Never Again, No More 6 Untamed,2022-05-31 In part 6 the final chapter of the Never Again No More series the lives of all the men and women are forever changed as they are forced to come to terms with the consequences of their actions And one thing is for sure none of them will ever be the same again LaMeka and Gavin have a love so pure that it could only be ordained by God but devilish intentions lurk in the shadows and it's a lot closer to home than LaMeka thinks Will the evil intentions of others be the final breaking point of their relationship Despite Lucinda's ultimate betrayal she isn't the only one feasting on forbidden fruit Love still brews under the surface but will it be enough to overcome the extreme perils of their sordid love affair or could the hurt they've caused one another prove to be the final straw Although Terrence's life was spared the events have changed the man that Trinity once knew and loved For Terrence it isn't the circumstances that changed him it's Trinity's actions Will her decisions cause a permanent rift between these lifetime lovers As Charice battles her indecisiveness Ryan and Lincoln may have sealed her fate for her As she comes to grips with what she wants the final decision may no longer be hers to make

The Webster Bible ,2016-10-05 The language of the Bible has no inconsiderable influence in forming and preserving our national language On this account the language of the common version ought to be correct in grammatical construction and in the use of appropriate words This is the more important as men who are accustomed to read the Bible with veneration are apt to contract a predilection for its phraseology and thus to become attached to phrases which are quaint or obsolete This may be a real misfortune for the use of words and phrases when they have ceased to be part of the living language and appear odd or singular impairs the purity of the language and is apt to create a disrelish for it in those who have not by long practice contracted a like predilection It may require some effort to subdue this predilection but it may be done and for the sake of the rising generation it is desirable The language of the scriptures ought to be pure chaste simple and perspicuous free from any words or phrases which may excite observation by their singularity and neither debased by vulgarisms nor tricked out with the ornaments of affected elegance Noah Webster 1833
