The Gospel Truth May 06 2024 Phoebe, a fifteen-year-old slave living on a Virginia plantation, finds hope and a chance at freedom when a Canadian doctor visits the plantation and secretly plans to free its slaves. **The Gospel Call and True Conversion** Jul 28 2023 The apostle Paul gave the gospel the first place in his preaching, endeavored with all his might to proclaim it clearly, and even went so far as to pronounce a curse upon all those who would pervert its truth. Yet how sad it is that many, even among those considering themselves evangelicals, have reduced the gospel message to a few trite statements to be repeated, and view conversion as a mere human decision. In *The Gospel Call and True Conversion*, Paul Washer challenges such easy believism as he examines the real meaning of things like faith, repentance, and receiving Christ. He also deals extensively with the effects of saving grace that God promises in the new covenant; namely, the creation of new hearts and new people. Table of Contents: PART ONE: The Gospel Call 1. A Call to Repentance 2. A Call to Faith 3. Believe and Confess 4. Receiving Christ 5. Christ at Heart's Door PART TWO: New Hearts and the Nature of True Conversion 6. The Great Motive and End of Salvation 7. The Author of Salvation 8. Separation and Cleansing 9. A New Heart 10. The Effectual Spirit PART THREE: New People and the Nature of True Conversion 11. The Glory of the New Covenant 12. The Making of New People 13. The Christian's Sure Knowledge of God 14. The Heart and Way of God's People 15. The Everlasting Covenant 16. God's Goodness to His People Series Descriptions Although the *Recovering the Gospel* Series does not represent an entirely systematic presentation of the gospel, it does address most of the essential elements, especially those that are most neglected in contemporary Christianity. It is the hope of the author that these words might be a guide to help you rediscover the gospel in all its beauty, scandal, and saving power. It is his prayer that such a rediscovery might transform your life, strengthen your proclamation, and bring the greatest glory to God.

Truth Plus Love Jan 02 2024 Imagine what our world might look like if Christians became known for

remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before--for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. *Truth Plus Love* invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world.

No Half-Truths Allowed: Understanding the Complete Gospel Message Aug 05 2021

When it comes to proclaiming the Gospel message, half-truths, vague notions, and generalizations can be dangerous.

What are the **important truths** we need to know and share with others?

- Is it enough to believe that God loves us and wants a relationship with us?
- Is it enough to "ask Jesus into our hearts"?
- Is it enough to recite the "sinner's prayer," or do we need to repent of our sin?
- Is going to church and serving others enough?
- Is what Jesus suffered more than a gruesome death on a cross?
- If Jesus, who is fully God, was crucified, did God die on Good Friday?
- Is God mad at us when we sin and happy when we're behaving? Can we lose our salvation?

If you're not sure of the answers to any of these questions, **you are not alone**. There are a lot of false ideas out there about Christianity and the Gospel.

Join Christine Paxson and Rose Spiller as they explore the answers to these and many other questions about the true Gospel message in *No Half-Truths Allowed: Understanding the Complete Gospel Message* Learn **what Jesus did for you, why He did it, and how you can articulate the Gospel to others**.

Also available is the companion *No Half-Truths Allowed Study Guide*, an interactive study guide with questions and Scriptures to help readers delve even deeper into understanding the complete Gospel message.

The Gospel & the Zodiac Jun 26 2023 "Darlison elucidates the zodiac's significant place in the Gospels, most specifically in the Book of Mark . . . An intriguing leap into faith" (Kirkus Reviews). For millennia the world has been driven by the differences between the great patriarchal religions. Western civilization—or Christendom, as it was once called—received its values and its confidence from a belief in God, the Father, and Jesus, his only son. But what if this conviction were founded on an error? Who is the man in the factually inconsistent Gospel stories? And who is the man who makes a brief appearance carrying a jar of water? This extraordinary study by a Unitarian minister suggests that Jesus never existed historically; he was simply a representation of an astrological theology—a representation, simply put, of the zodiac sign of Aquarius. In *The Gospel & the Zodiac*, Rev. Bill Darlison demonstrates that all the other signs are present too, in perfect zodiacal order. The Gospel story is not the product of historians or eyewitnesses, but an older, mystical text produced by an ancient, esoteric school as a guide to the Age of Pisces. Every bit as revelatory and controversial as it sounds, *The Gospel & the Zodiac* will shake up the religious status quo, and in doing so, provide both a new look at a religious icon and a deeper understanding of the faith that binds millions together. "Darlison begins by looking at different scholarly approaches to the gospels, then outlines his astrological interpretation logically and lucidly, matching the zodiacal signs to the narrative of Mark." —Fortean Times

Gospel Fluency Aug 17 2022 flu-en-cy / noun :the ability to speak a language easily and effectively Even if they want to, many Christians find it hard to talk to others about Jesus. Is it possible this difficulty is because we're trying to speak a language we haven't actually spent time practicing? To become fluent in a new language, you must immerse yourself in it until you actually start to think about life through it. Becoming fluent in the gospel happens the same way—after believing it, we have to intentionally rehearse it (to ourselves and to others) and immerse ourselves in its truths. Only then will we start to see how everything in our lives, from the mundane to the magnificent, is transformed by the hope of the gospel.

