The Malmariée in the Thirteenth-Century Motet Jun 29 2021 This monograph offers a comprehensive study of the topos of the malmariée or the unhappily married woman within the thirteenth-century motet repertory, a vocal genre characterized by several different texts sounding simultaneously over a foundational Latin chant. Part I examines the malmariée motets from three vantage points: (1) in light of contemporaneous canonist views on marriage; (2) to what degree the French malmariée texts in the upper voices treat the messages inherent in the underlying Latin chant through parody and/or allegory; and (3) interactions among upper-voice texts that invite additional interpretations focused on gender issues. Part II investigates the transmission profile of the motets, as well as of their refrains, revealing not only

intertextual refrain usage between the motets and other genres, but also a significant number of shared refrains between malmariée motets and other motets. Part II furthermore offers insights on the chronology of composition within a given intertextual refrain nexus, and examines how a refrain's meaning can change in a new context. Finally, based on the transmission profile, Part II argues for a lively interest in the topos in the 1270s and 1280s, both through composition of new motets and compilation of earlier ones, with Paris and Arras playing a prominent role.

Reading Joyce's "Circe" Oct 02 2021 This volume is the product of five years' work conducted by the London University Joyce Group on Circe, the longest chapter in Joyce's Ulysses . The essays explore specific, clearly defined themes: ventriloquy, stage directions, England, 'provection,' Circe as a meditation on the problem of totalization, the relationships between Circe and the Irish Literary Theatre, and between the early draft of Circe in V.A. 19 and the first edition text. But the volume also locates discussion within the framework of recent thought about the chapter. The primary features of current thinking on Circe would seem to be a certain scepticism with regard to totalizing accounts of the chapter; increasing attention to its aesthetic and discursive aspects, including the political aspects of its discursive practices; more concentrated

reflection on the way in which Circe recycles material from other chapters in *Ulysses* ; and a growing emphasis on the need to think about the chapter in more plural terms. The essays included here build on such developments to provide an original contribution to recent debate over the aesthetics of Circe.

The Book of Kink Jun 21 2023 How to get your Fifty Shades on... For anyone who's felt...inspired...after reading Fifty Shades of Grey, The Book of Kink both entertains and enlightens, showing you the who, what, where, why, and how of kink. People everywhere are into kinky sex. For some, it's a way to spice up a withered sex life; for others, it's a way of life. No matter how or why we do it, kinky sex is as old as Adam and Eve and as commonplace as your next-door neighbor. For example, did you know: Japan organized the largest orgy ever caught on tape, featuring 500 participants? A Berlin hotel offers different rooms dedicated to kinky sex,

including one with a coffin? Those who are into having sex with an armpit have a fetish called axillism? There is a university dedicated entirely to love and sex called the Loveology University? The Book of Kink is an entertaining and enlightening look into all things beyond the pale when it comes to sex. Exploring everything from equipment, sex classes, sex parties, and porn to the who, what, where, when, why, and how of kink, it delves into fetishes, turn-ons, role-playing, and how the Internet has put a new spin on kinkiness. It is an X-rated romp through cultural and social history and contemporary mores. Whether you're appalled to learn that people actually do this or are relieved to find out that you're not the only one, you'll never see sex the same way again.

Story of a Sociopath Nov 14 2022 I'm scum. Yes, I

always have been. . . . I know what I did, and what I should have done. A spellbinding and provocative psychological thriller that shows just how far a man will go to win the most enduring and ruthless of games: the game of power. Raised in the upper echelons of elite New York society, Thomas Spencer has never wanted for much. But much is hardly enough for a man whose greatest satisfaction lies in shattering the happiness of others. Thomas, the black sheep of his family, harbors only resentment toward those closest to him for what they have more of: good looks, good cheer, good social graces. But what Thomas may lack in charm, he makes up for in cunning. And it is this that will serve him best when he trades in his glittering world of privilege for a chance to claw his way to the top—on his own terms, and at any cost. As Thomas achieves fame and success as an ad man, he becomes ever more deeply entrenched in an insidious underworld of media, politics, and women, and an astonishing picture emerges of a complex, destructive personality who will stop at nothing to get what he wants. Shameless and electrifying, *Story of a Sociopath* illuminates the true nature of power through the mind of a master psychological manipulator.

God Is the Gospel Sep 12 2022 God, who said, "Let light shine out of darkness," has shone in our hearts

to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6 This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying—namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know you the only true God, and

Jesus Christ whom you have sent." This is what makes the gospel-and this book-good news.

