), pastor and author Levi Lusko reveals how every moment of every day, we must make the choice as to whether we will rely on ourselves to determine the reality of our situation or whether we will trust in God. In the Old Testament, we read how Gehazi, the servant of the prophet Elisha, faced this very dilemma. A bounty had been put on Elisha's head, and an army was now surrounding them. Gehazi was frantic. "Oh no, my lord!" he cried. "What shall we do?" (2 Kings 6:15). "Don't be afraid," Elisha calmly answered. "Those who are with us are more than those who are with them" (verse 16). Gehazi must have wondered if his master had lost his mind. They had maybe five minutes before the soldiers reached them . . . yet here was Elisha practically singing the lyrics to "It's a Small World" and pretending everything was going to be all right. But then the prophet prayed, "Open his eyes, Lord, so that he may see" (verse 17). And with this, Gehazi suddenly saw what his master was seeing: a glorious, greater, and far more powerful army of the Lord surrounding the enemy invaders. When it comes to the trials and crises in our lives, we need to see the reality of our situation with the same "spiritual eyes" as Elisha possessed. What we perceive is not all that is there . . . there are unseen things, spiritual things, eternal things. As the apostle Paul put it, "So we don't look at the troubles we can see now; rather, we fix our gaze on things that cannot be seen. For the things we see now will soon be gone, but the things we cannot see will last forever" (2 Corinthians 4:18 nlt). As we learn to perceive our world through the lens of faith, we gain the strength to do the impossible. Take Back Your Life is a forty-day journey that will challenge you to see your situation with spiritual eyes, identify the roadblocks that get in the way of your faith in Christ, and ultimately take the first steps to become the difference-maker in the world that God created you to be! Designed for use with the Take Back Your Life Video Study available on DVD or streaming video, sold separately.

[Brave by Faith](#) Nov 27 2023 Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.

*Words of Life* May 10 2022 What if the Ten Commandments were not just a set of ancient rules, but a guide to experiencing the good life today? "Adam Hamilton is a teacher of the highest order, able to bridge the gap between very old divine teaching and very current human reality."—Barbara Brown Taylor, author of *Always a Guest: Speaking of Faith Far from Home* Nearly everyone has heard of the Ten Commandments, the list of "thou-shalt-nots" found in the Bible. Jesus saw these commandments not as onerous burdens, but as guideposts to help us experience a good and beautiful life. These ten ancient "words" were given to us by a loving God who longed to set safe boundaries, create order out of chaos, help communities live peacefully, and protect us—often from ourselves. In this book of Scripture and inspiration, bestselling author Adam Hamilton brings modern eyes to the most important set of ethics in history. He considers the commandments in their historical context, considering the meaning of each commandment in Hebrew, unpacking how Jesus reinterpreted them, and showing how every thou-shalt-not was intended to point to a life-giving "thou shalt." He also explores how the latest research in science and psychology illuminates these commandments, rightly understood, as a way of ordering one's life beautifully in the present day. In a culture marked by workaholicism, materialism, and social media-driven envy, God has given us a time-tested path that leads to gratitude, confidence, and peace. A landmark work from one of our most trusted biblical thinkers, *Words of Life* is an inspiring, thought-provoking read for anyone seeking to live a meaningful and joyful life.