Truth Or Territory Jul 04 2021 This book offers a critique of common spiritual warfare practices including binding Satan, renouncing curses, spiritual mapping and exorcisms. Using Scripture, and Scripture alone, Pastor Jim Osman shows that true spiritual warfare is not a battle over territory, but a battle for the truth. The book is divided into four sections: Establishing Biblical Principles, Exposing Unbiblical Practices, Explaining Biblical Perspectives and Examining a Biblical Passage. A biblical approach to spiritual warfare recognizes the Bible as the sole authority, rejects unbiblical and man-made methods, and rests in Christ and His finished work for victory. Many in the modern spiritual warfare movement teach a methodology of spiritual warfare that is more akin to something you would find in a Harry Potter novel (renouncing curses and using prayer mantras to seize territory) than anything described in Scripture. Many of these practices reflect a theology built on anecdotes, experience, and interviews with demons rather than a sound exegesis of Scripture. Footnoted quotations of authors like Mark Bubeck, Neil T. Anderson, and others are compared against Scripture to show that modern spiritual warfare "experts" have abandoned the authority of Scripture and opted for man-made methods to wage spiritual battle. The chapters include a study of the three enemies that every Christian faces: the world, the flesh, and the devil. Pastor Osman answers from Scripture the questions: Can a Christian be demon-possessed? Is Christ's authority ours? and, What about exorcisms? One chapter includes a helpful discussion of the link between spiritual warfare and a believer's sanctification. The foreword is written by international conference speaker Justin Peters (justinpeters.org). This book is being published as an e-book as a fundraiser to finish the new church building of Kootenai Community Church (www.kootenaichurch.org) of which Jim is one of the pastors. All the proceeds go the building fund for the completion of that project. You can see regular updates at <http://www.truthorterritory.com> .

The Truth of the Gospel Sep 17 2022

Gospel Truth Sep 05 2021 Russell Shorto meticulously investigates Christian history and the Bible's New Testament to reveal the true, historical Jesus Christ. For roughly two thousand years, the world has known only the biblical depiction of Jesus: the virgin birth, miraculous life, and resurrection. Recently, scholars have pursued the historical Jesus Christ by poring through texts, examining ancient documents, and even holding votes. They make a fresh attempt to answer some of history's greatest questions: Who was he? Where did he live? What did he think? And was the Bible's account true? In *Gospel Truth*, bestselling author Russell Shorto (*The Island at the Center of the World*) brings a journalist's eye to the life of Jesus Christ. Shorto looks into the Jesus Seminar, where historians seek and analyze evidence of the world's most famous carpenter's son. He compiles their research and ideas to create a composite biographical portrait of Yeshu, a man of ordinary beginnings who changed the world in extraordinary ways. A skillfully compiled

biblical interpretation, Shorto shows “a Jesus stripped of the unhistorical” (Library Journal). The result will fascinate believers and nonbelievers alike.

Gospel Truth Jul 16 2022 "It's the Gospel Truth!" we insist, when we want to establish the truth of what we say. But what really is Gospel Truth? Every Christian church claims to know the Gospel, but how faithful to Gospel Truth are we? The author uses his Lutheran training in distinguishing the Biblical messages of law and Gospel in order to clarify Gospel Truth and defend it from falsehoods and distortions. His intent is that the Gospel be rightly and clearly presented so that it is the Good News and saving Truth that God intends it to be. Surveying the Biblical record, historical debates, theological writings, church teachings, and illustrating with pastoral experiences, this book presents the Gospel as a multi-faceted diamond, the heart of which is Christ. God's unparalleled Good News is to be treasured in every heart. The author, Rev. David Atrops, graduated from Concordia Theological Seminary, St Louis, and served congregations of The Lutheran Church - Missouri Synod in Idaho, Washington, and California. He is retired and living in Redding CA

Golden Links of Truth Aug 29 2023 Those who have studied deeply into the human nature of Christ know that there are a number of seemingly contradictory, inspired statements as to whether Christ took the nature of Adam before he fell or after he fell. This issue has great importance as to whether Christ is merely our Substitute or whether He is both our Substitute and our Example. The discussion and conclusions will prove helpful to both scholars and laymen alike. “The precious, golden links of truth are not separate, detached, disconnected doctrines; but link after link, form one string of golden truth, and constitute a complete whole, with Christ as its living center.” Ellen G. White Pamphlets, vol. 1, 23. Testimonial: “I have just finished reading your book, *Golden Links of Truth*. It is the clearest, most beautiful and inspiring presentation of the subject that I have yet read. . . . All God's remnant ought to read such a book.” Retired Missionary.

