Why would God not respond when we pray from the earnestness of our hearts? What is the problem, or better yet, what is the solution? Robert Henderson believes the answer is found in where your prayer actually takes place. We must direct our prayer towards the Courts of Heaven and not only the battlefield. Robert shows that it is in the courtrooms of Heaven where our breakthroughs can be found. When you learn to operate there you will see your answers unlocked and released. This book will teach you the legal processes of Heaven and how to operate in its courts. When you get off the battlefield and into the courtroom you can grant God the legal clearance to fulfill His passion and answer your prayers.

Intercessory Worship Oct 30 2023 A glorious spiritual awakening is on the horizon, sparked by the combustible mix of worship and prayer. Dick Eastman calls this combination "intercessory worship," and in this one-of-a-kind guidebook, he explains how worship-saturated prayer rises like a fragrance before God's throne to declare His glory and reign over all circumstances, relationships and governments—and he shows readers how to engage in life-transforming intercessory worship. Eastman reveals why intercessory worship is the greatest last-days prayer movement in history and invites believers to join the worldwide Body of Christ in fanning the flames of revival through biblical worship and scriptural prayer. The world will be transformed as the presence and power of the Spirit pour forth from the heart of God.

Holy Women, Holy Men May 01 2021 Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

Out of Death Comes Life Mar 03 2024 We too often go through life believing that we are the only ones experiencing pain and frustration. It doesn't dawn on us that the person sitting next to us may be dealing with the same issues we are facing. But refusing to tell each other about these crises, refusing to share our burdens, leaves us holed up inside a cramped little box. Out of Death Comes Life opens up that box and demonstrates that we are all human and we all face real-life crises, regardless of our backgrounds. Author Reverend Troy C. Worship, Warfare and Intercession Mar 11 2022 "Worship, Warfare and Intercession before the Throne of God" was born from the foundry of over twenty-three years ministry of prophetic intercession for the nations. Bob travelled with prophetic intercessors to China and Japan in the Far East, and to many nations on the continents of Asia, Africa, Europe, the Middle East, the Americas, Canada and Australasia. In 2010, in a vision, Bob was caught up into heaven, where the Lord gave him a glimpse of the worship, warfare and intercession before the throne of God. Later, God told him to write the book. "Worship, Warfare and Intercession before the Throne of God" is that book. This book teaches us how we can pattern our worship according to the worship in heaven. It calls us to join with heaven, in intercession and warfare, for the return of the Lord and the setting up of His kingdom on the earth. Events are unfolding at a rapid speed, and the church, the true bride, must get herself ready. Heaven waits to hear her voice, as one sound

with heaven. This book has two parts. Part I describes the worship that Bob experienced in heaven. Bob teaches about the seven aspects of worship in heaven, and how they are key ingredients for our worship in the last days on the earth. He has teamed with Jill Shannon (see www.coffeetalkswithmessiah.com) who produced a worship CD which puts the teachings into a practical manner. This CD is really awesome. Part II of the book is about intercession in heaven. As each seal of the scroll is broken in heaven by the Lamb, the book explodes with the reality of the intercessions in the book of Revelation. These intercessions born out of worship, move events towards a definite purpose: The restoration and renewal of the earth for the return of King Jesus. Heaven invites earth to join in this ONE SOUND of worship, warfare and intercession. The final chapter of the book offers practical suggestions how to use the book and CD for worship and intercession for small groups and larger groups.

Healing through Deliverance Mar 23 2023 Jesus's ministry included not only preaching and teaching, points out British Bible teacher Peter J. Horrobin, but fully one-third of Christ's recorded healings involved deliverance. In this groundbreaking work, Horrobin urges believers to exercise the authority of Jesus in this often-ignored dimension. Through in-depth Scripture teaching, he demonstrates persuasively that the charge Jesus gave his disciples to heal the sick and cast out demons was a vital part of the Great Commission for the whole church for all time. Formerly two volumes, *Healing through Deliverance* is now available in a single hardcover edition. It lays out the biblical foundation for the ministry of healing and deliverance. It also shows how people can become affected by demonic powers and offers keys for bringing about healing through deliverance. Readers will find practical guidelines for building and conducting a healing and deliverance ministry through the local church and in ministry and counseling centers. With this complete work, believers will be equipped to respond to all of God's call--to preach the gospel, heal the sick, and cast out demons.
