Maximillien de Lafayette wrote a book titled 'Book of Ramadosh', which contained 13 Anunnaki-Ulema mind power techniques to live longer, happier, healthier, wealthier. It was published eight times and took the world of occult and esoterica by storm. Although it was abundant with easy to follow lessons and information, and written in a simple language, many readers could not digest everything they read in the book. So, we decided to republish the book as a series of 15 booklets, each one containing only one technique. In this manner, the readers will fully concentrate on each technique without feeling lost in the immensity of information and abundance of concepts they are not familiar with. This booklet is the 11th tome/lesson of the series. Book/Lesson # 4: 'Anunnaki Ulema Dudurisar Technique: Time-Travel to the Past & Future.'

Possibly, this is the greatest book on the Anunnaki-Ulema extraordinary powers ever published in the West. Learn their techniques that will change your life for ever. You will never be the same again. This book reveals knowledge that is thousands of years old. Generally, such a statement brings to mind images of the occult, hidden mysteries, perhaps ancient religious manuscripts. But the Book of Ramadosh is different. It is based on "Transmission of Mind", used eons ago by the Anunnaki and their remnants on Earth. Written by Maximillien de Lafayette, author of 250 books, and the leading authority on Anunnaki/Ulema. The book not only gives you techniques that could bring you health, happiness, and prosperity, but goes deeply into the why and how these techniques do so. How to revisit past/future & travel in time/space; see dead friends & pets in afterlife; secret techniques to open your Conduit & zoom into your Double & multiple universes; bring luck & change your future. Posiblemente, éste sea el más grandioso libro sobre los extraordinarios poderes de los Anunnaki-Ulema jamás publicado en el occidente. Aprenda las técnicas que cambiarán su vida para siempre. Usted jamás volverá a ser la misma. Este libro revela conocimientos que son de más de miles años atrás. Generalmente, tal declaración traería imágenes de lo oculto, misterios herméticos, o quizás antiguos manuscritos religiosos. Este libro de Ramadosh es diferente. Está basado en la "Transmisión de la Mente", usado en tiempos remotos por los Anunnaki y sus remanentes en la Tierra. El libro no sólo le da las técnicas que traerle salud, felicidad, y prosperidad, sino que también profundiza en el porqué y cómo estas técnicas funcionan. Aprenda a cómo visitar el pasado, el futuro y a viajar a través del tiempo y el espacio a los amigos y los animales domésticos ya fallecidos en la vida futura. were never before discussed and explained in any other language than in Arabic. This book is the legal reckoning with the crimes of the Latvian Auxiliary Security Police and its political direction in the Soviet Union, West and East Germany, and the United States in the context of the Cold War. Decades of work by prosecutors have established the facts of Latvian collaboration with the Nazis during the Holocaust. No group made a deeper mark in the annals of atrocity than the men of the so-called 'Arajs Kommando' and their leader, Viktors Arons, who killed tens of thousands of Jews on Latvian soil and participated in every aspect of the 'Holocaust by Bullets.' This study also has great significance for coming to terms with Latvia's encounter with Nazism – a process that was severely distorted by Latvia's domination by the USSR until 1991. Examining the country's most notorious killers, their fates on both sides of the Iron Curtain, and contemporary Latvians' responses in various political contexts, this volume is a record of the earliest phases of this process, which must be understood and to which this book contributes. The subjects introduced in this book are explosive. Most important is the fact that it reveals the potential return of the Anunnaki in 2022, the most frightening transformation that it would bring to the earth. If this is going to happen, a number of the people on earth, those grossly contaminated by Grays' DNA, will be annihilated. Those who are naturally uncontaminated and those who managed to clean themselves completely will be taken up through an antimatter bubble, with the animals and certain important buildings and art and culture objects, and kept safe until the earth would be clean again. Such a scenario is at least, disconcerting. Even if you are not sure whether you are a believer or not, you should consider the possibilities - and the book teaches you exactly how to save yourself. The unimaginable world of Djinn and Afarit. How negative energy destroys people. You are doomed if you live in these areas, the worst spots on Earth and in America. How to understand the Aura. How to eliminate evil thoughts and malicious vibrations targeting your well-being. The stunning beauty of paintings from the afterlife. Prediction: Ivanka Trump will be elected vice president. A nuanced narrative about the intersection of religious and economic life in early Christianity. The divine was an active participant in the economic spheres of the ancient Mediterranean world. Evidence demonstrates that gods and goddesses were represented as owning goods, holding accounts, and producing wealth through the mediation of religious and civic officials. This book argues that early Christ-followers also used financial language to articulate and imagine their relationship to the divine. Theo-economics—intertwined theological and economic logics in which divine and human beings regularly transact with one another—permeates the letters of Paul and other texts connected with Pauline communities. Unlike other studies, which treat the ancient economy and religion separately, Divine Accounting takes seriously the overlapping of the two, such as poverty, labor, social status, suffering, cosmology, and eschatology in material evidence from the ancient Mediterranean and early Christian texts. In 1963, a human skull was discovered in

Kent in south-east England. A brief handwritten note stuck inside the cavity revealed it to be Alum Bhég, an Indian soldier in British service who was executed during the aftermath of the Uprising, or The Indian Mutiny as historians of an earlier era described it. Alum Bhég was blown a cannon for having allegedly murdered British civilians, and his head was brought back as a trophy by an Irish officer present at his execution. The skull is a troublesome relic of both an violence and the brutality and spectacle of British retribution. Kim Wagner presents an intimate vivid account of life and death in British India in the throes of the largest rebellion of the nineteenth century. Fugitive rebels spent months, even years, hiding in the vastness of the Himalayas before they were eventually hunted down and punished by a vengeful colonial state. Examining the colonial practice of collecting and exhibiting human remains, this book offers a critical assessment of British imperialism that speaks to contemporary debates about the legacies of Empire and the myth of the 'Mutiny'. *Illustrated Magazine* (B&W) March 2018. Although it was abundant with easy to follow lessons and information, and written in a simple language, many readers could not digest everything they read in the book. So, we decided to republish the book as a series of 15 booklets, each one containing only one technique. In this manner, the readers will fully concentrate on each technique without feeling lost in the immensity of information and abundance of concepts they are not familiar with. This booklet is the 11th tome/lesson of the series.