That initial fondness or statement of love is no guarantee of long term survival. Being happy and single is a lot easier than being locked into a miserable relationship.

Wandering and Return in Finnegans Wake Jan 05 2022 Guiding readers through the disorienting dreamworld of James Joyce's last work, Kimberly Devlin examines Finnegans Wake as an uncanny text, one that is both strange and familiar. In light of Freud's description of the uncanny as a haunting awareness of earlier, repressed phases of the self, Devlin finds the uncanniness of the Wake rooted in Joyce's rewritings of literary fictions from his earlier artistic periods. She demonstrates the notion of psychological return as she traces the obsessions, scenarios, and images from Joyce's "waking" fictions that resurface in his final dreamtext in uncanny forms, transformed yet discernible, often to uncover hidden, unconscious truths. Drawing on psychoanalytic arguments and recent feminist theory, Devlin maps intertextual connections that reveal many of Joyce's most deeply felt imaginative and intellectual concerns, such as the self in its decentered relationship to language, the elusive

nature of human identity, the anxieties implicit in mortal selfhood, the male subject in its opposition to the female sexual "other." She suggests that the Wake records Joyce's implicit interest in the psychological counterpart to Vico's theory of historical repetition: Freud's theory of the insistent internal return of earlier narratives. How to Text a Girl Jul 23 2023 You're So Close From A Date With Her... ☐☐ Do you know that text a girl could be SIMPLE? Would you like to learn it? If so then keep reading. ☐☐ This easy-to-use, step-by-step guide shows you how to text a girl, what to text, and when to text it to her. You might be messing up with your chances to get a lovely lady to date, when you make calls that you do not know where to go next after the initial greeting and "how are you doing" part of the call. You should not burry yourself in bad experiences that you have gone through so far,

because here is an eBook that will give you a different direction of introducing yourself to lovely women and striking a conversation that will lead to a productive date. The solution that this book provides is in the techniques of texting, because you do not have to reach to a lady through a call only. Texting can do wonders when done in the right way, and that is what we are going to show you in this book. We know facing a lady for the first time is always very nervous and this is where many men fail, when they walk away feeling like losers and the ladies are left wondering what a coward you are. The information in this book has been narrowed down to using texting as a tool to lure a lady and make her want to be with you and stick with you as your woman. When used properly, texting will reveal the kind of person you are and the lady will be able to know the kind of a man she is giving her time to. Eventually she will make her mind whether to agree to your request or simply throw your pleas to the usual dustbin of losers. The battle starts when you plan to engage a certain lady in a conversation, because the process of asking her for the number is an action that gives many men Goosebumps. Not to worry, we will show you how to take that first step and get the vital number that will link you to that lovely lady who is giving you sleepless nights when you think of how lovely she is, and how much you want to spend time with her. We however need to

get some facts right before we get too much into the power of texting when you want a woman. Your failure to get the lady you want may be due to poor interaction or communication techniques, and the fact that you can type some lovely words on your Smartphone instead of voicing them does not guarantee that the lady will accept your requests. You need to do it right to get her attracted to you. The rejection you may have been facing could be as a result of your approach, and that is what you need to change when it comes to texting. The texting style should create enough rapport and attraction for the lady you want to spend your precious time with, and the effort should not go down the drain because the connection of the hard work should be solid. Have a look at how you are supposed to initiate a conversation that will lead to great friendship. This book gives a comprehensive guide on the following: * The approach * Getting her phone number the right way * The perfect first text * Structure of an effective text messaging plan * Bad text messaging behaviors * Turn her on through texts * Sexualizing text messages * Avoid getting rejected by text message * Playing the game with roles * Do's and don'ts: how to be a gentleman * Turning a text into a date * Starting a long-term relationship... An Unexpected Message Dec 28 2023 Dave gets a surprise message from Jane on Facebook. They'd been divorced for over ten years and Jane (Filipino) was in a boring no sex marriage. They start having phone cam sex as Dave had moved to Spain. Then Jane wanted to try some ecstasy again like they used to do in the London Fetish clubs. Jane then

