be about a guy whose made for Hollywood the story takes a rather religious turn as Finch discovers a secret of the Universe that miracles are reality but Finch must struggle with a far from perfect church and the local mental health department This is the story of a most horrifying metamorphosis that can best be regarded as either truly magical or truly insane it is highly evident that Finch characterizes at least one of those two characteristics It seems obvious to many that Finch was crazy but that which lurks in his past may have been indicative of the future What do those numbers mean eh This book includes a series of 24 poems written during the latter portion of the story **The Book of Finch** KRIS ATTFIELD,2010-12-09 The Book of Finch tells the story of the writer who from his personal real life perspective sees himself as a real Topsy Kretts of the motion picture The Number 23 for various reasons you might identify when reading the book Realizing that this movie was a critical flop and he had earned absolutely no money from the sales the Author explains the highlight of his life s story the poorly kept secret OK he never kept it secret of a most unnatural set of experiences that though public entertainment glares the nature of the story most people likely haven t heard about as the ACTUAL TRUTH of the whole matter never found its way into the movie Scan the pages of this book to find the disturbing tale of a reality you may never have suspected the actual existence of and the Author s viewpoint of experiencing it Includes 17 poems written by the author during the latter part of the story **HDTV For Dummies** Danny Briere,Pat Hurley,2007-01-10 Provides information on what a HDTV is how to choose one how to connect it to other equipment programming choices and adding accessories **HWM** ,2007-04 Singapore s leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews
