e-Conquer Comprehension Workbook 2 Sep 20 2022 CONQUER COMPREHENSION  
WORKBOOK 2 is designed for students to practise and work on answering the different types of  
comprehension questions found in the multiple-choice and open-ended formats. The passages are  
carefully graded into three levels: Basic, Intermediate, Advanced. The main objective of the Basic  
level is to lay the foundation to build up a student ' s confidence in tackling comprehension. In the  
Intermediate level, the passages encourage higher-level thinking and understanding. The Advanced  
level challenges a student to think beyond the ideas presented in the passages. The wide variety of  
themes and genres also serve to widen a student ' s exposure to the different text types which are  
currently taught in schools. The different questioning techniques aim to develop a student ' s  
comprehension and inference skills. Thinking questions are incorporated to allow a student to  
exercise his opinions and make his conclusions. A glossary is included after every exercise to help  
students comprehend the passage better. It also increases a student ' s vocabulary and will aid in  
other writing, reading and comprehension exercises. These varied and useful exercises should give a  
student greater confidence when doing comprehension tests.