introduces her friend Shoni to the play and they all end up getting high and having sex on cam with Dave. Dave then calls up his friend Dennis who goes round to help Shoni (also Filipino) as she hadn't had sex in 15 years being married to a very old man. He also fucks Jane as Dave watches on cam and then later in the story, Dennis meets Jane in his car and has another session with her as Dave watches the action on his phone. The story involves dogging, phone cam sexting, group sex, watersports, party drugs and so much more disgusting filth... as you would expect from Dante x. All the stories about Dave and Jane's previous sexual exploits are under the "Asian wife" series on Amazon. An Unexpected Message - 10,200 words and 5 chapters. Excerpt from Chapter 1. Next day she messages me again, "Can you talk...?" "Yes..." A picture comes through of her standing in the bathroom naked, nipples erect and her leg up on the bath exposing her newly shaved pussy. "Oh My God... You look so fucking sexy babe.. where are you now...?" "In the car... he's at home sleeping." "So are you parked up...?" "Yes in the ASDA car park." "Hmm so you can't play there... Why don't you drive somewhere more quiet...? Like a park or the dogging place we used to go to on the A6...?" "No, I can't go there alone... Anyway I'm in the corner and can't be seen." "So are you playing with yourself now...?" "No... but I will if you send me another picture... You liked my new

smooth pussy then... hehehe...?" "Oh yes, and I want to know what your wearing now...?" "A red skirt, white blouse and black bra and knickers." "Tell me about your knickers...?" "Black with see through lace at the front." "So your slit is visible...?" "Yes... Now send me a picture and I promise I'll send you one back." "Luckily I was home alone and could strip off and take a nice erect cock shot." "Hmm... That's nice... Here's mine." She sent a picture of her holding her skirt up, sitting in the drivers seat with her legs parted. I could see her camel toe through the black lacy knickers. "Are you naked and wanking your cock...? Where's your wife...?" "Gone out and yes I'm naked in my bedroom... But not sure how long, she'll be coming home soon. Pull your knickers over and open your video cam." The phone went off and a few minutes later a video call came in. She'd placed the phone on the dashboard on a stand, aiming it down between her legs. "Fuck me babe... That's amazing... Pull them over and show me." She pulled her knickers over and rubbed her finger up and down her slit. It was clearly wet and I heard her sigh as she fingered herself. I placed my own phone on the bedside cabinet so she could see me laying on the bed, totally naked and stroking my cock. "Can you get your tits out as well...?" She opened her blouse and pulled her bra up... Her tits looked just as good as when was 25 and we were still married... She started twirling the nipple with one hand and

stroking her pussy with the other. Then she pulled her bra down and closed her blouse."Someone's coming."She quickly sat up and did her blouse up and sat there as if waiting for someone."What's wrong...?" "A cars pulled up next to me with a woman and her son... they're just sitting there. God your cocks so hard and I want to play but can't...!" "Sorry have to go... wife home."I hung up and quickly got dressed.

Here's advice not based on saving your relationship after infidelity—but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters—their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and

their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, *Leave a Cheater, Gain a Life* offers a fresh voice for chumps who want (and need) a new message about infidelity. [ULYSSES \(Modern Classics Series\)](#) Apr 27 2021 This carefully crafted ebook: "ULYSSES (Modern Classics Series)" is formatted for your eReader with a functional and detailed table of contents. Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in

Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*.

Crimes of Winter Jan 17 2023 The third Inspector Sebag mystery "dives deeper into character than most traditional detective yarns and is written with wit, poignancy, and panache" (Kirkus Reviews). Crime, suspense, and marital woes combine in this atmospheric procedural set in the seemingly quiet Mediterranean town of Perpignan. This winter is going to be a rough one for Insp. Gilles Sebag, for he has discovered a terrible truth: his wife has been

cheating on him. Bouncing between depression, whisky, and insomnia, he buries himself in work in an attempt to forget. But his investigations lead him inexorably to bigger tragedies—a woman murdered in a hotel, a depressed man who throws himself from the roof of his building, another who threatens to blow up the neighborhood—all of them involving betrayals of some sort. Perpignan seems to be suffering from a veritable epidemic of crimes of passion. Adultery is everywhere—and each betrayal leads to another dramatic crime. “Vivid and atmospheric . . . A thoughtful, almost lyrical approach to crime fiction, which will appeal to anyone who also liked *In Her Wake*, *The Dying Detective* or *The Bird Tribunal*. Its seasonal themes are also reminiscent of Johan Theorin’s *Oland* quartet, set at a Swedish resort.” —Crime Fiction Lover “The most ambitious thematically. In it, Georget takes the stuff of existential novels and folds it into the crime genre’s formula.” —Los Angeles Review of Books “Engaging . . . The resolution is multilayered and satisfying.” —Publishers Weekly “Fans of French settings will enjoy venturing outside of Paris, and the year-end holiday provides an additional measure of atmosphere to the crimes and solutions here.” —Library Journal
