Music in The Girl's Own Paper: An Annotated Catalogue, 1880-1910 Jun 10 2022 Nineteenth-century British periodicals for girls and women offer a wealth of material to understand how girls and women fit into their social and cultural worlds, of which music making was an important part. The Girl's Own Paper, first published in 1880, stands out because of its rich musical content. Keeping practical usefulness as a research tool and as a guide to further reading in mind, Judith Barger has catalogued the musical content found in the weekly and later monthly issues during the magazine's first thirty years, in music scores, instalments of serialized fiction about musicians, music-related nonfiction, poetry with a musical title or theme, illustrations depicting music making and replies to musical correspondents. The

book's introductory chapter reveals how content in The Girl's Own Paper changed over time to reflect a shift in women's music making from a female accomplishment to an increasingly professional role within the discipline, using 'the piano girl' as a case study. A comparison with musical content found in The Boy's Own Paper over the same time span offers additional insight into musical content chosen for the girls' magazine. A user's guide precedes the chronological annotated catalogue; the indexes that follow reveal the magazine's diversity of approach to the subject of music.

Birdie's Big-Girl Dress Jul 04 2024 That night, Birdie dreamed of dresses-- fluttery floral sundresses... lovely lace sheaths... chic chiffon gowns... In this follow-up to Birdie's Big-Girl Shoes, our favorite pint-sized fashionista is looking forward to a very BIG day--her birthday. But when Birdie tries on her favorite party

dress, she realizes that - oh no! - it's too small. Mommy takes her to the boutique, where she tries on dress after dress, but Birdie realizes that none of these gowns will allow her to run and jump, make messes, and eat cake. Only when she takes a trip up to her favorite thinking place, the attic, does she realize that all it takes to find the perfect "Birdie dress" is a little imagination.

The Natural Child Dec 17 2022 Discover an age-old parenting method that treats children with dignity, respect, understanding, and compassion from infancy into adulthood. The Natural Child makes a compelling case for a return to attachment parenting, a child-rearing approach that has come naturally for parents throughout most of human history. In this insightful

guide, parenting specialist Jan Hunt links together attachment parenting principles with child advocacy and homeschooling philosophies, offering a consistent approach to raising a loving, trusting, and confident child. The Natural Child dispels the myths of “tough love,” building baby’s self-reliance by ignoring its cries, and the necessity of spanking to enforce discipline. Instead, the book explains the value of extended breast-feeding, family co-sleeping, and minimal child-parent separation. Homeschooling, like attachment parenting, nurtures feelings of self-worth, confidence, and trust. The author draws on respected leaders of the homeschool movement such as John Taylor Gatto and John Holt, guiding the reader through homeschool approaches that support attachment parenting principles. Being an ally to children is spontaneous for caring adults, but intervening on behalf of a child can be awkward and surrounded by social taboo. The Natural Child shows how to stand up for a child’s rights effectively and sensitively in many difficult situations. The role of caring adults, points out Hunt, is not to give children “lessons in life”—but to employ a variation of The Golden Rule, and treat children as we would like to have been treated in childhood. Praise for The Natural Child “I had grown jaded with the flood of parenting books, but The Natural Child is a rare and splendid exception I can’t praise it sufficiently, and would place it along with Leidloff’s Continuum Concept and my own Magical Child It could make an enormous

difference if read widely enough.” —Joseph Chilton Pierce, author of The Magical Child “In prose that is at the same time eloquent and simple, [Hunt] provides a mix of useful parenting tips that are supported by the philosophy that children reflect the treatment they receive. This is no less than an impassioned plea for the future—not only our children’s future, but the future of our way of life on this planet.” —Wendy Priesnitz, Editor, Natural Life Magazine

Carefree Clothes for Girls Aug 25 2023 Full of unhemmed edges, ruffles, buttons, and personality, the garments presented in this book offer whimsical charm and practical playfulness. Intended for girls ages four to seven, each garment is presented in four sizes so readers can find the perfect fit for their own little girl. Full-color photos throughout.

Dress Like a Girl Apr 08 2022 In these beautifully illustrated pages, a diverse cast of slumber party participants considers the most time-honored traditions for how to dress. If a lady should wear white in summertime, then how about donning a spacesuit? If team colors are apropos at sporting events, why not wear helmets and play ball? Uplifting and resonant, and with a variety of interests ranging from sports to science to politics, this book is sure to inspire any young girl, instilling the idea that the best way to dress like a girl is the way that makes you feel most like YOU!

*The Dress and the Girl Feb 29 2024 A little girl and her favorite dress dream of an extraordinary life. They enjoy simple pleasures together on a beautiful Greek island. They watch the sunset, do chores, and pick wildflowers on the way home. One day, the dress and the girl must leave the island and immigrate to the United States. Upon arrival, the girl is separated from the trunk carrying her favorite dress, and she fears her dress is lost forever. Many years later, the girl—now all grown up—spots the dress in a thrift store window. As the two are finally reunited, the memories of their times together come flooding back. While the girl can no longer wear the dress, it's now perfect for her own daughter—and the new journey of a girl and her dress begins. Featuring lush illustrations, *The Dress and the Girl* is a stunning picture book about memory and the power of the*

items we hold most dear.

The Girl in the Striped Dress Mar 27 2021 Auschwitz, 1942: This unforgettable novel, based on a true story, brings to life history's most powerful tale of forbidden love. Set within the barbed wire of Auschwitz, a man and a woman fall in love against unimaginable odds. What happens next will restore your faith in humanity, and make you believe in hope even where hope should not exist "I won't let anything happen to you," he whispered, pressing a note into her hand. Her entire body trembled when she read it: I am in love with you. Helena steps off the cattle train onto the frozen grounds of Auschwitz. She has twenty-four hours to live. Scheduled to be killed tomorrow, she is not even tattooed with a prison number. As the snow falls around her, she shivers, knowing that she has been sentenced to death for a crime she didn't commit. When a gray-clad officer marches towards Helena and pulls her away, she fears the worst. Instead, he tells her that it's one of the guard's birthdays and orders her to serenade him. Inside the SS barracks the air is warm, thick with cigarette smoke and boisterous conversation. After she sings to the guard, Franz, he presses a piece of cake into her hands--the first thing she has eaten in days. On the spot, he orders her life to be saved, forever changing the course of her fate. What follows is a love story that was forbidden, that should have been impossible, and yet saved both of

their lives--and hundreds of others--in more ways than one. Fans of The Tattooist of Auschwitz, The Choice, and The Orphan Train will be utterly entranced by this unputdownable page-turner. This completely heartbreaking yet beautifully hopeful novel shows that love can survive anything and grow anywhere. This book was previously published as Auschwitz Syndrome. Readers love The Girl in the Striped Dress: "Wow. Wow, wow, WOW. I almost have no words. This was an incredible, heart-wrenching read... Insanely captivating... I cried buckets reading this story... Wow... What a tale. I seriously can't get over this and I'm so glad I was able to read it." Goodreads reviewer, [REDACTED] "Wow!! Time to clear your schedule for the afternoon, coffee pot on and phone turned off--you won't want to put this one down." Avid Reader, [REDACTED] "I loved this... Wow! This stopped me in my tracks and made me shed a tear. We must never ever forget... Stunning." Nicki's Book Blog, [REDACTED]
