Let It Go T.D. Jakes,2013-01-29 Shares uplifting advice about the virtues of forgiveness offering strategic and biblically based advice on how to achieve peace and personal fulfillment by letting go of past wrongs A Travel Guide to Heaven for Kids Anthony DeStefano,2016-08-30 Soon after his popular *A Travel Guide to Heaven* was published bestselling author Anthony DeStefano recognized that children also have many questions about heaven In celebration of the tenth anniversary of that book Anthony wrote this fun filled action story about a little boy named Joey who gets to take a whirlwind tour of heaven with his guardian angel Gabby Artist Erwin Madrid s stunning illustrations bring the story to life showing heaven to be a place where everyone is happy the animals all get along and God s glory is more amazing than anything Joey had ever seen in his whole life This long awaited children s edition will quickly become a favorite for the reader and the child alike Imagine the comfort and peace children will experience when they hear about this incredible place God has prepared for them *Lyrics of a Small Town* Abbi Glines,2021-07-16 One last thing if you do fall in love with him please go slowly Be careful Trust your gut and know not all things are easy Damaged things can become beautiful if they re placed in the right hands Love GranA small town where pickup trucks rule the farmer s market is bigger than the grocery store and just about everyone goes to church on Sunday is the last place Henley Warren expects to find herself three months after her grandmother s death But Gran left a list of things she needed Henley to do after she died and fulfilling those wishes means spending a summer in the same place her mom fled from when she was only seventeen years old With each task that is ticked off the list events are set in motion that uncover secrets surrounding Henley s life Although Henley may have arrived on the shores of Alabama s Gulf Coast feeling alone and lost in a world without her Gran things soon change The small town holds more than she realized including a broody gorgeous potentially dangerous guy who is always showing up when she needs him the most Henley fears her heart isn t ready to trust someone so unpredictable but he makes her feel things deeper than she thought possible So when Henley discovers the twisted dark world he is living in will it be too late to save her heart Or has her heart been beyond saving from the moment he stepped out of his truck on that very first day *Dear Data* Giorgia Lupi,Stefanie Posavec,2016-09-13 Equal parts mail art data visualization and affectionate correspondence *Dear Data* celebrates the infinitesimal incomplete imperfect yet exquisitely human details of life in the words of Maria Popova Brain Pickings who introduces this charming and graphically powerful book For one year Giorgia Lupi an Italian living in New York and Stefanie Posavec an American in London mapped the particulars of their daily lives as a series of hand drawn postcards they exchanged via mail weekly small portraits as full of emotion as they are data both mundane and magical *Dear Data* reproduces in pinpoint detail the full year s set of cards front and back providing a remarkable portrait of two artists

connected by their attention to the details of their lives including complaints distractions phone addictions physical contact and desires These details illuminate the lives of two remarkable young women and also inspire us to map our own lives including specific suggestions on what data to draw and how A captivating and unique book for designers artists correspondents friends and lovers everywhere

Smart Things Mike Kuniavsky, 2010-09-14 The world of smart shoes appliances and phones is already here but the practice of user experience UX design for ubiquitous computing is still relatively new Design companies like IDEO and frogdesign are regularly asked to design products that unify software interaction device design and service design which are all the key components of ubiquitous computing UX and practicing designers need a way to tackle practical challenges of design Theory is not enough for them luckily the industry is now mature enough to have tried and tested best practices and case studies from the field Smart Things presents a problem solving approach to addressing designers needs and concentrates on process rather than technological detail to keep from being quickly outdated It pays close attention to the capabilities and limitations of the medium in question and discusses the tradeoffs and challenges of design in a commercial environment Divided into two sections frameworks and techniques the book discusses broad design methods and case studies that reflect key aspects of these approaches The book then presents a set of techniques highly valuable to a practicing designer It is intentionally not a comprehensive tutorial of user centered design as that is covered in many other books but it is a handful of techniques useful when designing ubiquitous computing user experiences In short Smart Things gives its readers both the why of this kind of design and the how in well defined chunks Tackles design of products in the post Web world where computers no longer have to be monolithic expensive general purpose devices Features broad frameworks and processes practical advice to help approach specifics and techniques for the unique design challenges Presents case studies that describe in detail how others have solved problems managed trade offs and met successes

Furnishing Eternity David Giffels,2018-01-02 A lifetime s worth of workbench philosophy in a heartfelt memoir about the connection between a father and son Kirkus Reviews the acclaimed author of *The Hard Way on Purpose* confronts mortality survives loss and finds resilience through an unusual woodworking project constructing with his father his own coffin David Giffels grew up fascinated by his father s dusty tool strewn workshop and the countless creations it inspired So when he enlisted his eighty one year old dad to help him build his own casket he thought of it mostly as an opportunity to sharpen his woodworking skills and to spend time together But the unexpected deaths of his mother and a year later his best friend coupled with the dawning realization that his father wouldn t be around forever for such offbeat adventures and neither would he led to a harsh confrontation with mortality and loss Over the course of several seasons Giffels returned to his father s barn in rural Ohio a place cluttered with heirloom tools exotic wood scraps and long memory to continue a pursuit that grew into a meditation on grief and optimism a quest for enlightenment and a way to cherish time with an aging parent With wisdom and humor Giffels grapples with some of the hardest questions we all face as he and his father saw hammer and sand their way through a year bowed by loss *Furnishing Eternity* is an entertaining memoir that moves through gentle absurdism to a poignant meditation on death and what comes before it Publishers Weekly Tender witty and like the woodworking it describes painstakingly and subtly wrought *Furnishing Eternity* continues Giffels s unlikely literary career as the bard of Akron Ohio Only a very skilled engineer of a writer can transform the fits and starts the fitted corners and sudden gouges of the assembly process into a kind of page turning drama The New York Times Book Review

still breaking down walls and nurturing the seeds of the great American experiment The New York Times Book Review The Newcomers follows the lives of twenty two immigrant teenagers throughout the course of the 2015 2016 school year as they land at South High School in Denver Colorado These newcomers from fourteen to nineteen years old come from nations convulsed by drought or famine or war Many come directly from refugee camps after experiencing dire forms of cataclysm Some arrive alone having left or lost every other member of their original family At the center of their story is Mr Williams their dedicated and endlessly resourceful teacher of English Language Acquisition If Mr Williams does his job right the newcomers will leave his class at the end of the school year with basic English skills and new confidence their foundation for becoming Americans and finding a place in their new home Ultimately The Newcomers reads more like an anthropologist s notebook than a work of reportage Helen Thorpe not only observes she chips in her two cents and participates Like her we re moved and agitated by this story of refugee teenagers Donald Trump s gross slander of refugees and immigrants is countered on every page by the evidence of these students lives and characters Los Angeles Review of Books With the US at a political crossroads around questions of immigration multiculturalism and America s role on the global stage Thorpe presents a fresh and nuanced perspective The Newcomers is not only an intimate look at lives immigrant teens live but it is a primer on the art and science of new language acquisition and a portrait of ongoing and emerging global horrors and the human fallout that arrives on our shores USA TODAY
