*The Book of Questions* Gregory Stock, 2013-09-10 The phenomenon returns Originally published in 1987 The Book of Questions a New York Times bestseller has been completely revised and updated to incorporate the myriad cultural shifts and hot button issues of the past twenty five years making it current and even more appealing This is a book for personal growth a tool for deepening relationships a lively conversation starter for the family dinner table a fun way to pass the time in the car It poses over 300 questions that invite people to explore the most fascinating of subjects themselves and how they really feel about the world The revised edition includes more than 100 all new questions that delve into such topics as the disappearing border between man and machine How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer The challenges of being a parent Would you completely rewrite your child s college application essays if it would help him get into a better school The never endingly interesting topic of sex Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have And of course the meaning of it all If you were handed an envelope with the date of your death

inside and you knew you could do nothing to alter your fate would you look The Book of Questions may be the only publication that challenges and even changes the way you view the world without offering a single opinion of its own

**Business Quiz Book** SAURABH AGGARWAL,2012-11-15 This book has a defined objective to emulate the framing of questions that are often asked in business quizzes these days There are over 30 sections from automobiles advertising businessmen FMCG to publications management terms quality control management quotes A special section for visual questions that are part of almost every business quiz these days has also been included The book will serve not just as a stepping stone for people who are interested in business quizzing but will prove to be an ideal compendium for all aspirants searching for admission to professional colleges or career options in banking insurance defence railways state central government services besides many other top tier professions v publishers
