Unpeople Mark Curtis,2008-09-04 Britain is complicit in the deaths of ten million people These are Unpeople those whose lives are seen as expendable in the pursuit of Britain s economic and political goals In Unpeople Mark Curtis shows that the Blair government is deepening its support for many states promoting terrorism and using evidence unearthed from formerly secret documents reveals for the first time the hidden history of unethical British policies including support for the massacres in Iraq in 1963 the extraordinary private backing of the US in its aggression against Vietnam support for the rise of Ugandan dictator Idi Amin the running of a covert dirty war in Yemen in the 1960s secret campaigns with the US to overthrow the governments of Indonesia and British Guiana the welcoming of General Pinochet s brutal coup in Chile in 1973 and much more This explosive new book from the author of Web of Deceit exposes the reality of the Blair government s foreign policies since the invasion of Iraq It discloses government documents showing that Britain s military is poised for a new phase of global intervention with the US and reveals the extraordinary propaganda campaigns being mounted to obscure the reality of policies from the public

The Lean Startup Eric Ries,2011-09-13 Most startups fail But many of those failures are preventable The Lean Startup is a new approach being adopted across the globe changing the way companies are built and new products are launched Eric Ries defines a startup as an organization dedicated to creating something new under conditions of extreme uncertainty This is just as true for one person in a garage or a group of seasoned professionals in a Fortune 500 boardroom What they have in common is a mission to penetrate that fog of uncertainty to discover a successful path to a sustainable business The Lean Startup approach fosters companies that are both more capital efficient and that leverage human creativity more effectively Inspired by lessons from lean manufacturing it relies on validated learning rapid scientific experimentation as well as a number of counter intuitive practices that shorten product development cycles measure actual progress without resorting to vanity metrics and learn what customers really want It enables a company to shift directions with agility altering plans inch by inch minute by minute Rather than wasting time creating elaborate business plans The Lean Startup offers entrepreneurs in companies of all sizes a way to test their vision continuously to adapt and adjust before it s too late Ries provides a scientific approach to creating and managing successful startups in a age when companies need to innovate more than ever