Truth on Fire Jan 10 2022 Knowing God truly, experiencing Him deeply. What would it look like to genuinely love God with our head AND our heart? To have a faith marked by right thinking AND right feeling? To know God deeply AND worship him passionately? Too often, Christians act as though these things are at odds with one another. But what if God intends for us to possess a Christianity that is radically committed to biblical truth, in a way that did not diminish the life of the heart, but actually intensified it? Adam Ramsey invites us to engage both our minds and our emotions in our walk with God as we gaze at him until our hearts sing. He sums it up like this: "My hope in these following pages is to paint a biblical portrait of what God is actually like, so that we can gaze upon him together until our hearts can't help but sing. To behold him in such a way that our daily experience is transformed with a deepened awareness of who it is we pray to, who it is that is with us, and who it is that we are loved by. To let God's truth set our hearts on fire." If you yearn for God but desire a clearer biblical picture of this God whom you love, or if you have been walking with God for a while now, but your experience of him has become settled or dry, then this book is for you.

The Truth about Christianity Mar 24 2023 THE TRUTH ABOUT CHRISTIANITY Either the most controversial or the most satisfying book of the century: *The Truth About Christianity* will cause you to stop and examine your very existence. Do you know? That Jesus did not die for your sins? That Jesus was not the only Christ? That you can live life abundantly and experience eternal life right now? Who and What the "Beast" really is? That Jesus was not the only Son of God? That the prophet Isaiah predicted: "In our times, that church doctrine would be unnecessary since one man would not have to teach another the truth- because it would be made known to everyone? That we are-right now-in the end times? That *The Truth About Christianity* answers these questions and more-based upon the true sayings of Jesus?

The Gospel Truth Oct 07 2021 Where does a new believer turn to find truth? The Christian narrative today has morphed into a fluid and philosophical commentary centered around social injustices and motivational messages that rarely align with the gospel that Jesus preached. Sin is ignored and repentance is avoided by those who over exaggerate grace and diminish the holiness of God by suggesting he accepts us whether we are faithful to him or not. In a knee jerk response to the strict religious shackles of the early church many of today's preachers bask in the hyper-sensitivity that accompanies the “cancel culture” that proclaims it will not be judged. In *The Gospel Truth*, Bezan has endeavored to dissect prominent Christian religious denominations in order to expose their internal theologies and scrutinize the details of their doctrine under the litmus test of scripture. He offers legitimate discernment to differentiate between truth and almost truth and conveys an intelligible recognition of the genuine vs the counterfeit in a detailed and comprehensive assessment that leaves the reader judiciously satisfied. We have an opportunity in this life to sincerely contemplate the things of God. We are provided with a window in time to question the hidden mysteries of scripture and truly discover who God is. The good news is that God has provided a path to salvation through Jesus Christ and the gospel contains the truths that solve the mysteries that have eluded men for millennia.

The Naked Gospel Jun 02 2021 *The Naked Gospel* is a chapter-by-chapter assault on the churchy jargon and double talk of our day. It puts forth a message that is simple but life-changing. With a fresh take on Scripture and unapologetic style, *The Naked Gospel* will challenge you to re-examine everything you thought you already knew.

Nothing But the Truth Feb 03 2024 "Sanctify Christ as Lord in your hearts, always being ready to make a

defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence." -1 Peter 3:15 Scripture is clear about the fact that we must be prepared to communicate the truth of the Gospel when given the opportunity—and do it with the right attitude. But even when your tone is gentle and respectful, what, specifically, should you say when asked or confronted about your faith? And what is your overall responsibility to unbelievers as a disciple of Christ? Pastor John MacArthur responds to these very questions and more—with solid, biblical answers focused in four particular areas: * your attitude * your preparedness * the content of your answers * your priority in witnessing Combining a biblical study of evangelism, a rational defense of Christian beliefs, and a practical approach to evangelism, this book offers a well-rounded perspective that can help you gently and confidently give an answer for the hope you have in Christ.

No Place for Truth Dec 21 2022 Evangelicals, argues Wells, have largely lost the truth that God also stands outside all human experience, that he still summons sinners to repentance and belief regardless of their self-image, and that he calls his church to stand fast in his truth against the blandishments of the modern world.
